How to get Local Deals?

Apart from online presence INRDeals has remarkable offline presence too as the company has tied up with Brick & Mortar stores including top hotels, restaurants,

bars, cafes, appeal stores like KC Residency, Lords Inn, Spice Food Court, Downtown Café & Lounge, etc. in Jammu City. *Currently INRDeals has its local deals segment operational in Jammu City, soon INRDeals will be operational in other cities as well!

Steps to get Local Deals -

1. Go to Local Deal section - Here you can choose your local store
2. Go through the offers of the store, then Click on **"GET YOUR COUPON"** button.
3. A popup will appear, Enter your valid mobile number and Savings card number or Promotion Code (if any).
4. You will receive a Coupon Code via SMS. Show the SMS at **"Local Store"** while placing the order to get your special deal!

Note: In case you don't have a Savings Card/Promo Code you can still get the deal for free just press **"GET YOUR COUPON"** button follow the instructions, you will get an option to share the post on Facebook, Share the post Publicly and you will receive the coupon code via SMS.

Tip: Follow us on Facebook and Whatsapp to stay connected with us and get latest Deals & offers.

How to Generate custom link

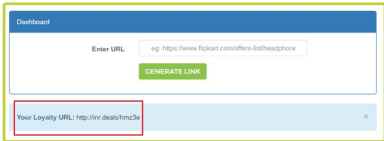

Even if you didn't find the product of your liking on the homepage and you want to buy a specific product (eg: A Printer) from any ecommerce site, you can still save & earn cash rewards by shopping through INRDeals.com. Just follow 3 Simple steps to earn upto 10% cash rewards on every purchase!

1) Copy the URL of the product you wish to buy.

2) Enter the copied link in the dashboard of your panel & generate your custom loyalty link.

3) Click on the newly generated loyalty link & you will be redirected to the same merchant site, just shop as usual.

4) After successful payment a cash reward will be automatically credited in your INRDeals wallet within 72hrs.

Tip: Suggest a product /deal to your family & friends and earn loyalty benefits on that too. Just give them your loyalty URL to buy the product & earn cash reward on their purchase too!
