Independence Day

Independence Day is the national festival of India. It is celebrated on 15th August every year. On this day, India got freedom from the British rule in 1947. On this day, the Prime Minister of India hoists the national flag at the Red Fort in New Delhi. On this day, we remember those people who gave their lives for the freedom. We pay tribute to the freedom fighters. Various cultural functions are organized. I feel proud to be an Indian.
