cordially invites you for a

Public Lecture

on

India Post Payments Bank Initiative - Digital Business, Negotiations & Selling Aspects

by

Mr. Prosenjit Routh

About the Speaker

Mr. Prosenjit Routh is an accomplished management professional with over 23 years of hands-on experience in the Information Technology domain, which includes big data, digital business transformation, negotiations and techno-commercial deals.

Currently, Mr Prosenjit works as Chief Enterprise Architect for DXC Technologies and leads the India Post Payments Bank program, an initiative by the Govt of India towards financial inclusion. Prior to DXC, he served as a director at PricewaterhouseCoopers Pvt. Ltd. During his career, he led multiple large business transformation initiatives in the USA, Europe & Asia Pacific. He was leading the Enterprise Architecture & IT Solution Implementation business for Government & Public Sector clients, including the Chief Architect role for Digital/IT Transformation initiatives of West Bengal & Jharkhand State Government. Mr Prosenjit is a Bachelor of Technology (BTech) graduate from the Regional Engineering College, Warangal and have successfully completed the Strategic Management Programme from IIM Indore. He is also a certified Enterprise Architect by TOGAF and has successfully completed multiple other certifications on different technological & architectural aspects from industry leading certifying authorities.
