

Practise & Challenge - page 62

Complete Exercises C & D on page 62 and upload a picture in Google Classroom.

We see that the verb used in each sentence does not match with the noun. The sentences should read as—

- Ruchi **waters** the plants every day.
- She **cleans** her room on Sundays.
- She **plays** with her toys in the afternoon.

Thus, we see that certain verbs can be used with only certain nouns.

PRACTISE
