SUBHIKSHA -2020 - PLANTING PINEAPPLE SAPLINGS DEPARTMENT OF BOTANY, NSS, NCC, PTA, AGRICULTURE DEPARTMENT, DAIRY DEVELOPMENT BOARD SASTHAMCOTTA & GRAMA PANCHAYATHU -SASTHAMCOTTA	
DATE	NUMBER OF STUDENTS PARTICIPATED
05/06/2020	148

SUBHIKSHA – 2020 is an organic farming project done by KSMDDB College in consultation with the Agriculture Department and Dairy Development Board at Sasthamcotta and executed with the help of Grama Panchayathu-Sasthamcotta. The programme was inaugurated by Adv. Sri. N. Vasu, Hon'ble President of Travancore Devaswom Board, on 5th June 2020 in the presence of Sri Kovoov Kunjumon, MLA, Adv. Sri. N. Vijayakumar, Member of TDB, Adv. Sri K.S. Ravi, Member of TDB and Sri. I. Nowshad, President of Sasthamcotta Grama Panchayathu. The project got motivated by the 'Subhiksha Keralam' project of Govt. of Kerala and 'Devaharitham' project of TDB.

Objectives: -

1. To motivate the student community to do Agriculture, which is a method of sustainable green living.
 2. To impart 'Environmental Awareness' to students and others through Agriculture.
 3. To extend the knowledge on Agriculture to the community in the suburbs of the college, so as to guide the society to 'Self-sufficiency' in food production.
- In house, it is a joint venture of P.T.A, NSS units, NCC unit, and Department of Botany with the co-operation of all other Departments of our college.

The Committee: -

Sl.no	Name	Designation	Department
1	Dr.K.S. Anil Kumar	Principal	
2	Dr.Geethakrishnan Nair P	Convener	Botany
3	Dr.K.R.Sanakaranarayanan	Member	English
4	Prof. R.Arunkumar	Member	Physical Education
5	Dr.Jayanthi S.	Member, PTA Secretary	Sanskrit
6	Sri. H. Nazeer	Member, Vice President, PTA	
7	Prof. A.V.Aathman	Member, NSS Programme officer	Malayalam
8	Dr. Remya G.R.	Member, NSS Programme officer	Physics

9	Dr.T. Madhu	Member, NCC Officer	Malayalam
10	Dr. Santhi Jose	Member	History

The program begins with the inauguration of Harithalayam project of NSS by planting a tree sapling by the Principal Dr. K. S. Anilkumar in the campus at 10 AM. At the evening the joint venture of NSS, Government of Kerala and Devaswom board was inaugurated by Devaswom board President K. Vasu by planting the sapling in the land considered for plantation. The respected persons were welcomed by NCC cadets. MLA Kovoov Kunjumon, Devaswom board members N. Vijayakumar, K. S. Ravi, Devaswom Board Deputy Commissioner Baiju, Grama Panchayath President Naushad, Agriculture deputy director Pushpa Jose, Agricultural officer Binisha, Dairy development board member Omanakuttan, NSS program officers Aathman A. V, Dr. Remya G.R., NCC officer Lt. Col. T. Madhu, teachers like Prof. Sankaranarayanan, Dr. Geethakrishnan Nair, Prof. Mini C. Chandran, Prof. Sheeja, were participated in the program. With the advice of Dairy Development Board, the Devaswom Board agreed to build cattle shed in our college. The NSS and NCC volunteers were also participated in the program by planting the saplings. As a continuation to that both NCC cadets and NSS volunteers tilted the land and planted the remaining seedlings. 10 cadets each for 7 days (11/06/2020, 12/06/2020, 15/06/2020, 16/06/2020, 18/06/2020, 19/06/2020 and 22/06/2020) tilted and planted seedling on the balance land. The whole activity was a great success.

WORLD ENVIRONMENT DAY- DISTRIBUTION AND PLANTING THE SAPLINGS

NCC UNIT

Date	NUMBER OF STUDENTS PARTICIPATED
05/06/2020	92

Environment is the gift which is given to us by the Earth. It is our responsibility to conserve and protect the environment. As a part of this about 92 NCC cadets had planted various types of saplings at their houses and also distributed saplings to the village people. More than that the cadets actively participated in cleaning the surroundings of their house. All cadets collected the plastics and bio degradable wastes around their houses and treated them separately.

INTERNATIONAL YOGA DAY CELEBRATION NSS UNIT	
DATE	NUMBER OF STUDENTS PARTICIPATED
21-06- 2020	100

The international yoga day has been celebrated annually on 21st June since 2015. Yoga is a physical, mental and spiritual practice originated in India. The physical benefits of Yoga include increased flexibility, improved respiration, energy and vitality, weight reduction and also improves the cardio and circulatory health.

NSS Unit of the college celebrated the International Yoga Day on 21st June 2020 by conducting a webinar based on the theme 'Yoga for Everyday Life'. The webinar started at 10 am on Google meet. Dr. Sreejith T G, Assistant Professor, Department of Sanskrit was the resource person. The programme began with the presidential address by Prof. Athman A. V, NSS programme officer. Dr. Remya G.R welcomed each and every one for the programme. The resource person started the programme by chanting a prayer. In the webinar he stressed the importance of yoga in our day-to-day life which harmonizes our body mind and soul. 80 NSS volunteers and their family members participated in the program. The programme ended at about 12 noon with vote of thanks by Keertana, NSS student volunteer. The NSS volunteers also celebrated yoga day by doing various Asanas in their home.

The NCC unit of KSMD B College Sasthamcotta conducted a webinar by Mr. Mahesh Mto sharing the importance and the benefits of Yoga. After the class there was an online elocution

contest. 10 cadets participated under the guidance of senior cadets. Harikrishnan K and Aparna A bagged the first and second prize respectively.

WEBINAR ON COVID AND PALLIATIVE CARE

NSS UNIT OF KSM DB COLLEGE

DATE	NUMBER OF STUDENTS PARTICIPATED
10-10-2020	100

Palliative care is dedicated medical care for people living with a serious disease. This kind of attention is intensive on imparting reprieve from the symptoms and stress of the illness. The goal is to improve quality of life for both the patient and the supporting family. NSS being indebted to social service Palliative care initiatives give volunteers an open platform to meet the suffering ones, know about their hardships and they will learn to be passionate to such peoples. Kerala University has an appreciable effort to conduct palliative activities through NSS units of different colleges. The training programs organized by university give an insight to volunteers regarding palliative care. We extend our palliative care activities to Kunnathoor panchayat and we have adopted Kunnumpuram under the Adopted Village Scheme.

A webinar on the topic "Covid and Palliative Care" was organised on 10/10/2020 with around 100 students as participants. The topic was presented by Liji Chacko, Staff Nurse, Palliative Care Hospital, Kollam which was followed by an active discussion thereafter. Youtube link: <https://youtu.be/t-83osu42iA>

