# Reaching out to the society -Marketing initiatives

## 1.1. Naipunya Jam- Indigenous Product out of Integrated Farming

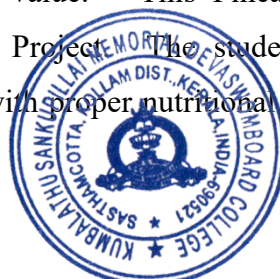

By utilizing the available human resources of the College and the richness of nature, an entire production cycle of various products are initiated and successfully completed. The adjoining areas of the College provides a fertile ground for the cultivation of pineapple, plantains, and tapioca plants. Besides this, the college maintains cow and goat farming leading to integrated farming. The NSS Unit of our college has initiated cultivation of crops like pineapple, in collaboration with the **Subhiksha Keralam Project, Department of Agriculture, Government of Kerala, Harithalayam Project of NSS of University of Kerala, Devaharitham Scheme of Travancore Devaswom Board, Dairy Development Board, Government of Kerala and Sasthamcotta Grama Panchayat.**

The organic vegetable farming program has turned out to be an Integrated Farming Practice with the help of PTA funding of the college. The products are marketed within the College itself, which nurture the agricultural and entrepreneurial skills of students. This helps to generate a sense for the need of self-sufficiency in food along with the practical aspects of Green Agricultural Practices suitable for the preservation of the surrounding Sasthamcotta Lake, a wetland of international importance.

### *Report about the Pineapple Harvest at KSMDBC in leading Malayalam News Papers*

The students of our college are torch bearers of the eco-friendly sustainable protocols currently practising in the institution and put forward an innovative aspect of conversion of raw materials into end products. The students of B.Voc. Food Processing and Management stood in the fore front to make a jam having nutritional value. This Pineapple cultivation is our Extension activity as part of the Subhiksha Project. The students collected the fresh pineapples with a view to convert into a jam with proper nutritional value and health effect. Because of this objective, in the various stages of preparation of the jam, synthetic preservatives and other chemical ingredients were strictly avoided and certain natural ingredients with known health benefits are used. The students themselves developed a suitable recipe for the same. The jam was marketed within the campus under the trade name, **Naipunya**. It has shown better shelf life compared to other homemade jams. raw materials into end products. The students of B.Voc. ## 1.2 Making of Paper Pen- Go green

Ball point pens are seemingly innocuous. Generally, we trash them instead of buying new refills. It is a disturbing fact that the millions of small writing instruments sold daily are made of plastic and lead to the degradation of the environment. But our College situated in a landscape surrounded by the Ramsar site Sasthamcotta Fresh Water Lake which serves as the drinking water source for more than half a millions of people of the Kollam district.

To safe guard this water source and related elements and to inculcate a sustainable life style, NSS Volunteers of our college initiated the making of paper pen. The distribution of the pen

**SASTHAMCOTTA**

was inaugurated by the Honourable Minister for Fisheries Smt. Mercykutty Amma on 26/01/2020.

### 1.3 *Dhanam* Hand made soap

The Department of Economics took an initiative to develop the elementary ideas of entrepreneurship among students. For this they selected manufacture of hand made soap. The students procured the raw materials from trading office, Kollam. The manufacturing process started on 16/12/2017. The instructions provided over the kit was strictly followed and soap was manufactured. Mrs. Sreekala M. , Assistant Professor, Department of Economics and certain students accomplished the task. They coined the name 'Dhanam' because of two reasons:-

*Sreena*

**PRINCIPAL**  
**K.S.M.D.B COLLEGE**  
**SASTHAMCOTTA**

- The day was the first day of Malayalam calendar month-Dhanu. ‘
- Dhanam’ means wealth which is economical.

## 2. Participation in *Rebuild Kerala- Making of Chekutty Dolls*

Chendamangalam is a village popular for its looms, a lot of weavers have lived here for generations. The Handloom weavers at Chendamangalam in the Ernakulam district lost the only source of their livelihood when the floods inundated their weaving units and washed away all their stock and raw materials. In one unit alone approximate loss was calculated to be Rs 21 Lakhs. The only option was to burn the clothes and that was when two social entrepreneurs in Kerala decided to give the state Chekutty, a handmade doll that has become a symbol of hope to almost 600 weavers. The ‘Chekutty’ is an initiative by which dolls are made of soiled garments from the flood-hit looms of Chendamangalam in order to help the weavers to weave their life back. Chekutty making is done by volunteers and the profit made out of sales is transferred directly to the Society of weavers. The flood-affected Chendamangalam Handloom Society received support and help from several parts of the world by making and distributing Chekutty dolls made out of stained and torn handloom clothes from the flood-hit Chendamangalam. This was one among the successful strategies to combat the adverse situations and to rejuvenate their life, as part of the ***Unite Again to Rebuild Kerala*** initiative of the **Government of Kerala**. The amicable gesture from our College was to help the traditional handloom weavers at Chendamangalam to regain their lost glory whereby something can be done for the society. Our college fulfilled its social

*Greena*

**PRINCIPAL**  
**K.S.M.D.B COLLEGE**  
**SASTHAMCOTTA**

responsibility by training the NSS Volunteers for Chekkutty Doll making. **Mr. Unni**, a volunteer from **e-Malhar** conducted the training session. They provided the clothes from the flood affected weaver's village and the trained volunteers stitched it together to lend a helping hand to the weavers and thus became a part of the Chekkutty campaign and Rebuild Kerala. Our students stitched 500 dolls and handed it over to the volunteers of E-Malhar for sale.

### 3. Institution's Innovation Council (IIC)

Ministry of Human Resource Development (MHRD), Govt. of India has established 'MHRD's Innovation Cell (MIC)' to systematically foster the culture of Innovation amongst all Higher Education Institutions (HEIs). The primary mandate of MIC is to encourage, inspire and nurture young students by supporting them to work with new ideas and transform them into prototypes while they are in formative years. MIC has envisioned encouraging the creation of 'Institution's Innovation Council (IICs)' across selected HEIs. A network of these IICs will be established to promote innovation in the Institution through multitudinous modes leading to an innovation promotion eco-system on the campuses.

Major Focus of IIC is:

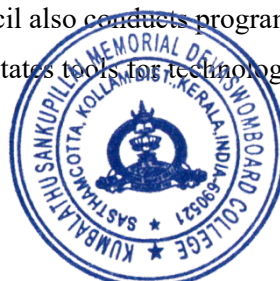

- To create a vibrant local innovation ecosystem
- Start-up/entrepreneurship supporting Mechanism in HEIs
- Establish function ecosystem for scouting ideas and Pre-incubation of ideas
- Develop better Cognitive Ability amongst the students

Functions of Institution's Innovation Council:

- Promote innovation in the Institution through multitudinous modes leading to an innovation promotion eco-system in the campus
- To conduct various innovation and entrepreneurship-related activities in time bounded fashion
- Identify and reward innovations and share success stories Organize periodic workshops/ seminars/ interactions with entrepreneurs, investors, professionals and create a mentor pool for student innovators
- Network with peers and national entrepreneurship development organizations
- Create an Institution's Innovation portal to highlight innovative projects carried out by institution's faculty and students
- Organize Hackathons, idea competition, mini-challenges etc., with the involvement of industry

K. S. M. D. B. College has a MHRD recognised **Institution's Innovation Council (IIC)** which functions as per the norms of the Government of India to create an ecosystem for innovation and cultivation of ideas among students and faculties to transform our graduates into job creators rather than job seekers. The IIC also acts as a nodal agency to coordinate the activities of Idea Lab, ED Club, various departments, clubs etc. The council also conducts programs such as workshops, seminars for entrepreneurship development and facilitates tools for technology development and its

**PRINCIPAL**  
**K.S.M.D.B COLLEGE**  
**SASTHAMCOTTA**

implementation. IIC motivates and facilitates student participation in young innovator's programmes. The council aims at the institutional focus of creating an eco-system including incubation centre and also provides infrastructural and technical support for establishment of start-ups. With these objectives the following programmes were organised by IIC.

