To,

Parents/Guardians,

In view of the present Corona virus threat, you are requested to do the needful:-

1. Don’t send your daughter to school if she is suffering from cold /cough/fever even if it is past the check-in date.
2. Kindly send with your wards immunity boosters like vitamin C, Chawanprash, tissue papers & hand sanitizers for their personal use.
3. Please check the immunization record of your ward to see if they have received their Pneumococcal vaccine for secondary pneumonia and administer if not given.
4. Also please administer flu vaccine for (not corona) seasonal flu and check and administer typhoid vaccine if due and submit details with us on school reopening
5. School reopens for boarders on the 31st of March, 2020 between 10:00 a.m. to 3:00 p.m. and for day scholars on the 1st of April, 2020 at 8:40 a.m.