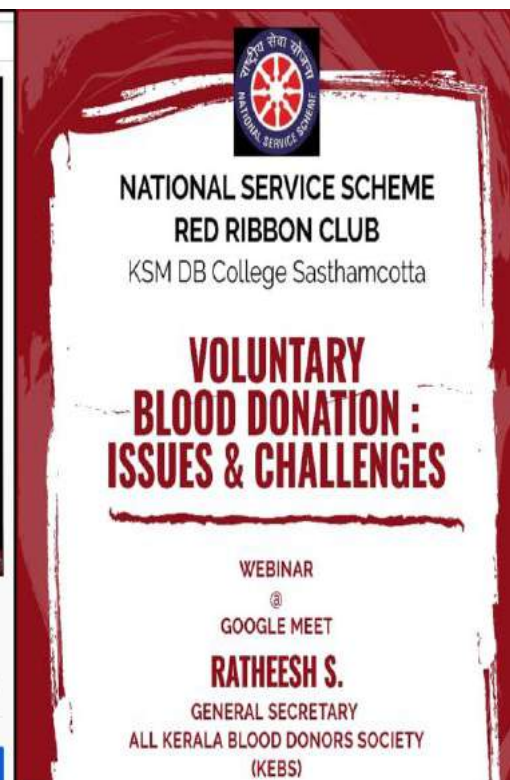

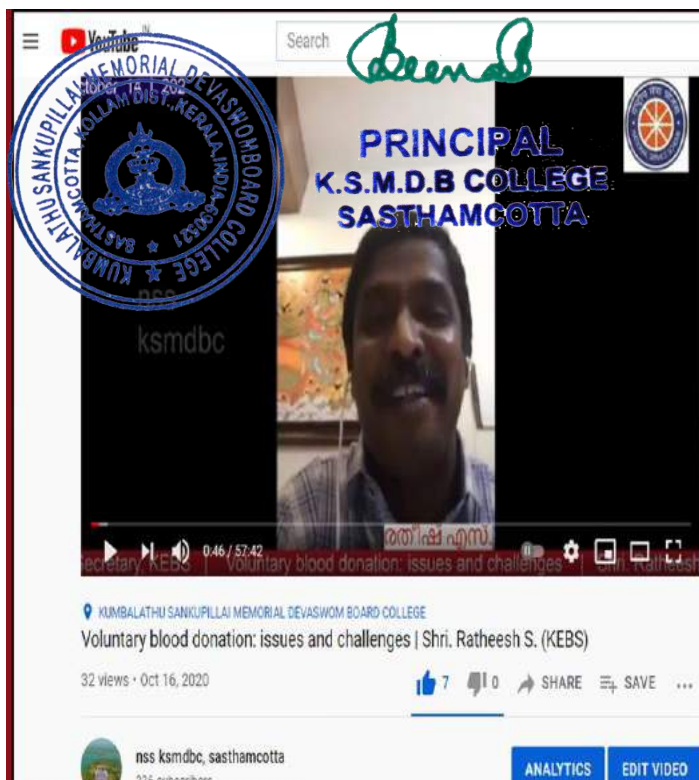

**WEBINAR ON 'VOLUNTARY BLOOD DONATION,
ISSUES AND CHALLENGES'
NSS UNIT&RED RIBBON CLUB**

DATE	NUMBER OF STUDENTS PARTICIPATED
14-10-2020	80

Blood is one of the most essential fluids of our body. If the body loses too much blood, people will get fatal diseases and die. Voluntary blood donation is a necessity. NSS and Red ribbon club jointly organized a webinar on the topic 'Voluntary Blood donation, issues and challenges.' The topic was presented by Ratheesh S, General secretary, All Kerala Blood

Donors Society.

**WATER QUALITY ANALYSIS OF SASTHAMCOTTA LAKE
AND WELL WATER SAMPLES FROM THE PANCHAYATH
DEPARTMENT OF BOTANY, OF BHOOMITRA SENA CLUBKSMDB
COLLEGE, SASTHAMCOTTA**

DATE	NUMBER OF STUDENTS PARTICIPATED
18-12 -2020	8

With the involvement students of Department of Botany and of members of Bhoomitra Senaclub, physicochemical and microbiological analysis of water quality of Sasthamkotta lake and samples of Sasthamkotta Panchayat was conducted. Study was conducted under the supervision of Ms.Lekshmy Sreekumar, AssistantProfessor of Department of Botany. Head of the Department of Botany,Dr.P. Geeta KrishnanNair and Ms.Dhanya S.R, Assistant Professor of Department of Botany, also offered valuable suggestions. Eight students from the department of botany participated in the study, conducted on 18-12 -2020. Water pollution caused by fecal contamination is a serious problem due to the potential for contracting diseases from pathogens. The presence of pathogens is determined with indirect evidence by testing for an "indicator" organism such as coliform bacteria. Coliforms are relatively easy to identify, are usually present in larger numbers than more dangerous pathogens. As a result, testing for coliform bacteria can be a reasonable indication of whether other pathogenic bacteria are present or not. Drinking water and well water samples from different localities of the Sasthankottapanchayath and different parts of lake was analysed for coliform testing. Altogether 20 samples were analysed for preliminary screening. Those samples tested positive were further subjected to physicochemical and microbiological analysis in CEPCI (Cashew Export Promotion Council Of India) for testing total coliforms and the two subgroups thermos tolerant faecal coliforms and E.Coli. The results indicated that the water tested was highly contaminated with the fecal material of man or other animals. The Presence of

PRINCIPAL
K.S.M.D.B COLLEGE
SASTHAMCOTTA

fecalcontamination is an indicator that a potential health risk exists for individuals exposed to this water. Fecal coliform bacteria may occur in ambient water as a result of the overflow of domestic sewage or nonpoint sources of human and animal waste.

Thus, the public around the locality were advised to take proper measures to solve this issue.

Program 2. Awareness campaign was conducted among common people to promote sustainable development goals.

SAHAPAADIKKORU VEEDU2020- LAID FOUNDATION STONE FOR HOUSE NSS UNIT

DATE	NUMBER OF STUDENTS PARTICIPATED
27/12/2020	20

NSS Unit of our college in collaboration with the Devaswom Board decided to build the house for an NSS volunteer under the leadership of Program officer Aathman A V. The students and Progame officer visited the family. They prepared the plan for construction of new house. They arranged another house for the accommodation of that family and the broken-down old house was removed. The work was begun on 27-11-2020. The foundation stone was laid on 27-12-2020 by Devaswom Board president, Advocate N Vasu. Devaswom Board Member Shri KS Ravi, Principal Dr KS Anil Kumar, Ex-Principal C Unnikrishnan, NSS Program Officers Prof. Atman AV, Dr Ramya GR, NSS Volunteer Secretaries, and NSS Volunteers attended the meeting.

Sahapaadikkoru Veedu-Home for the fellow student-Foundation stone laying ceremony

The total cost of the house was about Rs.75,0,000/-. Under the leadership of the units, a large fundraising campaign was launched, in which teachers (including retirees), alumni and other well-wishers wholeheartedly contributed. The voluntary efforts of NSS volunteers and fundraising initiatives are the notable factors behind the success of this program.

AGRICULTURAL MARKET AT COLLEGE NSS, NCC, PTA AND BOTANY DEPARTMENT, KSMD B COLLEGE, SASTHAMCOTTA	
DATE	NUMBER OF STUDENTS PARTICIPATED
07-01-2021	51

The department of Botany has organized and conducted a “Campus Market” for the agricultural produces like Banana, Tapioca, Yams, Amorphophallus, Mushrooms and other indigenous vegetables produced by the marginal farmers under a programme entitled “Karshakarkku Oru Kaithangu” or a helping hand to farmers during the rampage of covid 19 pandemic along with the Krishi bhavan Sasthamcotta on 7.01.2021 with the assistance of NSS and NCC units.

The Campus market was inaugurated by Principal Dr. K.S Anil Kumar, Smt. Binisha.R, Agriculture officer rendered all the technical support including the formations of a ‘benchmark price’ for the agricultural produces. Dr.Geethakrishnan Nair.P, H.O.D, Botany, Sri. Aathman. A.V, NSS programme officer & Asst. Professor, Dr. T. Madhu, NCC officer & Asst. Professor gave necessary guidance for the successful conducting of campus market.

The department of Botany scheduled a monthly with the assistance of Kirshi bhavan and many of the local marginal growers were benefitted. This programme also helped the staff and students of the college to establish a direct contact with rural farmers. Rather students had an opportunity to understand the local agricultural crops and the role of farmers in a sustainable society.

**KATHA VAAYANA -STORY READING FOR THE COMMUNITY
(USING YOUTUBE CHANNEL)**

DEPARTMENT OF MALAYALAM

DATE	NUMBER OF STUDENTS PARTICIPATED
STARTED ON 01/06/2021	14

Katha Vayana” or “Reading Stories” is an online programme organized by the department of Malayalam for the public as a means to listen to and appreciate literature in an age where the relationship between the people and literature is getting weaker day by day. The awareness that people are more inclined towards listening to stories rather than reading books in this new media age lead us to think out of the box and we arrived at this innovative juncture of digitalizing stories in Malayalam.