## **Ten Day National Level STTP on Digital Marketing for Job Seekers and Entrepreneurs**

**Dates : 23/09/2021 to 6/10/2021**

**Institution's Innovative Council (IIC)**, Kumbalath Sankupillai Memorial Devaswom Board College organised a 10 day National level **STTP on Digital Marketing for Job seekers and Entrepreneurs** from 23rd September 2021 in association with **Skillspark The Finishing School Pvt Ltd**. The programme was inaugurated by Dr. Mini Chandran C, Principal, chaired by Dr. Anish K., President IIC, and Dr. Jayasree V, Coordinator IQAC and Mr. Suhas P S CEO Skillspark The Finishing School offered the felicitations. **Mr. Shinu P. Raj, Head, Digital Marketing, Skillspark The Finishing School** was the resource person for this workshop. Dr. Sandeep S, Co-ordinator IIC, delivered welcome speech and Ms. Shamna P S, Member IIC, delivered vote of thanks. The Workshop mainly focused to provide an overview of digital marketing, the approach and the essential tools in marketing. It emphasised the role of digital platforms as well as digital branding through various webpages. The programme

*Sandeep S*

**PRINCIPAL**

**SASTHAMCOTTA**

gave the participants a comprehensive idea on doing analysis through Google analytics as well. This program was scheduled for one hour each day, with a fifty minute presentation and a ten minute Question and Answer session. Total number of participants was 150. The workshop came to an end on 6th October 2021

## Brief Report

### Day: 1 (23/09/2021)

First day session was all about the introduction of Digital Marketing domain and the necessity of digital marketing in current competitive world. The session was carried out by **Mr Shinu P Raj**, Resource Person from **Skillspark The Finishing School Pvt Ltd, Kollam**, in which he spoke about the concept of **Digital Marketing and Marketing of products and services** using digital technologies. He also spoke about various types of Digital Marketing techniques which are currently being used by the industry to sell various types of products and services. Digital Marketing can be on-line and off-line and various methods of both the types were covered. **Mr Suhas P.S**, CEO Skillspark The Finishing School Pvt Ltd, **Kollam**, also delivered a lecture in the session. Dr. Sandeep S, Co-ordinator IIC, welcomed the participants and Resource Persons. Total number of participants was 150. The session was concluded with Question & Answer session.

### Day: 2 (24/09/2021)

The session on the Second day was all about the different types of digital marketing tools and websites. The session was handled by **Mr Shinu P Raj**, Resource Person from **Skillspark The Finishing School Pvt Ltd, Kollam**, in which he spoke about different types of digital marketing tools MailChimp, Google Analytics, Google Ads, Canvas, Trello, Slack,

**PRINCIPAL**  
**K.S.M.D.B COLLEGE**  
**SASTHAMCOTTA**

Yoast SEO, Survey Anyplace, Ahrefs and SEMRUSH. He also discussed about eight common platforms for digital marketing including social media, influencer marketing, content marketing, email, search engine optimization (SEO), pay-per-click (PPC), affiliate and mobile. Dr. Anish K, President IIC, welcomed the participants and Resource Persons. Total number of participants was 150. The session was concluded with Question & Answer session.

**Day: 3 (27/09/2021)**

Third day session was all about editing in canvas. The session was carried out by **Mr Shinu P Raj**, Resource Person from **Skillspark The Finishing School Pvt Ltd, Kollam**, in which he spoke about different editing techniques in canvas. Ms Shamna, Member IIC, welcomed the participants and Resource Persons. Total number of participants was 150. The session was concluded with Question & Answer session.

**Day: 4 (28/09/2021)**

Fourth day session was also all about editing in canvas. The session was carried out by **Mr Shinu P Raj**, Resource Person from **Skillspark The Finishing School Pvt Ltd, Kollam**, in which he explained the canvas editing techniques and its various steps with the help of visuals in a way that the participants could understand. Ms Shamna, Member IIC, welcomed the participants and Resource Persons. Total number of participants was 150. The session was concluded with Question & Answer session.

**Day: 5 (29/09/2021)**

Fifth day, the session was all about website making. The session was carried out by **Mr Shinu P Raj**, Resource Person from **Skillspark The Finishing School Pvt Ltd, Kollam**, explained in detail about how to make a website very simple and the importance of designing a website. The session was made interactive and clear by usage of videos to make things clear to the participants. Mr Shinoj S., Member IIC, welcomed the participants and Resource Persons. Total number of participants was 150. The session was concluded with Question & Answer session.

**Day: 6 (30/09/2021)**

On sixth day, the session was also about website making. The session was handled by **Mr Shinu P. Raj**, Resource Person from **Skillspark The Finishing School Pvt Ltd, Kollam**, in which he discussed mainly about the various steps to be taken while designing a website, like make a plan for your website's structure and content, register a domain name – ideally pick a .com, Find a website builder (or CMS/hosting provider) to create your site, Optimize it for search engines and Launch your website. The session was supported by videos to make

things clear to the participants. Mr Shinoj S., Member IIC, welcomed the participants and Resource Persons. Total number of participants was 150. The session was concluded with Question & Answer session.

**Day: 7 (01/10/2021)**

Seventh day session was about different types of Social Media marketing. The resource person was **Mr Shinu P. Raj, Skillspark The Finishing School Pvt Ltd, Kollam**. He had started the session by discussion about how to do social media marketing, the social media marketing currently in use and the tools and tips related to these. Later on he moved to explain the different terms used for social media marketing such as content, context, hashtags, shares, engagement etc. Mr Shinoj S., Member IIC, welcomed the participants and Resource Persons. Total number of participants was 150. The session was concluded with Question & Answer session.

**Day: 8 (04/10/2021)**

Eighth day, the session was about Facebook page creation. The session was engaged by **Mr Shinu P Raj**, Resource Person from **Skillspark The Finishing School Pvt Ltd, Kollam**, in which he had discussed the importance of Facebook in digital marketing. He also explained the modus operandi of how to create a Facebook page with the help of videos. Dr. Anish K, President IIC, welcomed the participants and Resource Persons. Total number of participants was 150. The session was concluded with Question & Answer session.

