

5th September, 2020.

To,
The Staff – Teaching and Non-Teaching,
Of the Indian Provinces,
Vadodara, Kolkata, Delhi and Pune.

Our Very Dear Teachers,

5th September – the Birth Anniversary of our former President Dr. Sarvepalli Radhakrishnan, a well-known scholar, teacher and an ardent promoter of education – is dedicated to you dear Teachers all over the country.

On this special day, it is a joy for us Religious of Jesus and Mary to pay our tribute to you! You truly deserve our sincere appreciation.

We salute you Teachers for the role you have played in rising to the occasion and responding to the urgent need of the hour – that of ONLINE TEACHING. The Covid 19 Pandemic has spurred us to do many things we may have never attempted in this lifetime.

None of us ever thought that this situation would last so long. It has brought the entire world to a halt. It has urged us to stop and take stock of our lives, not just as individuals but in our lives as family, community, society and the whole of creation.

It is in this do or die situation which we are in, that you our dear teachers - have risen to the occasion and have gone out of your way, walked that extra mile within the confines of your homes, and taken trouble to equip yourselves through webinars, training programs and self-learning so that we could begin teaching in a new way and accompanying our students even from a distance.

We do understand that it has been quite a challenge and for this we are grateful. We sincerely appreciate and acknowledge the time invested in preparation so that we could continue with our teaching. We are aware that it has not been easy for our children and their parents since they too had to cope with the insecure and uncertain times we are living in.

On this day dedicated to you our dear teachers, we thank God for the gift of you to all our CJM institutions and we wish to show you our appreciation -

... for the role you play in sharing in our mission of education.... for your exemplary lives....for giving of yourselves, your time and your energy in spite of all odds..... for your creativity in the teaching-learning process...for drawing out the best in our students...for the commitment by which you set an example to those around...for your motivation and passion for teaching..... and for challenging our students to go beyond.

We are sure that you have changed the lives of many, many students who have passed through your hands. Many will still remember you and often say "You have touched me, I have grown!"

You have lived up to the RJM traditions set by St. Claudine our dear Foundress an Educator of the Head, Heart and Hands. Thank You for sharing and making the JM charism alive today!

This is our prayer for you dear Teachers expressed in the video attached.

Thank you!
TO ALL THE TEACHERS, THANK YOU
FOR CONTINUING TO TEACH OUR
CHILDREN FROM AFAR DURING
THE CORONAVIRUS!

“Teaching is a beautiful job; as it allows you to see the growth day by day of people entrusted to your care. It is a little like being parents, at least spiritually. It is a great responsibility.”
—POPE FRANCIS