The Department of Malayalam uploaded the video files of stories prepared by the students as audio files as part of the digitalization programme. It has got wide reach and if the minimum number of views that a video file has received is 1200, the maximum number of views extended up to 9600 after ten months. The increase in the number of views shows its popularity and acceptance in the public space. It leads one to think that it has helped thousands of people to have access to the realm of appreciating literature.

ENVIRONMENT DAY CELEBRATION-PLANTING THE SAPLINGS

NCC UNIT

DATE	NUMBER OF STUDENTS PARTICIPATED
5-6-2021	66

As part of World Environment Day, around 93 NCC cadets planted saplings of various species in their homes and distributed saplings to their family members. The cadets produced various placards and documentaries to spread the slogan and awareness in the society. Today it is not just planting saplings but also cleaning the surroundings. All the cadets collected plastics and organic waste from around their homes, treated them separately and reused the collected plastic for making art craft materials. Cadets prepared posters and drawings related to nature conservation.

DATE	NUMBER OF STUDENTS PARTICIPATED
15/06/2021	84

Online training and demonstration programme organised by CWS on 15 th June 2021 “Cash out of Trash- An Eco-friendly Art”. The Resource Person was Dr. Sandhya R, Assistant Professor, NSS College, Pandalam. The hands-on training programme was really worthy and useful to the students in the period of covid pandemic. The making of eco-friendly products and its commercial production aspects attracts the interest of students. The RP also proposes a practical solution for the household waste management and points out the need for environmental cleanliness and its protection. The function was formally inaugurated by Dr. C. Mini Chandran, Principal and more than 80 students participated in the programme.

THE INTERNATIONAL ANTI-DRUG DAY OBSERVANCE	
NCC UNIT	
DATE	NUMBER OF STUDENTS PARTICIPATED
26/06/2021	<u>26</u>

The International Day Against Drug Abuse is observed worldwide on June 26. As part of this, the NCC unit conducted a public awareness programme by displaying posters showing the harmful effects of drugs. Most of the cadets made awareness posters and displayed them around. The cadets also produced a video documentary on the causes of drug abuse. A drawing competition was also held on the occasion of Anti-Drug Day. The cadets drew several cartoons showing the ill effects of drug use and shared them through social platforms.

SUBHIKSHA 2020-PINAPPLE HARVESTING
DEPARTMENT OF BOTANY, NSS, NCC, PTA, AGRICULTURE DEPARTMENT, DAIRY DEVELOPMENT BOARD SASTHAMCOTTA & GRAMA PANCHAYATHU – SASTHAMCOTTA

DATE	NUMBER OF STUDENTS PARTICIPATED
26/07/2021	52

The students of our college succeeded in transforming the 5-acre barren land on the banks of the Sasthamcotta Lake into a field of ripe pineapples within a short span of time and reaped the fruits of their labour too. The harvest was a good one consisting of about 2000 pineapples.

This project, which included the cultivation of vegetables and fodder along with pineapple, was the joint venture of 'Subhiksha Keralam' Project of The Government of Kerala, 'Devaharitham Project' of Travancore Devaswom Board and 'Harithalayam Project' of NSS. Support was rendered by PTA too.

The students of NSS and NCC toiled in the barren land to make this venture a huge success. Even in the time of the Covid 19 pandemic, 20 students each sweated out in the land following Covid Protocol. Within a year, the students reaped the harvest of their labour. The method of farming was fully automatic. Dr. Geethakrishnan Nair of Botany Department gave timely suggestions and guidance. Smt. Binisha, Agriculture Officer, was with the students during all the stages of farming right from the selection of seeds to harvesting.

The harvesting programme was inaugurated by Adv. Sri. N. Vasu, Hon'ble President of Travancore Devaswom Board in the esteemed presence of Adv. Sri K.S. Ravi, Member of TDB, Dr. K.S. Anil Kumar, Registrar, University of Kerala, Prof. R. Arunkumar, Syndicate Member, Dr. C. Mini Chandran, Principal, Dr. Jayanthi S, PTA Secretary, Sri. H. Nazeer

PTA Vice President, Dr. T. Madhu, NCC Officer and Prof. A.V.Aathman, former NSS Programme officer.

NSS UNIT & TALUK HEAD QUARTERS HOSPITAL, KOTTARAKKARA

Date	NUMBER OF STUDENTS PARTICIPATED
1-12-2021	76

An awareness class was conducted through google meet on 1-12-2021. The topic was 'Asamathvangal avasanippikkam Aidsum mahamarikalum illathakkam' and was taken by Sri Bijomon, ICTC Counsellor, Taluk Head Quarters Hospital, Kottarakkara. About 75 NSS volunteers attended the programme. A poster making competition was also conducted.

LED BULB MAKING DEPARTMENT OF PHYSICS	
Date	NUMBER OF STUDENTS PARTICIPATED
15-12-2021&16-12-2021	75

The Department of Physics organized a workshop of LED bulb making as an interdepartmental as well as an extension activity during the year 2020-21. The programme was conducted on 15th and 16th December 2021 in the Physics Lab. The workshop was inaugurated by **Dr. B Beena, Principal and Professor** on 15th December. The programme began at 10:30 am with a prayer song by students (Parvathy Das and Meenakshy M.S). About 50 students including students from other departments participated in the programme. Dr. Remya G.R addressed the gathering with a warm welcome. It was followed by the Presidential address by the Head of the Department, **Dr Jayasree V** in which she stressed the importance of LED making among students. LED bulbs are electric lamps containing numerous clusters of LEDs mounted on a base. They generate a lower heat output, offer a better color rendering index (CRI), and are eco-friendly. As compared to conventional bulbs, such as fluorescent and incandescent lights, LED bulbs have a longer lifespan, reduced energy consumption, and compact size. They are available in various wattages, shapes, colors, and dimmable controls. As a result, LED bulbs are widely used in general lighting, street lighting, signal and signage, healthcare, forensics, etc. The Resource Person was **Dr. Rakesh Chandran S.B, Assistant Professor, SD College, Alappuzha** and gave proper guidance for making LEDs. Students from various disciplines join together and made the programme a great success. This programme helped to develop a general awareness of energy management among students.

SAPARYA – ANNUAL SEVEN DAY COHABITATION CAMP NSS UNIT, KSM DB COLLEGE	
DATE	NUMBER OF STUDENTS PARTICIPATED
24/12/2021 TO 30-12-2021	115

The seven-day special camp of NSS unit of KSM DB College, Sasthamcotta, started on 24th December 2021, at our college. The aim of the camp is to take an initiative towards a cleaner and greener environment at the campus and also do the same for the villages adopted by NSS unit of the College. It will also focus on teaching volunteers about the importance of the use of eco-friendly methods for agriculture.

Day 1 (24/12/2021)

NSS annual seven days camp began at DB College on 24th December, 2021 under the supervision of Dr. Arun Snoj (NSS coordinator, Assistant Professor in Politics) and Dr. Smitha (Assistant Professor, department of mathematics). On the first day, volunteers got acquainted each other and turned into seven groups. Each group was given names of mountains as Kanchanganga, Mount K2, Aaravalli, Himadri, Silent Valley, Kilimanjaro and Anamudi.

Day 2 (25/12/2021)

On the Second Day volunteers started social survey in the adopted village and completed the survey by 4.00pm. By this survey, volunteers could realize the difficulties faced by the residents of the village and they tried to find out remedies to help them. The drama conducted by Mr.Biju Manjadi was started at 7.00pm and cultural programmes were started at 8.00 pm.

Day 3 (26/12/2022)

A talk on the topic “Basic Life Support & First Aid” was conducted at 10.00 am. The resource person was Sri. Sabulal, Station Officer, Fire force, Sasthamcotta. From 2.00 pm to 3.00 pm, an anti-drug awareness talk was conducted by Sri.Bijilal P, Excise Preventive Officer. From 7.00 pm to 8.00 pm, a literary workshop was arranged which was leaded by the poet, Sri.Balamurali Krishna

Day4 (27/12/2021)

The students made a herbal garden with medicinal plants. After lunch at 2.00 pm, a handicrafts making workshop was conducted by Mr.Sabilesh G. From 7.00 pm to 8.00 pm, folk song practice was conduted by Sri.Biju Sasthamcotta, Aadi Nattarivu Padanakendram.

