1. Background

I. Maharashtra State Skill Development Society (MSSDS)

MSSDS is a nodal agency for implementing, monitoring, co-ordination and convergence related to Skill Development & Entrepreneurship activities to leverage employability. Commissioner, Skill Development, Employment and Entrepreneurship acts as Ex-Officio C.E.O., MSSDS. MSSDS implements centrally and state sponsored skill development schemes in the state of Maharashtra for skilling of unemployed youth. It also acts as a catalyst in strengthening Skill Eco System of Maharashtra. MSSDS also has partnerships with industries for demand and outcome based skilling of candidates, and also plans to undertake survey/research of the existing status of skill gaps and finally works out an integrated strategy for enhancing the employability of youth in the State.

II. Pradhan Mantri Kaushal Vikas Yojana Special Projects (PMKVY 2.0)

PMKVY 2.0 (2016-20) was launched with three components – Short Term Training (STT), RPL and Special projects. Completion of PMKVY 1.0 brought with it, numerous learnings for the skilling ecosystem. There was a need felt to bring in a component which would provide flexibility and cater to diversified skilling needs of the country. A component which fills gap in skilling of vulnerable population, difficult to reach people and is open for new requirements and innovative models. Hence, the Special Project component was introduced. In other words, Special Project component is different from STT component of PMKVY 2.0 by virtue of it being a project, need-based and comparatively a little more flexible.

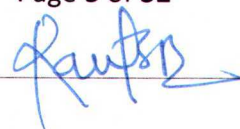

Special Project under PMKVY 2.0 Centrally Sponsored and State Managed (CSSM) component may be defined as project proposals of any of the following nature:

- a. Project proposals for training candidates in job roles that are outside the purview of existing PMKVY job roles list. However, a job role must be NSQF approved and Training Provider should have ready content and curriculum, before commencement of training.
- b. Project proposals ensuring captive employment. Industry leaders or corporate bodies shall be the Training Provider and must ensure at least 80% placement in its enterprise or its member enterprises.
- c. In case the Training Provider is not a corporate body or industry leader providing captive placement, Training Provider to provide at least 90% wage employment. Training Provider is required to furnish Letter of Intent (LoI) from the organizations ready to provide employment at the time of proposal submission.

Total target to be allocated under PMKVY 2.0 CSSM Special Project is approximately 19,312.

This EoI is being invited for the Short Term Training and captive employment to trained candidates by the corporates in their own / member organizations i.e. as per the section (b) above.

Being a **Project Implementation Agency** for promotion of skill development, entrepreneurship & innovation in the state, MSSDS has been entrusted to execute Special Projects under PMKVY 2.0 CSSM scheme in Maharashtra. In this reference, MSSDS invites the Expression of Interest (EoI) from interested and eligible industry for submission of proposal for empanelment to undertake Special Projects under PMKVY 2.0 CSSM. The eligible empaneled partners shall implement PMKVY 2.0 Special Project in identified/proposed sector/job roles as listed at **Annexure-6** across Maharashtra.

III. Objective:

MSSDS has the mandate to implement the Pradhan Mantri Kaushal Vikas Yojana (PMKVY 2.0) scheme's CSSM component.

The objective of this EoI is to empanel eligible industry leaders or corporate bodies to train the **fresh candidates** and provide at least 80% of certified candidates with employment in their own enterprises or their member enterprises. Only fresh candidates are eligible for training and placement under this project and existing employees (on-roll or contractual) are not eligible to undertake training under this project.

In view of the above, MSSDS by way of this EOI, invites application from interested applicants for implementation of PMKVY 2.0 CSSM Special Project in sectors & job roles listed at **Annexure-6**.