**Day: 9 (05/10/2021)**

On ninth day, the session was about usage of hashtags in digital marketing. The resource person was **Mr Shinu P Raj**, Resource Person from **Skillspark The Finishing School Pvt Ltd, Kollam**. The resource person effectively explained how to use hashtags properly for well-targeted marketing campaigns. He also mentioned that hashtags can provide benefits when used strategically. He described the various benefits of using hashtags. That is, they can be used to bring the content to more audiences, raise awareness about the brand, target a specific group of people, boost the SEO and among other things, use hot trends and topics for the benefit of each individual. Mr Shinoj S., Member IIC, welcomed the participants and Resource Persons. Total number of participants was 150. The session was concluded with Question & Answer session.

**Day: 10 (06/10/2021)**

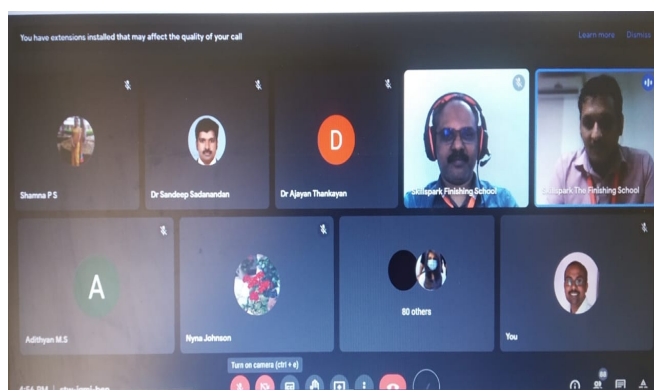

Tenth day session was about the opportunities of digital marketing and income generation. The resource person **Mr Shinu P Raj**, Resource Person from **Skillspark The Finishing School Pvt Ltd, Kollam**, emphasised on how digital marketing can be used as an

**PRINCIPAL**  
**K.S.M.D.B COLLEGE**

## 4. K-DISC-Young Innovators Programme (YIP)

Young Innovators Programme is a specially designed programme under Kerala Development and Innovation Strategic Council (K-DISC). The programme aims to empower future innovators to innovate new products, services or models to meet emerging requirements, unarticulated needs, or existing market needs of the society more effectively through an innovative challenge. K. S. M. D. B. College is registered as Premier institute under YIP 2019-22. Hence, this institution could present ideas under both the Maestro Challenge and Star Challenge as well. The theme for the Maestro challenge was Problems of Children and the Aged in Kerala. A team of five students from the Final Year M.Sc. Chemistry of this college under the leadership of ideator Ms. Anjana A got selection to the State Level with the idea entitled “ **Alzeimer- A Prominent Geriatric Problem in Kerala**”.The institution had representation in the Star Challenge by the selection of a team lead by Anjali Sreekumar, Sixth Semester B.Sc. Chemistry with the idea of “**Construction by modified Plastic**”.

## 5. K-DISC- One District-One Idea Programme for Innovation Promotion for Local Economic Development

Government of Kerala has formed the Kerala Development and Strategic Council (K-DISC) to give a thrust to innovation in the State through the mandate to identify and nurture a critical mass of innovations by bringing out path-breaking strategic plans that reflect new directions in technology, product and process innovations, social shaping of technology and creating a healthy and conducive ecosystem. For this, K-DISC aims at appropriate institutional linkages to the selected innovations. As part of mobilising the academic partners, K-DISC had invited EOIs from leading academic institutions for their association with the ODOI program. A total of one hundred and one EOIs were received. An expert committee was constituted for overseeing the process. Based on the evaluation of the criteria published in EOI, sixty-three (63) institutions were shortlisted out of the one hundred one (101) EOIs received. After careful examination of the EOI submissions, institutions were indexed based on the criteria as per EOI. Among the selected institutions, our college belong to Class B within the district category represented by Department of Economics and in continuation with mentor development programs and review on potential clusters identified for detailed study

## 6. Entrepreneurship and Research

### 6.1. Entrepreneur Development Club ( E D Club)

The Department of Industries and Commerce, Government of Kerala, in association With Education Department formulated a scheme to set up “Entrepreneurship Development Clubs” in schools and colleges of the State to inculcate “Entrepreneurship Culture”, amongst youth and equip them with the skills, techniques and confidence to act as torch-bearers of “Enterprise” for the new generation.

Objectives of the Club are:

- To aware the students about the unlimited development potential of the State and to inculcate entrepreneurial culture in the students .

*Deena*

**PRINCIPAL**  
**K.S.M.D.B COLLEGE**  
**SASTHAMCOTTA**

- To inculcate the basic elements of entrepreneurship such as hard work, honesty, dedication, discipline, integrity, trustworthiness, etc
- To bring in successful entrepreneur and students on a common platform.
- Organize interactive sessions with successful entrepreneurs from outside as well as within the State.
- To motivate members on various dimensions of industry to nurture the latent entrepreneurial talent.

Functions of the Club are:

- To organize workshops/debates, industrial visits to business enterprises within/outside the State.
- To interact with the promotional agencies.
- To expose to national and international events in various parts of the country related to industrial developments.
- To organize Entrepreneurship / Entrepreneur Awareness Programme.
- To familiarise the youths to the latest developments related to the field

The college has an E D Club registered in **District Industries Centre, Kollam**. With the above focus, the ED Club of K. S. M. D. B. College, Sasthamcotta had planned the following programmes.