VIMUKTHI AWARENESS PROGRAMME

NSS, NCC & EXCISE DEPARTMENT, SASTHAMCOTTA

DATE	NUMBER OF STUDENTS PARTICIPATED
9/12/2019	116

Alcohol and drug abuse is becoming a menace in our society. Vimukthi is an anti-narcotics campaign launched by the Government of Kerala to highlight the seriousness of the situation and to create awareness among the people, especially the youth. It is a collective effort aims at eradicating all sorts of narcotic substances from Kerala. Addiction free Kerala is the aim of this campaign drive. State wide campaigns to make students, youth and general public to give awareness on the evil effects of drug addiction and alcoholism is being conducted as part of the mission under Excise Department.

The cadets of KSMDDB College NCC Unit and NSS unit got an opportunity to be a part of this programme. In cooperation with the Excise Department a rally was conducted in Sasthamcotta Town. Sasthamcotta Town Ward Member Dileep, Excise Officers, ANO Lt. Dr. T Madhu and Kovur Kunjumon MLA were present for the programme. MLA delivered a short speech on the ill effects of using alcohol and the importance of conducting such a programme and he flagged off the rally. The programme was a great success and a good message was delivered to the society about the ill effects of using drugs and alcohol.

**WATER QUALITY ANALYSIS OF SASTHAMCOTTA LAKE
AND WELL WATER SAMPLES OF PANCHAYATH
DEPARTMENT OF BOTANY, OF BHOOMITRA SENA CLUBKSMDDB
COLLEGE, SASTHAMCOTTA**

DATE	NUMBER OF STUDENTS PARTICIPATED
11-12 -2019	8

As part of extension activities of Department of Botany drinking water and well water samples from different localities of Sasthamkotta Panchayath and different parts of the lake was analyzed for coliform bacteria. The study was conducted under the guidance of Ms. Lekshmy Sreekumar Head of the Department of Botany, Dr. P. Geeta Krishnan Nair and Ms. Dhanya S.R, Assistant Professor of Department of Botany, also offered valuable suggestions. . Eight students from the department of botany participated in the study, conducted on 11-12 -2019. Students of the Department of botany participated in the collection of samples. Altogether twenty samples were analyzed for preliminary screening. Those samples tested positive were further subjected to microbiological analysis in CEPCI (Cashew Export Promotion Council of India) for testing total coliforms and the two subgroups thermotolerant fecal coliforms and E.coli. The result indicated that the water tested was contaminated highly with fecal materials. Water pollution caused by fecal contamination is a serious problem due to the potential for contracting diseases from pathogens. The presence of pathogens is determined with indirect evidence by testing for an “indicator” organism such as coliform bacteria. Coliforms are easy to identify, are usually present in larger numbers than more dangerous pathogens and respond to the environment, waste water treatment and water treatment similarly to many pathogens. As a result, testing for coliform bacteria can be a reasonable indication of the presence of pathogenic bacteria are present. Awareness programmes were conducted and the public people around the locality were advised to take proper measures to solve the coliform problem.

SHASTHRAPADHAM-2020- SCIENCE CAMP

IQAC, KSM DB COLLEGE, SASTHAMCOTTA, DEPARTMENT OF HIGHER SECONDARY EDUCATION, DEPARTMENT OF COLLEGIATE EDUCATION

DATE	NUMBER OF STUDENTS PARTICIPATED
25-01-2020 to 27-01-2020	14

The Sasthrapadham project launched by SSA-Kerala in association with Samagrashiksha is aimed at providing a three-day science camp for 100 selected students (of standard 11th) from Government and Aided Higher Secondary Schools of Kollam district. We are extremely proud for being one of the venues for hosting the function. The programme was organized in such a way that there were both theory and practical classes. Theory classes were on subjects like career development, recent advances in sciences, forensic sciences, medicinal sciences etc. Practical classes were on hands on training on Chemistry, Physics, Botany, Zoology and Mathematics. Excellent resource persons were selected for lecture sessions from and outside the College and science labs were arranged for demonstration classes by the College students under the direction of teachers.

PROGRAMME SCHEDULE
SATURDAY, 25-01-2020 (1ST DAY)

09:00 am to 10:00 am Registration
10:00 am to 11:00 am Inaugural Session
11:00 am to 11:15 am Tea Break
11:15 am to 12:30 pm 1st session- Periodical table and History of elements
Resource Person: **Dr. M.R. Sudhansu Kumar** (Principal Ret. M.G. College, TVPM)
12:30 pm to 01:00 pm Lunch break
01:00 pm to 02:00 pm Session 2 - Lab Visit
Resource Person: **Dr. S. Suresh Babu** (Head & Scientist gr. Space Physics Laboratory, V.S.S.C. TVPM)
02:00 pm to 03:00 pm Shanti Swarup Bhattacharya Prize winner (2017)
Tea Break
03:00 pm to 03:15 pm Session 3 - Lab visit
Resource Person: **Dr. S. Suresh Babu** (Head & Scientist gr. Space Physics Laboratory, V.S.S.C. TVPM)
03:15 pm to 04:15 pm Session 4 - Lab visit
Resource Person: **Dr. S. Suresh Babu** (Head & Scientist gr. Space Physics Laboratory, V.S.S.C. TVPM)
04:15 pm to 05:15 pm Session 5 - Mathematics: The Pulse of life
Resource Person: **Dr. S. Suresh Babu** (Head & Scientist gr. Space Physics Laboratory, V.S.S.C. TVPM)
05:15 pm to 06:15 pm Session 6 - Science Quiz
Conducted by: **Dr. G.R. Ramya** (Asst. Prof. in Phys. KSM DB college, Sasthamcotta)
06:30 pm to 08:30 pm Cultural activities
Dinner

SUNDAY 26-01-2020 (2ND DAY)

07:00 am to 08:00 am Nature walk (A visit to Sasthamcotta fresh water lake)
08:00 am to 08:30 am Break fast
08:30 am to 09:30 am Republic Day celebrations
09:30 am to 10:00 am Session 7 - Research in Cancer Biology
Resource Person: **Dr. Manikumar Babu** (Assistant Professor, Department of Botany, University College, Trivandrum)
10:00 am to 11:15 am Tea break
11:15 am to 11:30 am Session 8 - Environmental education: What students need to know?
Resource Person: **Dr. Manojkumar Antony** (Assistant Professor, Department of Zoology, University College, Trivandrum)
11:30 am to 12:45 pm Lunch Break
12:45 pm to 01:30 pm Session 9 - Career opportunities in Science
Resource Person: **Dr. Ajayakumar G** (Assistant Professor in Chemistry, Government College for Women, Thiruvananthapuram)
01:30 pm to 03:00 pm Tea break
03:00 pm to 03:30 pm Session 10 - An introduction to Chemico-legal Examination
Resource Person: **Dr. K. Rajesh** (Assistant Professor, Dept. of Chemistry, University College, Trivandrum)
03:30 pm to 05:00 pm Yoga for health
Resource person: **Dr. Sreejith A** (Asst. Prof. in Sanskrit, KSMDB college)
05:00 pm to 06:00 pm Dinner
06:30 pm to 08:00 pm MONDAY, 27-01-2020 (3RD DAY)
07:30 am to 08:00 am Break fast
08:00 am to 12:30 pm R&D visit (ICPRI Lab & Research Institute, Kayamkulam)
12:30 pm to 02:00 pm Lunch
02:00 pm to 03:30 pm Valedictory function.

