

**Please Note:** We shall now work with a day-wise format. Instead of sending you the complete chapter in a single assignment, I shall be sending you smaller assignments that are to be completed on a daily basis.

## Chapter 5- Plants in the Surrounding

- Read page 58

- Learn the words 'roots' and 'shoot' and what they mean.

- Look at these pictures of roots - parts of the plants that grow below the ground

- Look at these pictures of shoots - parts of the plant that grow above the ground

- Shoots have different parts -
- [STEMS](#)

- [LEAVES](#)

- FLOWERS

- BUDS

- FRUITS

- Do this work in your notebook
