QII. Answer the following questions.

1. List three safety rules we must follow at home.

Ans. We must follow these safety rules at home;

- (i) Do not play with electrical appliances.

- (ii) Do not use gas stoves on your own.
- (iii) Do not play with sharp objects.

2. List three safety rules we must follow on the road.

Ans. We must follow these safety rules on the road;

- (i) Do not play on the road.
- (ii) First look right then left, and again look right, and then cross the road.
- (iii) Always cross at a zebra crossing.

3. List three safety rules we must follow in the playground.

Ans. We must follow these safety rules in the playground;

- (i) Do not push or pull, or fight with one another.
- (ii) Follow the rules of the games.
- (iii) Inform the teacher if someone gets injured.

4. What is first aid?

Ans. First aid is the immediate help given to an injured person, until medical treatment can be given.

5. Name five items you will find in a first aid kit.

Ans. A first aid kit will have bandages, antiseptic cream, cotton roll, a pair of scissors, and medical gloves.

6. What is the difference between a good touch and a bad touch? Give one example each.

Ans. A good touch makes you feel happy and comfortable, but a bad touch makes you feel unpleasant and uncomfortable. A hug from your parents is a good touch, but someone twisting your arm with force is a bad touch.

7. List the emergency numbers for the following;

Police - 100

Fire - 101

Ambulance - 102

Child Helpline - 1098
