To,

Chief Executive Officer,
Sector Skill Council (All)

Subject : About Assessment Fees.

Reference : Letter No. MSSDS/PMKUVA/2022-23/1392, dated 18/07/2022.

Sir/Madam,

Pramod Mahajan Kaushalya va Udyojakata Vikas Abhiyan is State's flagship skill development scheme which was launched in September 2015. Objective of this scheme to train youth age group of 15 to 45 years in the State of Maharashtra & to facilitate Employment & Self-employment opportunities to trained candidates. Training batches will be allocated to register training centers as per man power demand in the respective Districts, and District Skill Development Plan.

Accordingly, Central/State/District sponsored schemes are implemented in the state through Maharashtra State Skill Development Society. The certification of qualified candidates after training is done by respective Sector Skill Council (SSC) & Maharashtra State Council for Vocational Training (MSCVT). The cost of evaluation and certification is reimbursed at rates determined by the Assessing Body.

At present, for the skill development training program schemes implemented under the Pramod Mahajan Kaushalya va Udyojakata Vikas Abhiyan, the assessment and certification fees are paid by the concerned training institutes to the certifying bodies (SSC & MSCVT) and the said cost is reimbursed through the Maharashtra State Skill Development Society in the second milestone invoice submitted by the training center (On Assessment). As per decision taken by Maharashtra State Skill Development Society with above reference now onwards (PMKUVA-21 onwards) assessment fees will be paid by Maharashtra State Skill Development Society directly to Sector Skill Council however no need to pay by training center to Sector Skill Council. The Standard Operating Procedure (SOP) is attached for your reference. (Refer Annexure 1)

Thank You,

Dr. Namdeo K. Bhosale.

Chief Executive Officer

Maharashtra State Skill Development Society