## Brief Report

*Deena*

**PRINCIPAL**  
**K.S.M.D.B COLLEGE**  
**SASTHAMCOTTA**

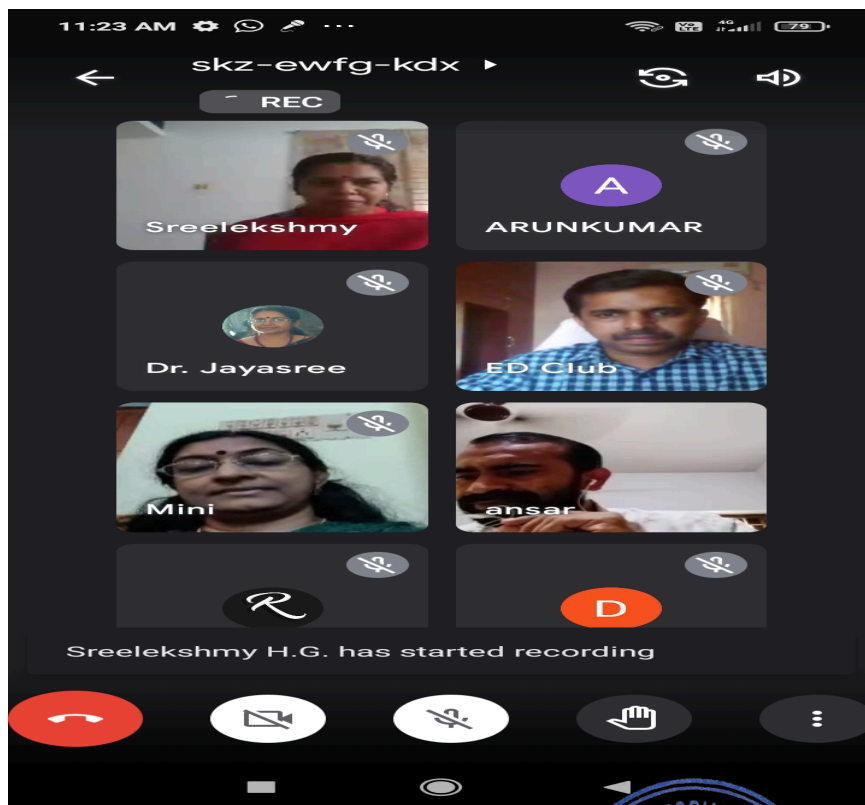

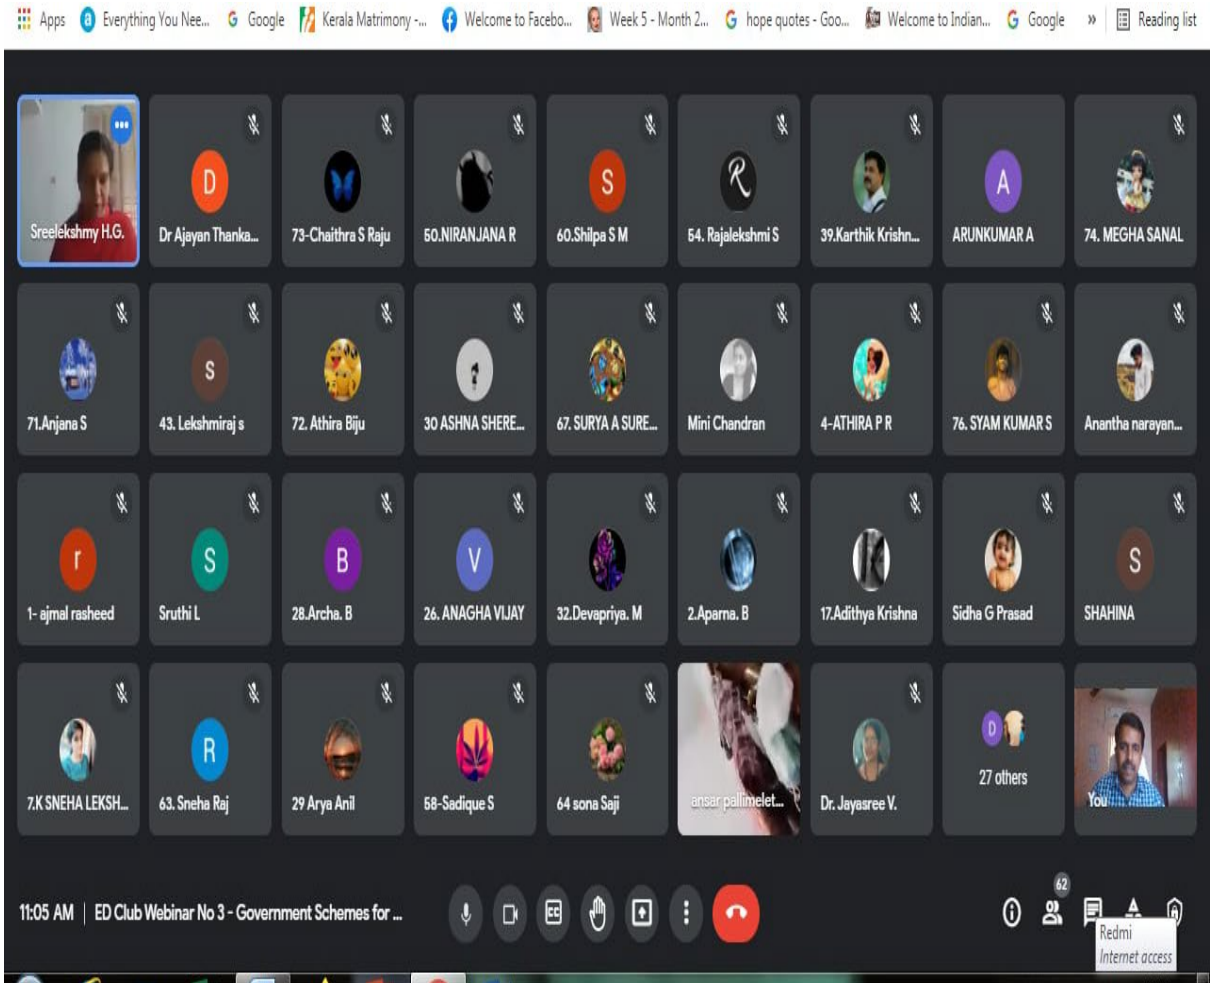

Saturday July 17, 2021 11.am. to 12.30 pm.

ED Club and Research and Post Graduate Department of Commerce, Kumbalathu Sankupillai Memorial Devaswom Board College, Sasthamcotta and District Industries Centre, Kollam jointly organized a webinar entitled '**Government Schemes for MSMEs** on 17 July 2021, via Google Meet. Dr. Mini Chandran. C , respected principal inaugurated the function and she shared a few words about entrepreneurship. The previous webinars Be Your Own Boss and Banking Support to entrepreneurs helped students to get the basic know how about entrepreneurships and the challenges faced by them. Dr. Renusree S, Head, Department of Commerce presided over the session and in her presidential address, she had mentioned about the importance of financial supports extended to entrepreneurs. The resource person **Ansar P.A., Industrial Extension Officer (Block Panchayath, Sasthamcotta)** clearly described the financial facilities available to the Micro Small and Medium organization. The presentation was followed by a question answer session where the queries put forward by participants were clarified by the resource person in detail. The session was well appreciated by the participants by asking questions. More than 65% of the participants are of the view that the resource person was effective and the learning outcome is achieved. Prof. Arunkumar. A , Prof Sanu S J of the Post Graduate and Research Department of Commerce delivered welcome address and vote of thanks respectively.

