"I never had to worry about food and they had complete kitchen caravan with Maharaj and supporting staffs"

I had been to Assam Meghalaya tour with my family along with 5 year kid..North East region is still developing but Heena provided us with excellent services throughout the tour. Stay Hotels were best with Umiam lake view in shillong (La nicholas) what else can we expect. Sight seeing - they covered all places and we were punctual on timings to make most of the day. They allow sufficient time at places for you to discover. Kaziranga was best which kids enjoyed the elephant ride and watching Rhinos grazing. Mesmerizing Dawki river ; skyroot bridge and Mawsmai caves are too beautiful. Zipline adventure was great experience. Food - I never had to worry about food and they had complete kitchen caravan with Maharaj and supporting staffs with garma garam food every time even during Travelling as well. Providing pure veg food in region like northeast where 99% is non veg is the best service anyone can provide and it became all price worthy. Managers /Staffs were always on foot with all services. They deliver everything as promised in itinerary.

Travel Tips For this Sector

This Sector has destinations in very remote places – hotels are basic, roads vary, amenities are simpler than mainstream destinations.

Health and altitude

Sela Pass (13,700 ft) and Bum La Pass (15,200 ft) can cause altitude sickness – headache, nausea, breathlessness. Drink water, avoid alcohol the night before, move slowly. Guests with blood pressure, heart conditions, or asthma must consult their doctor before booking. Carry your regular medicines and a first aid kit – pharmacies are scarce outside Guwahati and Shillong.

Stays and amenities

No official star ratings exist in Arunachal and interior Assam/Meghalaya – we provide the best available (typically 3-star equivalent). Most hotels don't have lifts. Room heaters may not work in Arunachal due to voltage fluctuations; extra blankets and hot water bottles are provided. Brief water and electricity outages are part of life here. For large groups, all rooms may not be in one hotel, and rooms in the same hotel may differ in layout.

Drives and timings

Distance does not equal time in the Northeast. A 200 km drive may take 6 to 10 hours depending on roads, weather, and military convoys. Hotels have limited parking – be ready in the lobby on time as vehicles cannot wait at entrances. Some areas restrict vehicle entry to specific time slots.

Kaziranga National Park

Open 1 November to 30 April (subject to weather). Safari from 1st May to 31st October is limited to a few kms and is subject to flood Situation. Partial access in monsoon months. Safaris are managed by the Forest Department – last-minute cancellations beyond our control are possible.

Bum La Pass (Indo-China border)

Open to Indian nationals only, with special permission. At least one guest must visit the DC's office in Tawang the day before for formalities – closed Saturdays and Sundays. Permits granted at Army discretion; last-minute cancellations can occur even after permission. A separate local vehicle from Tawang to the border is included.

Luggage

Guests are advised to travel with one large bag and one handbag each. Excess luggage may take up extra space in the vehicle and affect the comfort of the journey.
