Preface

A historic beginning was made in 1992 through the 73rd and 74th Amendments to the Indian Constitution, to provide the rightful place to the Local Self-Governments (LSGs) in the process of Nation Building. These Amendments amongst others provided for i) Constitutional status to all the Local Self-Governments in the Country, and ii) Independent State Election Commission in each State for timely conducting of elections in a free, fair and transparent manner.

State Election Commission, Maharashtra which was established in 1994 returns more than 2,50,000 people's representatives every 5 years in nearly 28,000 LSGs (27 Municipal Corporations, 228 Municipal Councils, 130 Nagar Panchayats, 34 Zilha Parishads, 351 Panchayat Samitis and 27781 Village Panchayats).

While conducting elections during 2015-18, a need was felt to have information about them (LSGs) at one place on the lines of District Gazetteers published by the Government prior to Independence. This being a herculean task, it was decided after detailed consultation at various levels to initially collect basic statistical information about all the Municipal Corporations, Zilha Parishads & Municipal Councils and publish the same as separate volumes. Gradual improvement could be made in those books later on.

State Election Commission, Maharashtra keeping the above in mind, asked the Divisional Commissioner, Pune to prepare formats for collecting the required information after consulting various Divisional Commissioners, Chief Executive Officers of Zilha Parishads and experts. I am happy to learn that the information has been provided by all the Chief Executive Officers in the finalised formats and the same has been compiled by the Divisional Commissioner, Pune with the help of all Divisional Commissioners and Chief Executive Officers of Zilha Parishads and the same is being published now.

The information in this book primarily pertains to demographic details, composition of Local Body, infrastructure, development plan and important features etc.

I am sure this book would be extremely useful not only to the Election Managers but also to the planners of these rural Local Self Governments besides researchers, students and stakeholders.

This being the first attempt of its kind, it is possible that some discrepancies and / or errors might have crept in while publishing this Book. If it is so, the same may be brought to our notice so that they could be rectified in future.

I take this opportunity to congratulate Mr. Deepak Mhaisekar, Divisional Commissioner, Pune, all the Divisional Commissioners, Chief Executive Officers of Zilha Parishads of the State and their staff for making this publication a reality. I wish this book all success.

State Election Commissioner
Maharashtra

Foreword

We were pleasantly surprised when Hon'ble State Election Commissioner, Maharashtra, looking at the complexities of the administration of rural area asked me to devise the formats and compile the basic information of the various ZilhaParishads at one place.

I am happy to mention that the required information was readily provided by all the Chief Executive Officers (CEOs) of ZilhaParishads in the formats agreed to by all of us and the same has been collected & compiled in a short span of time with the help of the various Divisional Commissioners.

I am further happy that this compilation of basic information of all the ZilhaParishads is being published by the State Election Commission for the benefit of the various stakeholders of democracy. I am sure this publication would be of extreme use not only during the elections but also for area planning.

I would like to thank all my colleague Divisional Commissioners, Chief Executive Officers of ZilhaParishads and their staff for so painstakingly collecting and compiling this information in a short period of time.

Deepak Mhaisekar

Unique Aspects of District (Geographical, Social, Political, Economical etc.)	The average rainfall in Solapur is 545.4 millimeters (the lowest in Maharashtra). The population of the district is 43, 15,527 (2011). Bhima River is the main river in the district. Solapur District is located on the south east edge of the State and lies entirely in the Bheema and Seena basins. The district's climate is generally hot and dry, during summer it reaches upto 45 degrees celcius. During the independence movement, the people of Solapur enjoyed full freedom on 9-11 May 1930. However, this resulted in the executions of Mallappa Dhan-shetty, Abdul Rasool Qurbaan Hussein, Jagannath Shinde and Shrikisan Sarda .The festival of Makar Sankranti is one of the largest festivals celebrated by the people of Solapur. Vitthal Rukmini Temple Pandharpur, Swami Samarth Temple Akkalkot, ShriSiddheshwar Temple Solapur, Bhuikot Fort Solapur are important touristplaces. A dam is constructed on the river Bhima at Ujani (121 TMC) in Madha taluka on the border of Solapur-Pune district. Due to this dam, water supply is easily available in the western and central parts of the district including Solapur city. It is a multipurpose project that provides irrigation, drinking water, water to the industries, water and electricity for the sugar factories, and many other purposes. Flamingo (Rohit) birds are found in the dam premises. Due to the Bhima-Seena connectivity, the seven talukas of the district are benefitted. The Bhima-Seena tunnel is the largest Tunnel in India. Water from the Ujani Dam is released from the river Sina through this tunnel.

Unique Aspects of District (Geographical, Social , Political , Economical etc.)	Washim was known earlier as Vatsagulma and it was the seat of power of the Vakataka dynasty. Sarvasena the second son & Pravarsena I was the founder of Vatsgulma or Washim of today. Washim is the place where Vatsa Rishi performed penance and where many Gods came to bless him as a result which it came to be known as Vatsagulma. Washim district formed after bifurcation of Akola into Akola and Washim districts in 1998. The antiquity of the town has given rise to a number of objects and places of interest in the town. The chief among them are Padmatirtha, Balaji Temple, Rama Temple, Madhyameshvara Temple, Godeshvara Temple, Two Jain Temples and Narayana Maharaj Temple etc.

Unique Aspects of District (Geographical, Social, Political, Economical etc.)	Wardha gets its name from the Wardha River which flows at the north, west and south boundaries of district. The history of the Wardha district dates back to ancient times. It was include in the empire of Mauryas, Shungas, Satvahanas, and Vakatakas. Later on, wardha was ruled by Chalukyas, Rashtrakutas, Yadavas, Bahamani Sultanate, Gonds and Maratha. Now wardha is a sister city for Sevagram, and both were used as major centeres for the Indian Independence Movement. Late Baba Amte, Indias Social and Moral leader built its Anandvan at Hingan ghat. Late Vinoba Bhave, Freedom fighter and social worker belongs to this district.

Unique Aspects of District (Geographical, Social, Political, Economical etc.)	The name of Bhandara district is derived from “Bhannara”. Reference to Bhanara is found in an inscription of 1100 A.D. traced at Ratanpur. The district was under regency administration from 1818 to 1830. Prior to 1820 the district was administered from Lanji, thereafter the headquarters of the district were shifted from Lanji to Bhandara in 1820-21. The area became British Territory in 1853. In 1881 there were only two tahsils and major changes in the boundaries of the district or its taluks between 1911 and 1955 except that the headquarters of Tirora tehsil were shifted to Gondiya and name of the tehsil was changed to Gondiya tehsil in 1914. From 1947 to 1956 the district of Bhandara along with the other districts of along with the other districts of Vidarabha region continued to form a part of the Central provinces. With the reorganization of states in 1956, Bhandara became part of United Maharashtra. Indira Sagar Dam, Chandpur, Ambagar Fort, Pawni Killa, Gaimukh, Korambhi Devi, Chaundeshwari Devi, Sindhpuri Buddha Vihar, Rawanwadi Dam are the important tourist attractions.