## Be Your Own Boss

Date: 04/07/2021

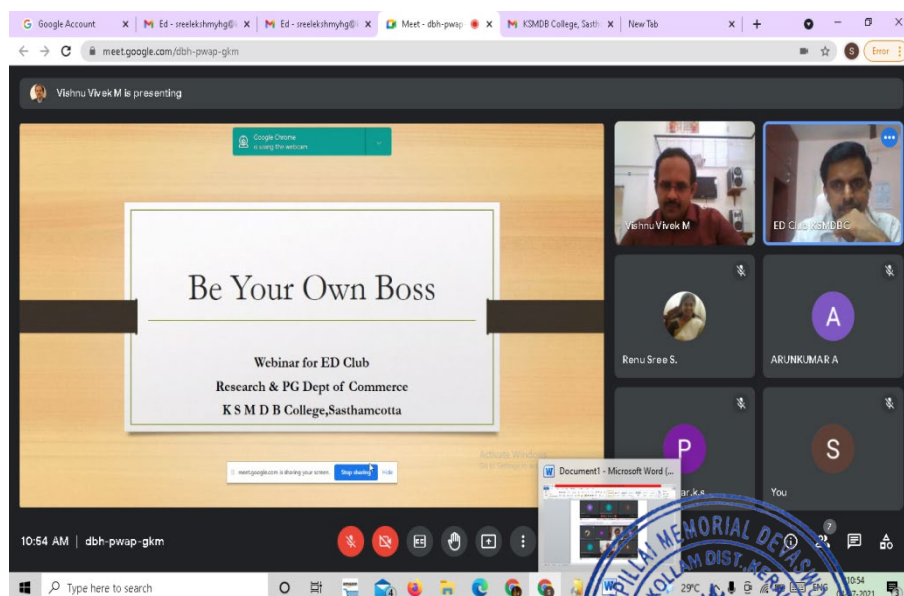

### Brief Report

Research and Post Graduate Department of Commerce and ED Club, Kumbalathu Sankupillai Memorial Devaswom Board College, Sasthamcotta, organized an online webinar titled “**Be Your Own Boss**” on 4<sup>th</sup> July 2021, through Google Meet. Dr. Mini Chandran C, Principal, K S M D B College, inaugurated the session and in the inaugural address, the Principal congratulated the Commerce Departments initiative. Dr. Renusree S., Head of the Department, presided the session and in her presidential address, pointed that the significance of entrepreneurship in the current era. **Industrial Development Officer (Block Panchayath Sasthamkotta), Sri. Ansar P.A.**, had given facilitation to this Webinar. The resource person of **Asian School of Business, Vishnu Vivek. M** shared his experience and also underscored the steps required for starting an entrepreneurship. He ensured the participation of students in the whole session and also familiarized the students to Startup India Mission.

The presentation is followed by an interactive session where the queries put forward by the participants were clarified by the resource person in detail. The session was well appreciated by the participants by asking questions. More than 80% of the participants are of the view that the resource person was effective and the learning outcome was achieved. Prof. Sanu S.J., Prof. Arunkumar. A of the commerce department delivered welcome address and vote of thanks respectively.

## Foodies-Food Fest

**Date: 16/01/2020**

### Brief Report

District Industries Centre, Kollam with Entrepreneurship Development Club, Kumbalathu Sankupillai Memorial Devaswom Board College, Sasthamcotta organized food fest in the campus of K.S.M.D.B. College on 16<sup>th</sup> January 2020. The programme was inaugurated by Dr. C. Unnikrishnan, Principal and the function was chaired by Dr. Suresh Kumar, Head, Research and Post Graduate Department of Commerce. The student of ED club organized variety of stalls as part of the food fest. They have generated revenue from the stalls. Food fest was an innovative effort to provide hands on exposure to the club members on the various complexities at the different stages of entrepreneurship. The faculty members, staff and students of the college played a significant role for extending active supported for the success of the event.

## Handloom and Entrepreneurship Development and Quiz

**Date: 10/02/2018**

### Brief Report

District Industries Centre, Kollam with Entrepreneurship Development Club, Kumbalathu Sankupillai Memorial Devaswom Board College, Sasthamcotta, organized a one day seminar on the topic “**Handloom and Entrepreneurship Development**” in the Seminar Hall, Department of Commerce, K. S. M. D. B. College on 10<sup>th</sup> February, 2018. The programme was inaugurated by Dr. K. Mohan Kumar (Principal). Dr. N Suresh Kumar (HOD, COMMERCE) delivered the keynote address. The presentation was followed by a question answer session where the queries put forward by the participants were clarified in detail. The session was well appreciated by the participants by asking questions. The resource person whole heartedly welcomed the questions.

## 6.2.Financial Literacy Club

Financial literacy club was constituted in the Department of Commerce during the academic year 2015-16. The main objectives of the club are:-

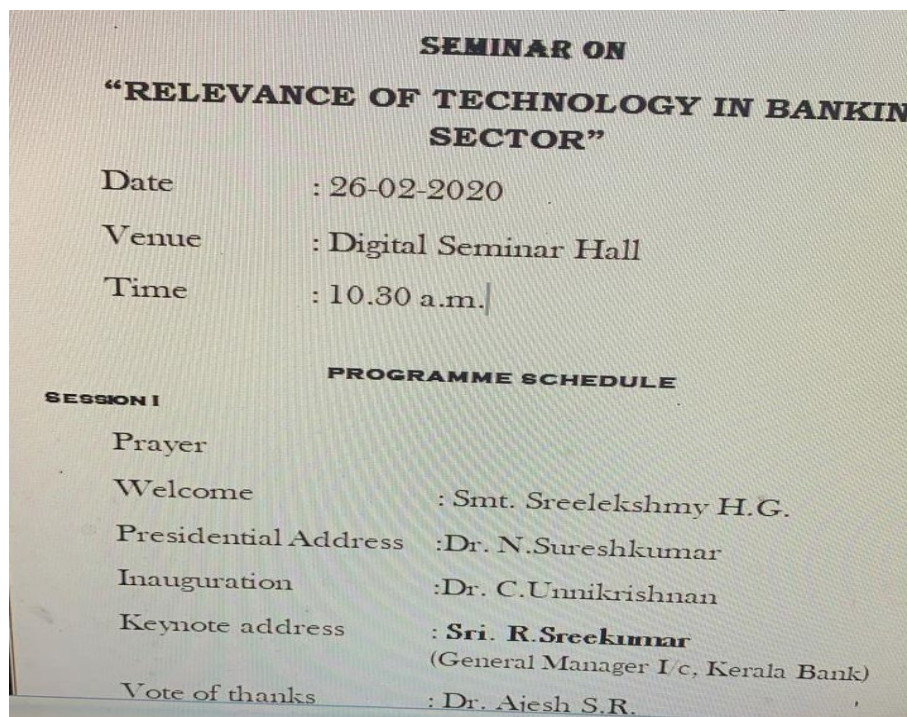

- To create awareness among the students about financial skills required in their personal life
- To conduct awareness programmes regarding investment options
- To conduct surveys among the local people regarding their financial literacy and provide awareness classes

The activities of the club include:

- Financial Awareness programmes for students and parents
- Organise seminars related to GST, Personal Financial Management etc.
- Post budget discussion
- Conducting studies among the local people for knowing their savings and investment pattern
- Conduct awareness classes for the local people

## Brief Report

The Indian Chamber of Commerce and Industry is the premier body of business and industry facilitating business since the pre independence period. The Chamber has a chequered history of facing several challenges boldly and upholding its avowed objectives during the pre-independence era, the Chamber could emerge as one of the premier Chambers of Commerce in India accomplished with the endurance, hardwork, sacrifice and vision of the founding fathers and worthy and dedicated successors. The financial literacy club organised an expert talk by the resource person **Dr. Baiju Ramachandran**, a Director, The Indian

**PRINCIPAL**  
**K.S.M.D.B COLLEGE**  
**SASTHAMCOTTA**

**Chamber of Commerce and Industry.** He had elaborated on the topic “ **Seminar on GST – A New Dimension to Indian Tax Regime**’. The session was very informative and contemporary. The participants interacted with the resource person through questions. The resource person answered all the questions clearly and also in detail.

### **6.3. Selective Augmentation of Research and Development (SARD)**

The scheme is intended to augment basic infrastructure facilities for promoting R&D activities in the University Departments, Colleges and R & D institutions in Kerala. SARD envisages modernization of laboratories by way of acquisition of essential equipment and the upgrading of existing facilities for promoting research. The facilities provided are intended to support the efforts of the Department as a whole and not for individual R&D support. The support will be considered for the 'Science Department / Centre' as a unit with a coordinator to carryout research projects. The selection of the proposal is through a peer-review mechanism. An expert committee evaluates the viability of the scheme based on the report of the reviewers.