REPUBLIC DAY CELEBRATION CLEANING DRIVE

NSS & NCC UNIT OF KSMD B COLLEGE, SASTHAMCOTTA

DATE	NUMBER OF STUDENTS PARTICIPATED
26/1/2020	50

NSS and NCC Unit celebrated Republic Day by hoisting the National Flag by Principal Dr.C. Unnikrishnan in presence of Adv. D. Prakash (former SUO of DB College 1973) and Lt Dr T Madhu. Former SUO Adv. D Prakash had given a small speech about the importance of NCC in our life. He shared some of his old memories; all the cadets interacted with him. After the interaction a rally was conducted from College to Sasthamcotta Town. After the rally a cleaning session was conducted at surroundings of the Sasthamcotta Lake. The cadets removed all the plastic wastes and disposed them properly. The activities were concluded by 11:30.

Republic Day Awareness Rally

HOME VISIT BY PALLIATIVE CLUB MEMBERS

NSS UNIT

DATE	NUMBER OF STUDENTS PARTICIPATED
17/1/2020,26/1/2020,28/1/20	15

Palliative club members of our college along with palliative care members of Thaluk Hospital Sasthamcotta visited bed ridden members on January 17, January 26, January 28. The four volunteers accompanied the palliative care unit of hospital each day for help their activities. The service ensures medical, psychosocial, and supportive needs of the patients and reduces their pain and symptoms. Inmates became stress free and more active by this visit

Home visit by Palliative Students Club members

AWARENESS RALLY AND SEMINAR ON FIRE RESCUE

NSS UNIT, NCC UNIT & KERALA FOREST DEPARTMENT

Date	NUMBER OF STUDENTS PARTICIPATED
1-02-2020	40

NSS and NCC of our college, in collaboration with forestry department conducted an awareness rally and seminar on February 1, 2020. The officers from fire and rescue department arrived and took an awareness class. They also showed some demonstration and bothered the children about the topic. The rally was inaugurated by MLA Sri. Kooror Kunjumon.

01.02.2020

Fire rescue awareness rally

01.02.2020

Fire rescue awareness class

SAFE KOLLAM PROGRAMME

NCC UNIT, NSS UNIT, FIRE FORCE, RTO, FOOD AND SAFETY, POLICE DEPARTMENT, WATERAUTHORITY, REVENUE, HEALTH DEPARTMENT AND GRAMAPANCHAYAT, SASTHAMCOTTA

DATE	NUMBER OF STUDENTS PARTICIPATED
11/2/2020	50

As part of Safe Kollam program District Collector B. Abdul Nasar visited our college on February 11, 2020. The program was jointly conducted by district administration, NSS our college and Nature plus, kerala. A cleaning drive was conducted at the Sasthamcotta lake on that day under the leadership of District Collector. Volunteers actively participated in the program and removed invasive weeds, including African moss and plastic waste, from the lake and cleared the shore up to 100 m. The police, Fire and Rescue Services, Suchithva Mission, and residents participated in the drive. Block panchayat president B. Arunamani, district panchayat member K. Shobhana, and Sasthamcotta grama panchayat president A. Naushad were present in the venture.

WORKSHOP ON SOCIALISATION SKILLS

NSS UNIT

DATE	NUMBER OF STUDENTS PARTICIPATED
29-2-2020	100

An interaction workshop on socialisation skills was conducted by NSS Unit on February 29, 2020. Vishnu Prasad of Gandhibhavan was the resource person. The workshop focussed on social skills that are essential for effective communication, how to identify and replace negative thoughts, practice good manners etc. The volunteers actively participated in the program and was very helpful for the students

Workshop on Socialisation Skills

PREPARATION OF HAND SANITISER - “MUKTHI”	
P G DEPARTMENT OF CHEMISTRY AND POLYMER CHEMISTRY	
DATE	NUMBER OF STUDENTS PARTICIPATED
16/3/2020 TO 18/3/2020	30

KSM DBcollege inculcates the social value and responsibilities of the faculty members, staff and students by imparting extension activities in the neighbourhood. All faculty members, non-teaching staff and students of the Chemistry department are engaged in the extension activities.

Kerala, was the first state in the country to report coronavirus infection in January 2020. Department of Chemistry has conducted some awareness classes among students, their parents and local people through kudumbasree. In March 2020 our department staffs have prepared around 100 litres of hand sanitizer under the trade name “Mukthi” strictly following WHO regulations. First batch was supplied to all departments and staffs in our college. Second batch is prepared for the students who are coming to college for examination and various purposes.

As many cases of Covid 19 reported in Kerala in the midst of March, there was a shortage of hand sanitizer all around our country. There is an urgent need of hand sanitizers in hospitals and in emergency services. We have prepared a third batch and were given to the Medical officer, Taluk hospital, Sasthamkotta free of cost. 5 litres are given to the treasury department which is also an essential service during this season. Another batch is supplied to the nationalised Banks including Indian Bank, SBI, South Indian Bank, Co-operative Bank Etc.

About 50 litres of hand sanitizer prepared is given to Travancore Devaswom board, to use in their offices and temples all over Kerala. We have also given awareness among staff and students about the importance of social distancing and wearing masks.

LOCKDOWN ACTIVITIES 2020	
NSS UNIT	
DATE	NUMBER OF STUDENTS PARTICIPATED
2-04-2020 TO 28-04-2020	30

The NSS units of KSM DB College organised a variety of activities for volunteers during the lock down period to explore their creativity. Getting involved in these activities helps students to avoid boredom and to utilize their time at home in a positive way.

Share your experiences

Students were asked to share their experiences about the lock down period. They were asked to write about how they spend their time, about the activities they done at home etc. last date given was 2-04-2020

Be creative

Students were asked to share the photo of the creative work they have done during lock down period. The last date given was 5-04-2020

Mobile Photography

Students were asked to take beautiful photos on mobile and were asked to send to the group without editing. Only one entry was allowed for a person. Last date given was 07-04-2020

Creative cooking

Other lockdown activity is creative cooking. Students were asked to cook something new and asked them to submit photos of their dish and the recipes before 09-04-2020.

Selfie with a sapling

As a part of lock down activities students were asked to plant a sapling and submit the selfie along with the plant on or before 10-04-2020

Cleaning the house

Students were asked to clean their home and surroundings and send photos of their work along with the statement of their parents before 12-04-2020

Film review

Students were asked to submit a review of any film that they liked very much before 15-04-2020

Mask making and distribution

As a part of raising awareness against covid students were asked to make mask and ask them to distribute in the nearby areas and were asked to spread messages about social distancing and importance of using mask and sanitizer on 17-04-2020

Cloth bag making

Students were asked to make bags from clothes and paper on or before 19-04-2020 and ask them to produce it to the college after the reopening of college

Reading books

Students were asked to write a review of book they read and asked them to send through whats app on or before 22-04-2020

Elocution

Students were asked to send a voice record of their speech based on the topic 'what covid teach us' before 21-04-2020

Short film script writing

Programme officer asked students to write a screenplay for a short film with a duration of 5 minute with anti drug message and asked to send the soft copy on or before 26-04-2020

Sing a song

Students were asked to send a voice note on the song sung by them on or before 28-04-2020

ചെയ്ഞ്ചിനു ചലഞ്ച്; ഇത് അടിച്ചുപൊളി ലോക്ഡൗൺ

Deshabhimani

സ്വന്തം ലേഖകൻ

കൊല്ലം

ലോക് ഡൗൺ മടുപ്പില്ലാതെ ആഘോഷിക്കുകയാണ് ശാസ്താംകോട്ട ഡിബി കോളേജിലെ എൻഎസ്എസ് വളണ്ടിയർമാർ. അവധി ദിനങ്ങൾ അടിച്ചുപൊളിയാക്കാൻ വ്യത്യസ്ത ചലഞ്ചുകൾ ചെയ്ത് എൻഎസ്എസ് ഓരോ ദിവസവും വിദ്യാർത്ഥികളുടെ മുന്നിലെത്തും. ഫോൺ വഴിയാണ് ഈ കളർ ഫുൾ ആഘോഷം.