**Dr. B. Beena, Associate Professor, Department of Chemistry and Polymer Chemistry** was sanctioned a project entitled “**Water quality assessment and the Development of Green water treatment technologies for the Lake of Sasthamcotta**” under this scheme . The subject of the study is on the water quality assessment of the Sasthamcotta Lake which is a subject of much social relevance. This lake water is the source of drinking water for the whole district of Kollam and is now facing severe contamination. Periodic assessments have been carried out by systematic analysis of the lake water during post-monsoon and premonsoon periods by collecting samples from six potential sites within

**PRINCIPAL**  
**K.S.M.D.B COLLEGE**  
**SASTHAMCOTTA**

the lake. The results were discussed during the Wetland Day Celebrations; local bodies were informed about the programme and the discussions helped to eliminate the worries of the public regarding the pollution level in the lake. High Iron content was suspected during the pre-monsoon period, but our studies showed that Iron was in the permissible level. Further, awareness programmes were conducted to students about application and operation of AAS, which we have bought out of the SARD programme.

**Kerala State Council for Science, Technology and Environment**  
KSCSTE  
No. 008/SARD/2016/KSCSTE  
01.08.2017

Madam,

Ref: SARD proposal titled "Water Quality Assessment and the Development of Green Water Treatment Technologies for the Wetlands of Kollam District with Special Reference to Sasthamkotta Lake"

This refers to the presentation of the SARD proposal cited above in the meeting held on 24<sup>th</sup> July 2017 at Sastha Bhavan, Thiruvananthapuram and is to inform you that the proposal is technically approved with the budget as given below.

Sl. No.	Items	Year 1 (Rs)	Year 2 (Rs)	Year 3 (Rs)	Total (Rs)
1	Equipment a. AAS Double Beam	16,00,000	-	-	16,00,000
2	Consumables and Maintenance Support	1,00,000	50,000	50,000	2,00,000
	<b>Total</b>	<b>17,00,000</b>	<b>50,000</b>	<b>50,000</b>	<b>18,00,000</b>

You are requested to revise the title of the SARD programme in tune with the objectives of the SARD scheme, not restricting to a single project based title.

You are requested to send a letter of acceptance and proforma invoice for the purchase of the equipments at the earliest. On receipt of this letter, one copy of the Terms and Conditions ~~attached~~ duly signed by the co-ordinator and counter signed by the Head of the Institution in a stamp paper worth ₹100/- be sent at the earliest, for issuing formal order.

## 8. Documentation of Invasive Alien Plant Species of Sasthamcotta Lake

Department of Botany has organized a documentation and analysis of **Invasive alien species of Sasthamcotta Lake**, under the supervision of Ms Dhanya S.R, Asst. Professor in Botany. A total number of 15 students of B. Sc Final year participated and got field experience and gained the knowledge of the impact of invasive alien species in the different areas of Sasthamcotta lakeside. A total of 24 species of invasive aliens of the terrestrial vegetation of Sasthamcotta lakeside have been documented. Our field observation and discussion with local people indicate that there are 6 most noxious invasive plant species in this region. Some species such as *Merrimia vitifolia*, *Mikania micrantha* and *Chromolaena odorata* are harmful to native species. **This is a first report about the invasive alien species of this lake side.**

## 9. Tissue Culture Lab-Department of Botany

The Department of Botany has etched in the history of KSMDB College by the inception of a Tissue culture Lab funded by DBT-STAR scheme and Travancore Devaswom Board which was inaugurated on 30<sup>th</sup> May 2022 by the Principal and Professor, Dr. B. Beena.

## 10. Innovative Academic Programmes

### 10.1. VIRTUOSA-Webinar Series

#### Online Teaching Tips

The Covid-19 pandemic has created lockdown in the education system. The usual classroom teaching was affected severely due to this pandemic situation. The only option during this period was to engage classes through online mode. But many of the teachers were ignorant about using online education tools for effective delivery of classes. In this context the IQAC of KSMDB College, Sasthamcotta has decided to organize webinars for making the teachers equipped with online teaching tools. An online platform "VIRTUOSA2020" common for the college were initiated by purchasing a licensed zoom platform. As an initial step, the IQAC organized a one-day webinar on online teaching tips. Dr. Sandeep S. Assistant professor, Shri Ayyappa College, Eramallikkara engaged the class. He explained the features of zoom platform for taking online classes. It was very useful and all doubts of the participants were cleared.

## VIRTUOSA 2020

During the Covid-19 Pandemic KSMD B College has organized a webinar series of seven days duration. It was the first of its kind in the history of our college. The theme was “Transcending Lockdown Barriers through Academic Outreach”. Resource persons were experts from various discipline. The program was inaugurated by Prof. Dr. Sabu Thomas, Vice Chancellor of M. G. University, Kottayam. Hon’ble Higher Education minister Dr. K. T. Jaleel, Travancore Devaswom Board President Adv. Shri. N. Vasu, felicitated the function. There were presentations from eminent scholars in and around Kerala. Average participation of delegates were 160. During the last day of webinar there were a session on “Innovative and best practices in higher educational institutions” by Dr. Suju C. Joseph Assistant Professor, Department of Chemistry, Mar Ivanios College Thiruvananthapuram. The webinar series was concluded with a colourfulaledictory session on 20/05/21

## Brief Report

The Biodiversity Club and Department of Botany jointly organized one day webinar on the topic “Mysterious Flora and Fauna of my blue planet” on 5<sup>th</sup> June 2021 in connection with World Environmentday celebration through Google meet platform. The formal inauguration of the Webinar was done by Dr. Mini Chandran.C, Principal, K.S.M.D.B College. The inaugural session was started with prayer followed by welcome address by Smt.DhanyaS.R, Coordinator, Biodiversity club. She explained the theme of World environment day 2021. Dr. Geethakrishnan Nair.P, HOD, Department of Botany delivered the presidential address. In the inaugural speech, Dr. Mini Chandran.C ,Principal, K.S.M.D.B College mentioned the importance of conservation wetland ecosystem. The Key note address was delivered by **Dr. Beena Lawrence, Associate Professor, Department of Botany, Women’s Christian College, Tamil Nadu** and she spoke about mysterious flora and created awareness on conservation. Dr. Jayasree .V , IQAC Coordinator offered felicitation to the Webinar . Dr. Deepa.S, DBT STAR coordinator also delivered felicitation to the Webinar. Vote thanks delivered by Smt.Lekshmy Sreekumar. Around 100 participants comprising a blend of students, Research Scholars and faculties from various institutions attended the webinar from various parts of South India.

## International Webinar on Recent trends in Applied Mathematics

**Dates: 24/05/2021 to 28/05/2021**

The poster is divided into three main sections. The left section is a purple box containing the college's name, affiliation, and the webinar title. The middle section is a blue box listing the inauguration schedule and speakers. The right section is a blue box with two white-bordered boxes for Day 1 and Day 2, each featuring a speaker's photo, name, affiliation, and topic.

The main objective of this five day workshop is to bring together the Experts, Faculty Members, Scientists, Research Scholars, PG students from Universities, Colleges, Scientific Organizations, and other Institutions of Higher Education from all over the country to discuss the recent trends and developments in the broad topics of the applied Mathematics and to promote exchange of ideas in various applications of mathematics in science and engineering. This workshop would provide an opportunity to young researchers to learn the current state of research & techniques.

## Brief Report

### Day 1: A Gentle Introduction to Computational Complexity Theory - Revealing the Limits of Algorithms

**Resource Person:** Dr. Sharma Thankachan, Assistant Professor, Dept. of Computer Science, University of Central Florida, Orlando.

**Google Meet link:** <https://meet.google.com/koq-sugf-nru>

The resource person explained how Complexity theory could be useful in determining the unsolvable problems. He also covered some interesting topics in area, including the famous "P vs. NP" problem.

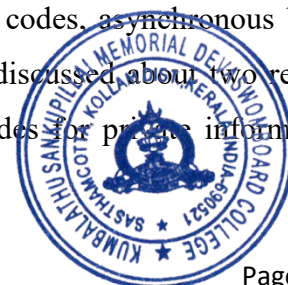

### Day 2: Batch Codes for Cloud Storage: an Overview

**Resource Person:** Dr. Fr. Eldho K Thomas, Assistant Professor, Department of Mathematics, Newman College, Thodupuzha, Former research fellow in National University of Singapore and University of Tartu, Estonia

**Google Meet link:** <https://meet.google.com/xxr-wzmr-kmk>

In the present talk, the speaker had introduced traditional batch codes, asynchronous batch codes, their properties, and coding bounds. In addition, he had discussed about two related families of codes called locally repairable codes (LRC) and codes for private information

**PRINCIPAL**  
**K.S.M.D.B COLLEGE**  
**SASTHAMCOTTA**

retrieval (PIR) which are extensively studied over the past few years. The talk was very informative and the audience got an overview of the above mentioned codes, their connections, and some potential applications in cloud storage.

**Day 3: Artificial Intelligence and Influence of Mathematics**

**Resource Person:** Dr. Tessy Mathew, Associate Professor & Head, Department of Computer Science and Engineering, Mar Baselios College of Engineering and Technology, Thiruvananthapuram.

**Google Meet link:** <https://meet.google.com/qnr-wgnw-net>

The resource person discussed the importance of Artificial intelligence in various field and sub areas and also about the ways n which it van be useful to create an acceptable model for human understanding. The talk also illustrated how Mathematics can enhance analytical thinking skills which are vital in Artificial intelligence and also its applicability to solve challenging deep abstract problems using traditional methods and techniques encompassing various fields such as Linear Algebra, Calculus, game theory, Probability, statistics, advanced logistic regressions, and Gradient Descent etc.

**Day 4: Discrete Mathematics and Some of its Applications**

**Resource Person:** Dr. Sajith P, Assistant Professor, Department of Mathematics, BITS Pilani, Hyderabad Campus

**Google Meet link:** <https://meet.google.com/koq-sugf-nru>

The presentation discussed basic ideas of Discrete Mathematics and its relation with other areas in Mathematics, mainly Linear algebra and Abstract Algebra. Some important applications in computer science and signal processing ( coding theory) were also discussed. The current discussion also included discussion of a typical Mathematics researcher's interests and challenges in this field.

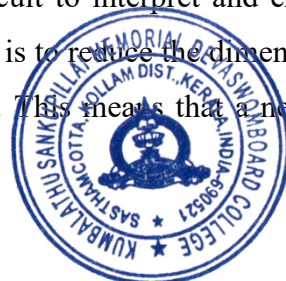

**Day 5: Principal Component Analysis**

**Resource Person:** Prof. Joseph Cheriyan, Professor & Head, Dept of Mathematics, Mar Baselios College of Engineering and Technology, Thiruvananthapuram, (Former Head, Dept of Mathematics, Govt Engineering College, Thiruvananthapuram)

**Google Meet link:** <https://meet.google.com/qjy-dicc-qcb>

Large data sets are increasingly used in many areas like image compression, computer vision, machine learning, finance, climate change etc. The large dimension of these data sets and the interdependence of various features in the data make it difficult to interpret and extracting useful information. The idea of Principal Component Analysis is to reduce the dimensionality of a dataset while preserving as much variability as possible. This means that a new set of

**PRINCIPAL**  
**K.S.M.D.B COLLEGE**  
**SASTHAMCOTTA**

uncorrelated variables are found that are linear combinations of those in the original data set that successively maximize the variance. In Principal Component Analysis, many ideas in Linear Algebra like orthogonal diagonalization, linear transformation, orthogonal projection, etc. are needed.

## 10.2. VIRTUOSA – Faculty Development Programme

### Towards a Digital Era of Teaching Learning

**Dates : 12/08/2020 to 18/08/2020**

The Covid-19 induced pandemic has forced to switch over to online teaching and learning. The universities and its teachers are grappling with enforced online teaching . With this the teaching fraternity has begun to face myriad challenges in the use of e-learning resources with professionalism. In this backdrop, IQAC of KSMDDB College has designed various academic outreach to transcend the lock down barriers. In this regard, our College organised a one week Online Faculty Development Programme under the rubric **“Towards a Digital Era of Teaching and Learning”** in collaboration with **Human Resource Development Centre of the University of Kerala**. This programme was designed to familiarise teachers from different colleges and universities across the country with the different components of information technology for effective teaching and learning. The course was offered through moodle platform and the link shared via telegram. There were 1009 participants in this one week long programme.

*Deenab*

**PRINCIPAL**  
**K.S.M.D.B COLLEGE**  
**SASTHAMCOTTA**

### The topics covered

- Understanding online education and various LMS platforms
- Acquiring e-learning skills which can help in delivering online classroom sessions effectively
- Moodle platform in detail
- Digital tools which help in developing e-content

After successful completion of the programme, the participants were able to:

- Create interactive e-content for their discipline
- Conduct online classroom sessions with time-bound assessment mechanism
- Utilize time-saving extensions for better organisation of e-content.

## 11. Be to the Point: Enhancing Creativity and sharpening Communication Skills

### 11.1. Department of Sanskrit Two week celebration of Sanskrit Day

Dates : 03/08/2020 to 14/08/2020

The poster is for the Sanskrit Day Celebration 2020. It features a yellow background with a black border. At the top, there are two circular images of a full moon. The text is in Sanskrit and English. The main title is 'संस्कृतगंगा 2020' (Sanskrit Ganga 2020) in red. Below it, 'Sanskrit Day Celebration' is written in black. The dates 'आगस्त 03 - आगस्त 14' (August 03 - August 14) are mentioned. The organizing body is 'संस्कृतज्योति फेस बुक ग्रुप द्वारा' (via Samskritajyothi Face book Group). The main program is 'मुख्यकार्यक्रम: सुभाषितमञ्जरी - विश्वसंस्कृतम् - अभिज्ञानम्'. At the bottom, the organizers are listed: 'मुख्यायोजका डा. सुस्मी साबू' (Chief Organizer Dr. Sushmi Sabu) and 'विभागाध्यक्ष: डा. सुशान्त एस्.' (Department Head Dr. Sushant Es.). There is a small image of a book titled 'SAMSKRITAJYOTHI' in the center.