വിട്ടിൽ സാധാരണ ചെയ്യാത്ത ഒരു കാര്യം ചെയ്ത് സഹായിക്കുകയായിരുന്നു ആദ്യ ചലഞ്ച്. മികച്ച പ്രതികരണമാണ് വളണ്ടിയർമാരിൽനിന്ന് ഉണ്ടായത്. കൃഷിപ്പണികളിൽ സഹായിക്കുക, നെല്ല് പൂഴു അണുനാശിനിയും ഉണക്കുന്നതിനും സഹായിക്കുക, പശുവിന് പൂജിക്കുക, വെള്ളം കൊടുക്കുക തുടങ്ങി പശുവിനെ കറക്കുക വരെ ചെയ്ത് ഇവർ വിട്ടുകാരെ നെട്ടിച്ചു.

അനുഭവപ്പെടുമ്പോഴുണ്ടാകുന്ന അടുത്ത ചലഞ്ച്. വായിച്ചു നോവലുകളെക്കുറിച്ചും കണ്ട സിനിമകളെക്കുറിച്ചും മെല്ലാം വിശദമായി എഴുതി. പുത്തോട്ടം നിർമ്മിച്ചതും ക്രാഫ്റ്റും പെയിന്റിംഗ് ചെയ്തതും എഴുത്തിന് വിഷയമായി. എല്ലാത്തിനും ഉപരി വിട്ടിൽ അച്ചുനും അമ്മയുമെല്ലാമായി സംസാരിക്കുന്നതിലൂടെയും ഒരുമിച്ച് ജോലികളും മറ്റും ചെയ്യുന്നതിലൂടെയും ഇവർക്കു ലഭിച്ചത് പുതിയ അനുഭവം.

കൊറോണ പ്രതിരോധ പ്രവർത്തനങ്ങളിൽ തുടക്കം തല എൻഎസ്എസ് സജീവമാണ്. യൂണിവേഴ്സിറ്റി പരീക്ഷ നടന്നുകൊണ്ടിരിക്കെ കോളേജ് കവാടത്തിൽ കൈ കഴുകി പ്രവേശിക്കാൻ സൗകര്യമൊരുക്കി. കാഴ്ചപരിമിതിയുള്ള വിദ്യാർത്ഥികൾക്കായി മൊഴി വാട്സാപ്പ് ഗ്രൂപ്പ് തുടങ്ങി.

ഈ ഗ്രൂപ്പിൽ അധ്യാപകരെയും ഉൾപ്പെടുത്തി. കഥകൾ, കവിതകൾ, വാർത്തകൾ എന്നിവയെല്ലാം അവർ വായിച്ചു നൽകുന്നു. പാട്ട് പാടുന്നവർ പാടിയും കഥ പറയുന്നവർ പറഞ്ഞും കവിത ചൊല്ലുന്നവർ ചൊല്ലിയും ഗ്രൂപ്പ് സജീവം. കൊറോണ ബോധവൽക്കരണ പോസ്റ്ററുകളും തയ്യാറാക്കി നൽകുന്നുണ്ട്. പ്രോഗ്രാം ഓഫീസർമാരായ എ വി ആന്റൻ, ഡോ. ജി ആർ രമ്യ എന്നിവരാണ് പ്രവർത്തനങ്ങൾക്ക് നേതൃത്വം നൽകുന്നത്.

ഈ നല്ലൊരു രീതിയാണിരിക്കുന്നത്. വിട്ടിൽ സാധാരണ ചെയ്യാത്ത ഒരു കാര്യം ചെയ്ത് വിട്ടുകാരെ സഹായിക്കുക എന്നതായിരുന്നു ആദ്യ ചലഞ്ച്. കൃഷിപ്പണികളിൽ സഹായിക്കുക, നെല്ല് പൂഴു അണുനാശിനിയും ഉണക്കുന്നതിനും പങ്കാളിയാകുക, പശുവിന് പൂജിക്കുക, വെള്ളം കൊടുക്കുക തുടങ്ങി പശുക്കുറവുവരെ ചെയ്ത് ഇവർ വിട്ടുകാരെ നെട്ടിച്ചു. കിളികൾക്കായി വെള്ളം വെച്ചും പുത്തോട്ടം നിർമ്മിച്ചും പാചകം ചെയ്യുമെല്ലാം ഇവർ വിട്ടുകളിൽ താരങ്ങളായി.

പശുവിന് പൂജരിക്കത്തും നെല്പുണക്കിയും വിദ്യാർത്ഥികൾ

Mathrubhumi

ലോക് ഡൗണിലും സജീവമായി നാഷണൽ സർവീസ് സ്കീം

ശാസ്താംകോട്ട പ് ലോക് ഡൗണിൽ വിട്ടിനുളളിൽ 'ലോക്ക്' ആയിപ്പോയെങ്കിലും ശാസ്താംകോട്ട കെ.എസ്. എം.ഡി.ബി. കോളേജിലെ നാഷണൽ സർവീസ് സ്കീം അംഗങ്ങൾ വേറിട്ട പ്രവർത്തനങ്ങളായി സജീവമാണ്. നവമാധ്യമങ്ങളിലൂടെ അവരുടെ ഓരോ ദിന പ്രവർത്തനങ്ങൾ ഏകോപിപ്പിക്കുകയും നടപ്പാക്കുകയുമാണ്.

എൻ.എസ്.എസ്. യൂണിറ്റുകളുടെ നേതൃത്വത്തിൽ കോളേജിലെ കാഴ്ചപരിമിതിയുള്ള വിദ്യാർത്ഥികൾക്കായി 'മൊഴി' എന്ന വാട്സാപ്പ് ഗ്രൂപ്പ് തുടങ്ങിയതാണ് ഇവരുടെ ശ്രദ്ധേയമായ പ്രവർത്തനം. ഈ ഗ്രൂപ്പിൽ സന്നദ്ധപ്രവർത്തകരെക്കൂടാതെ കോളേജിലെ അധ്യാപകരുമുണ്ട്. കഥകൾ, കവിതകൾ, വാർത്തകൾ എന്നിവയെല്ലാം അവർക്കു ലഭിച്ചു ചലഞ്ച്. വായിച്ചു നോവലുകളെക്കുറിച്ചും കണ്ട സിനിമകളെക്കുറിച്ചുമെല്ലാം വിശദമായി എഴുതി.

പശുവിന് പൂജിക്കുന്ന എൻഎസ്എസ്. സന്നദ്ധ പ്രവർത്തക

കൊറോണ ബോധവൽക്കരണ സന്ദേശങ്ങൾ അടങ്ങിയ പോസ്റ്ററുകൾ വിദ്യാർത്ഥികൾ തയ്യാറാക്കി പ്രചരിപ്പിച്ചു. പിന്നീട് വീടുകളിൽ കൊണ്ടുപോയിരുന്നു ഇവരുടെ പ്രവർത്തനം. പ്രോഗ്രാം ഓഫീസർമാർ നൽകുന്ന ഓരോ പ്രവൃത്തിയും അംഗങ്ങൾ സമയബന്ധിതമായി പൂർത്തിയാക്കി എസ്.എസിന്റെ ഔദ്യോഗിക വാട്സാപ്പ് ഗ്രൂപ്പിൽ ഫോട്ടോകൾ

എൻ. എസ്. എസ്. 1 ന്റെ ഔദ്യോഗിക ഗ്രൂപ്പിൽ

അനുഭവപ്പെടുമ്പോഴുണ്ടാകുന്ന അടുത്തതായി ഇവർക്ക് ലഭിച്ച ചലഞ്ച്. വായിച്ചു നോവലുകളെക്കുറിച്ചും കണ്ട സിനിമകളെക്കുറിച്ചുമെല്ലാം വിശദമായി എഴുതി.

എല്ലാത്തിലുമുപരി വിട്ടിൽ അച്ചുനും അമ്മയുമെല്ലാമായി സംസാരിച്ചും ഒരുമിച്ച് ജോലികളും ഇവർക്ക് ലഭിച്ചത് പുതിയ അറിവുകളായിരുന്നു. ഇത്തരം അനുഭവങ്ങളിലൂടെ കടന്നുപോകാൻ കഴിഞ്ഞതിന്റെ ആവേശത്തിലാണ് ഇവർ.

Environment is the gift which is given to us by the Earth. It is our responsibility to conserve and protect the environment. As part of the Conservation of Biodiversity, NCC unit of KSMDDB College, Sasthamcottta had initiated a program to cultivate the essential vegetables at their own house. The concept was put forward by ANO Lt Dr T Madhu. A kitchen-garden in every house. All the cadets took the concept seriously and started to plant

variety of vegetables in the limited area around their home. It started around the end of March and at the beginning of the 1st lockdown. The cadets have taken good care of the garden. Cadets spend at least half an hour to nurture and take care of the garden. The garden is almost in its full capacity and ready for harvest. The concept influenced the neighbors and they also began to make kitchen-garden. The thought was really a great one and it succeed.

CLEANING DRIVE-CLEANING THE CAMPUS PREMISES NCC UNIT

DATE	NUMBER OF STUDENTS PARTICIPATED
28/05/2020	83

“Cleanliness is a habit not an act.” All cadets were reported at 10:00 am, we were following the guidelines given by the Government against the Covid-19. Cadets were split into groups and each group was allotted around the College and the classrooms. The cleaning was under the presence of our honorable Principal Dr K S Anilkumar and ANO Lt Dr T Madhu. Our aim was to make the premises and the classrooms clean for the students who are coming for the University Exams in the coming days. All of us worked till 12:00 pm. After the cleaning we sanitized our hands properly. After that we had the refreshments.

WORLD ENVIRONMENT DAY CELEBRATION-2020-PARITHRANAM

NSS UNIVERSITY OF KERALA AND NATIONAL YOUTH COUNCIL OF INDIA.

DATE	NUMBER OF STUDENTS PARTICIPATED
29/05/2020	47

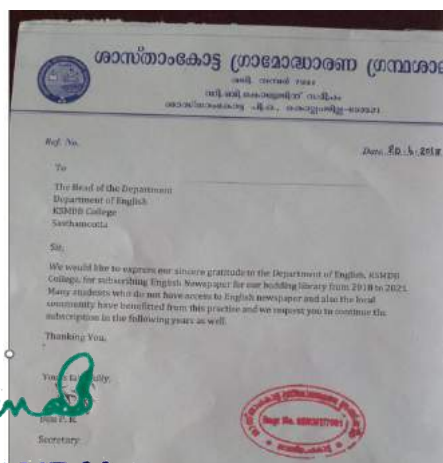

As part of the World Environment Day celebration-2020, National Service Scheme of our college joined the new initiative 'Parithranam' jointly organised by NSS, University of Kerala and National Youth Council of India. The program was inaugurated by our Principal Dr. K. S. Anil Kumar on 29th May 2020 by planting a sapling in the college campus. PTA secretary Prof. R. S. Harikumar, former NSS program officer Dr. K. Santhosh, NSS Program officers Prof. Aathman A. V., Dr. Remya G.R., and NSS Volunteer Secretaries Praja Vijayan and Gokul S. Pillai participated in the program observing Covid protocol. For the period of one week 28 NSS volunteers planted saplings of various trees in their home and in the nearby locality. In our college NSS volunteers started to create a Butterfly Garden on that day. About 10 volunteers came to the college on various days and planted the different types of plants which would attract butterflies. On 5th June the principal started the world environmental day celebration by planting a tree in the campus. Following that program NSS volunteers planted about 50 saplings in various parts of the campus. Rest of the volunteers also participated from their home by planting tree saplings at their surroundings.

EXTENSION ACTIVITIES BY DEPARTMENT OF ENGLISH	
Date	Number of students participated
July 2019	

The Department of English has conducted Communicative English classes for the students of Boys High School, Thevalakkara, Kollam from 17-7-2019 to 19-7-2019. This extension activity has helped develop a taste for language for the students from the rural areas. The Department has subscribed the newspaper *The Hindu* to Sasthamcotta Gramodharana Grandhashala, the village library and this has been beneficial to many educated people who do not normally have access to this prestigious daily. The Department has decided to make these activities done on a regular basis. The Department has been conducting extra classes for PG students to enable them to fare well in their Comprehensive Examination Paper, which will also enable them to qualify UGC National Eligibility Test. Many students have benefitted from this coaching. Regular test papers are conducted to monitor the progress of the students, also one of the faculty members is deputed to coordinate the classes. The questions are designed in such a way that the coaching will enable them to qualify the Kerala State Eligibility Test (SET) also, the eligibility test for Higher Secondary School Teachers, as many of our students pursue B Ed Degree Course after their PG courses. This can be taken as a prep activity, enabling the graduates to get a job of their choice and contribute to the society. Also,

18-8-2018 TO 20-8-2018	170

Severe floods devastated the south Indian state, Kerala in 2018 & 2019 due to unusual high rainfall during the monsoon season. The flood claimed 483 lives with many residents missing. More than 14.5 lakh people were forced to move to flood relief camps across the state. The flood victims of Kerala are in desperate need of relief support to survive and get back to their normal life. The NSS and NCC units of the college made remarkable performance in post-flood related activities. Volunteers actively participated in various cleaning programmes in the different parts of the district. Volunteers actively participated in the collection, segregation and distribution of the necessary articles for the flood affected areas along with other volunteers. College staff also donated Rs.... to CMDRF and were directly involved in relief work.

Urgent requirements of flood affected areas were met by NSS Volunteers from 18/08/2018- 20/08/2018. Food materials, Clothing, other necessary amenities were collected and send to various flood affected parts of the state.

26-10-2018 to 28-10-2018	17

The Sasthrajalakam project launched by SIET in association with DDE, aimed at providing athree-day science camp for 150 selected students (of standard 9th) from Government and Aided schools of Kollam district. We are extremely proud for being one of the venues for hosting the function. The programme was organized in such a way that day 1 was meant for Physics, day 2 for Chemistry and the day 3 for Biology. Excellent resource persons were selected for lecture sessions from and outside the College and science labs were arranged for demonstration classes by the College students under the direction of teachers.

The Inaugural Session was chaired by the College principal Dr. K. Beena, who expressed her happiness in hosting the function. It was certainly a privilege to have Shri P. Radhakrishnan, Space scientist to inaugurate the function. Welcome speech was delivered by Dr. Rathika Nath G, the programme coordinator. Dr. V. Jayasree proposed vote of thanks for the inaugural session.

A detailed report of Sasthrajalakam 2018 is given on the link <https://ksmdbc.ac.in/wp-content/uploads/2022/07/Report-on-sasthrajalakam-2018-for-website-NAAC.pdf>

RAPID ASSESSMENT SURVEY ON IMPACT OF FLOOD ON BIODIVERSITY-COMMUNITY PERSPECTIVE BIODIVERSITY CLUB, BIODIVERSITY MANAGEMENT COMMITTEE (BMC) AND KERALA STATE BIODIVERSITY (KSBB)	
DATE	NUMBER OF STUDENTS PARTICIPATED
OCTOBER TO NOVEMBER 2018	5

Biodiversity Management Committee (BMC) and Kerala State Biodiversity (KSBB) with the technical inputs from a wide range of research institutes and stake holders. The objective of the process was to undertake a rapid assessment of the damages to ecosystem and Biodiversity after the floods and to lay the foundation for a recovery and ecosystem-based reconstruction process at local level.

The biodiversity club coordinator has participated as Field Expert in the "Rapid Assessment Survey on Impact of Flood on Biodiversity-Community Perspective" conducted by the Kerala State Biodiversity Board, Government of Kerala from October 2018- November 2018. A Joint team of subject experts (Dhanya S.R , Biodiversity convener) and 5 Biodiversity club members(Rahul.S , Adarsh.M, Jegath.S , Arun.P and Sonu.S) with representation from KSBB was constituted to conduct a rapid impact assessment of floods in Munroe Islands. The team visited the affected areas and data was collected in a prescribed format using Open DataKit software. Our team visited the affected areas in Munroe Islands to understand the extent and the nature of damage and record the findings.

8-11-2018 & 15-11-2018	100

“Chekkutty” or “the child who survived the mud” is the recent face of the post-flood Kerala. Made from the mud-stained sarees of the flood hit Chennamangalam, the ancient weaving village of Kerala, these dolls symbolize the resilience of emerging Kerala. The fabrics that got damaged in flood are being recycled into beautiful small handmade dolls named Chekkutty to raise funds to support the weavers. Students were given training on Doll making with clothes on 08/11/2018. Chekkutti Dolls made by NSS Volunteers were distributed among kids of Anganavadi in the adopted village on 15/11/2018.

**FIELD TRIP TO SHENDURNEY WILD LIFE
SANCTUARY.
BIODIVERSITY CLUB**

DATE	NUMBER OF STUDENTS PARTICIPATED
22/12/2018	30

The Biodiversity club conducted a one-day Nature Camp at Shendurney Wild life Sanctuary. Students and faculty went on a field trip to Shendurney Wild Life Sanctuary on 22.12.2018. The sanctuary has thick forest cover and is also noted for many exotic plants, some of which are medically important. Four different types of vegetation have been found in Shenduruny. They include: West Coast tropical evergreen forest, West Coast tropical semi-evergreen forest, Southern moist mixed deciduous forest and the Southern hilltop tropical evergreen forest. Of these four, the tropical evergreen forest comprises one fourth of the total Shenduruny forest area. The Shenduruny forest, which was declared a wildlife sanctuary in 1984, gets its name from an endemic species of tree called Chenkuruny or Shenkuruny (*Gluta travancoria*). In the central region of this moist, mixed deciduous forest, spread over a hilly terrain of over 100 sq km is the 26 sq km artificial lake formed by the Parappar dam built across the Shenduruny and Kulathupuzha rivers.

SCIENCE EXHIBITION	
SCIENCE DEPARTMENTS, KSM DB COLLEGE & KSCSTE, GOVT. OF KERALA	
DATE	NUMBER OF STUDENTS PARTICIPATED
28-02-2019	30

An exhibition was organized for the high school students by all the science departments of the college on 28th February 2019. The formal inauguration of the Science Exhibition was done by Dr. K. Beena, Principal, K.S.M.D.B College. The inaugural session was started with prayer followed by welcome address by Dr. Meera A.P, Coordinator, NSD-19. She explained the relevance of science and technology in the modern world. Prof. P.K Reji (HOD, Chemistry) delivered the presidential address. He emphasized to undertake actions to raise public awareness on science and its benefits which can eventually eliminate the myths and superstitious beliefs existing in the society. In the inaugural speech, Dr. K. Beena mentioned about the purpose of conducting such an exhibition. She stressed that such exhibitions would inspire the students and would enhance their aptitude for science.

This was followed by felicitations by Prof. S. Leela (HOD, Physics), Dr. Geethakrishnan Nair (HOD, Botany), Dr. B. Beena (Research Committee Convenor) and Dr. R.S Harikumar (PTA Secretary). Dr. Remya G.R (Coordinator NSD-19) delivered vote of thanks. About 250 students from various nearby schools participated in the exhibition. There were students from Govt. High School, Sasthamcotta, Lords Public School, Karunagappally and Brook International School, Rajagiri, Sasthamcotta. The students were accompanied by teachers. Prof. P.K Reji, HOD, Chemistry and Dr. B Beena, Associate Professor, Dept. of Chemistry delivered a brief introduction about the exhibition.

Impact and Follow-up activity

The purpose of conducting such a programme was to spread the message of the importance of science and its application in our daily life and popularize Science

andTechnology. All the students have given very positive feedback about the exhibition. We alsofelt very active participation and good interaction from the side of students. The only suggestionthat we received was the shortage of time. We promised to organize yet another scienceexhibition for two or more days next year which would take the students into the magic world ofscience. The teachers also congratulated and thanked the Science Club for organizing such an exhibition with the support of KSCSTE, Govt. of Kerala which was really an inspiration for all ofus.

DATE	NUMBER OF STUDENTS PARTICIPATED
11/5/2019	43

Sasthamcotta Town was cleaned on 11th May 2019 as part of the hygiene drive organized by the NCC unit of the college. The programme was inaugurated by sri. Anil Kumar, Circle Inspector of Sasthamcotta Police Station in the presence of sri. I. Noushad, President, Sasthamcotta Gramapanchayath Town ward member, ANO and health workers. 9 bags of plastics and other wastes were collected and treated properly. In association with the Excise department an awareness rally was conducted on December 9, 2019. NSS volunteers performed a street play on drug abuse among the youth. An anti-drug poster presentation and signature campaign was also conducted by the State Excise department.

EXTENSION ACTIVITIES-DEPARTMENT OF ENGLISH	
DATE	NUMBER OF STUDENTS PARTICIPATED
2019	10

The Department of English has been subscribing the newspaper *Deccan Chronicle* to Sasthamcotta Gramodharana Grandhashala, the village library and this has been beneficial to many educated people who do not normally have access to this prestigious daily. Also the Department has been conducting Communicative English classes for the students of HSS for girls Thevalakkara around the college. This extension activity has helped develop a taste for language for the students from the rural areas. The Department has decided to make these activities done on a regular basis. The Department has been conducting extra classes for PG students to enable them to fare well in their Comprehensive Examination Paper, which will also enable them to qualify UGC National Eligibility Test. Many students have benefitted from this coaching. Regular test papers are conducted to monitor the progress of the students, also one of the faculty member is deputed to coordinate the classes. The questions are designed in such a way that the coaching will enable them to qualify the Kerala State Eligibility Test (SET) also, the eligibility test for Higher Secondary School Teachers, as many of our students pursue B Ed Degree Course after their PG courses. This can be taken as a prep activity, enabling the graduates to get a job of their choice and contribute to the society.

**WATER QUALITY ANALYSIS OF SASTHAMCOTTA
LAKE AND WELL WATER SAMPLES OF PANCHAYATH
DEPARTMENT OF BOTANY**

Date	NUMBER OF STUDENTS PARTICIPATED
11/2/2018	9

Department of botany analysed the water quality of Sasthamcotta lake under the supervision of Ms.Lekshmy Sreekumar . Eight students from the department of botany participated in thwe study, conducted on 11-02-2018.Samples from different localities of Sasthamkotta Panchayath and different parts of the lake were analyzed for coliform bacteria. Altogether twenty samples were analyzed for preliminary screening. The result indicated that the water tested was contaminated highly with faecal materials. Water pollution caused by fecal contamination is a serious problem due to the potential for contracting diseases from pathogens. The presence of pathogens is determined with indirect evidence by testing for an “indicator” organism such as coliform bacteria. Coliforms are easy to identify, are usually present in larger numbers. As a result, testing for coliform bacteria can be a reasonable indication of whether other pathogenic bacteria are present. Thus, the public people around the locality were advised to take proper measures to solve the coliform problem. It can sometimes be solved with relatively simple actions like chlorination, boiling, and adding disinfectants. Thus awareness programs were conducted to revive the quality of Sasthamcotta Lake.

SASTHAMCOTTA**

DATE	NUMBER OF STUDENTS PARTICIPATED
2017-2018	

The Department has been conducting Communicative English classes for the students of various schools around the college. This extension activity has helped develop a taste for language for the students from the rural areas. The Department has been subscribing the newspaper *Deccan Chronicle* to Sasthamcotta Gramodharana Grandhashala, the village library and this has been beneficial to many educated people who do not normally have access to this prestigious daily. The Department has been conducting extra classes for PG students to enable them to fare well in their Comprehensive Examination Paper, which will also enable them to qualify UGC National Eligibility Test. Many students have benefitted from this coaching. Regular test papers are conducted to monitor the progress of the students, also one of the faculty member is deputed to coordinate the classes. The questions are designed in such a way that the coaching will enable them to qualify the Kerala State Eligibility Test (SET) also, the eligibility test for Higher Secondary School Teachers, as many of our students pursue B Ed Degree Course after their PG courses. This can be taken as a prep activity, enabling the graduates to get a job of their choice and contribute to the society. The students of the department, have conducted yoga classes to help both the students and staff maintain good mental health.