## Brief Report

Department of Sanskrit has been able to turn the Sanskrit Day celebration on the full moon day of the month *Śrāvaṇa* into a two - week event called **Samskritaganga-2020** from 03<sup>rd</sup> to 16<sup>th</sup> August 2020. In the midst of the spread of the Covid-19 pandemic, the programmes were broadcasted through the Department's official Facebook group and Youtube channel- **Samskritajyoti**. All the programs were focused entirely on Sanskrit language and under two sections viz., *Subhāṣita-mañjari* and *Viśva-samskr̥ta* Sanskrit programmes such as rendering of *Subhāṣita*, *Sandeśa-kathana*, *Samskr̥ta gānālāpana* and *Akṣaraśloka-pathadarśini* were performed. The Department also received good responses from audiences inside and outside the college.

## Ramayana Sudha

### Brief Report

Karkkidakam, the last month of Malayalam calendar has much significance in Kerala, both culturally and historically. In the past, majority of people depended on agriculture and the monsoon was at its peak during this month of extreme scarcity. It was customary to recite the epic Ramayana in homes and temples during this month all for 31 days. Ramayana recitation during this time was considered as an auspicious practice that would ensure the well being of the individual and the society. As this tradition carries on to the present time, it helps purifying the mind and sanitizing the illness of body, which in turn results spiritual purification of body and mind. In this context, our Department of Sanskrit has formulated an innovative approach named as ' **Ramayanasudha**' encompassing the annals by the recitation of Adhyatma Ramayana, exploration of Ramayana, critical evaluation of the characters in this epic and the message of Ramayana through the face book group 'Samskrita Jyothy' of the department.

# **SAMSKRITAVAHINI - Intervention to enhance communicative skills in Sanskrit language mediated through WhatsApp.**

## **Brief Report**

As part of the world Sanskrit day celebration in 2021, the department of Sanskrit has put a step forward to a new beginning. It was the creation of Samskritavahini WhatsApp group. The group was started on 12.08.2021 by Dr.Susmi Sabu, Assistant Professor, Department of Sanskrit with the intention to enhance communicative skills of Students in Sanskrit language especially for the regular students of the Department of Sanskrit. Every member of faculty is an admin of the group. From 20.8.2021, on the world sanskrit day- the auspicious sravana purnima day- samskritavahini whatsapp group started functioning.

Every Saturday, one of the Students from UG or PG posts an audio clip in the group. The audio will contain a short speech on a topic such as famous treatise, famous author, Sanskrit story, etc. Five minute long audio is prepared by the students themselves. Each and every student of the Department is free to be a part of Samskritavahini. Thus students can be get enough opportunity to enhance their skills to listen to Sanskrit, to speak and to write in sanskrit. Minor mistakes such as erroneous usage of grammar, pronunciation etc. are corrected by teachers time to time.

## 11.2. Department of Hindi

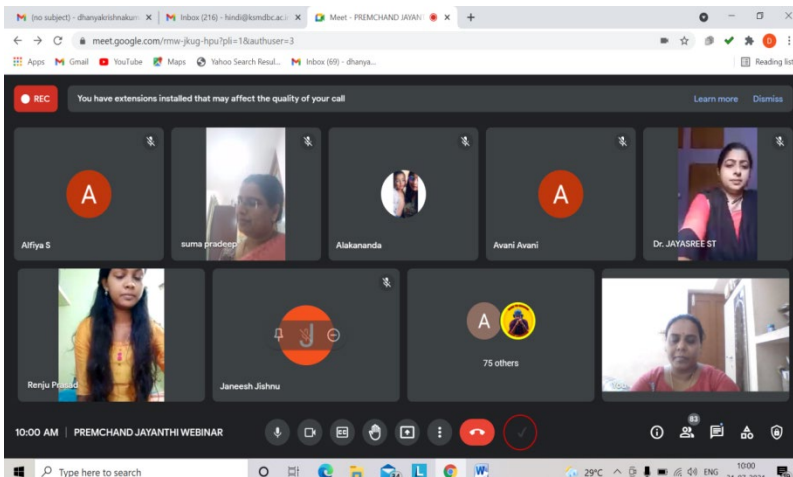

### Premchand Jayathy

Date : 31/07/2021

## Brief Report

On 31<sup>st</sup> July ,2021 an invited talk was organized by the Department of Hindi to mark the Premchand Jayanthi . The programme was inaugurated by Dr. Mini Chandran C ,our beloved Principal. The resource person was Dr. Suma S , Assistant Professor, Victoria college , Palakkad. There were 89 participants attended the talk. Dr. Dhanya L, Assistant Professor and Head was the convenor of the event. Six papers were presented in the seminar related to the topic 'Premchand Kadha Sahitya'. Of these, three papers were presented by students from Department of Hindi, namely, Swaliha N., Meenakshi B. and Parvathy J. S .

## Brief Report

Kathakali', an important genre in the Indian classical dance form, is associated with storytelling form of this art. It is the dance drama originated from Kerala's shores over 300 years ago. Elements and aspects of Kathakali are taken from ancient Sanskrit texts such as the [Natya Shastra](#). Similar to other Indian classical dance arts, the story in 'Kathakali' is also communicated to audience through excellent footwork and impressive gestures of face and hands complimented with music and vocal performance. It combines devotion, drama, dance, music, costumes and make up into a divine experience for all who get to view it. It retells the great stories of the past, mostly from Indian epics, and leaves one spellbound at the various intricacies involved in the performance. However, it can be distinguished from the others through the intricate and vivid make-up, unique face masks and costumes worn by dancers as also from their style and movements that reflect the age-old martial arts and athletic conventions prevalent in Kerala and surrounding regions.

Kathakali uses an ancient stylised sign language called MUDRAS to tell each word of the story. A Kathakali story is being sung in a combination of Sanskrit and Malayalam whilst the actor is translating the story into character, sign language, emotion and movement. With this view as Kathakali is included in the curriculum, Department of Malayalam designed an innovative way of organised a performance encompassing technical explanation of the mudras, make up, story telling etc to create awareness among the students.

Character	Artist
Nalan	Kalamandalam Ratheeshan
Damayanthi	Madhu Varanaasi
Music and Musical Instrument	Performed by
Music	Kalamandalam Sajeevan, Parimanam Madhu
The Chanda	Kalamandalam Sreekanth Varma
Madhalam	Kalabharathy Remanan
Make up	Muthupilakkadu Chandrasekharan Pillai

The programme was inaugurated by the Principal Dr.K. Beena by lighting the lamp. Dr. R.S. Harikumar, Head, Department of Hindi and Secretary, PTA and Anjitha Jose, Chairperson, College Union facilitated on the occasion. Kalamandalam Rajeevan Nampoothiri handled the class on the relishment of the art form Kathakali pertaining to the

# Webinar Series Theoria: Indian Literature: A Comparative Perspective

Date : 21/10/2020

## Brief Report

**DAY 3: 21 OCTOBER 2020**

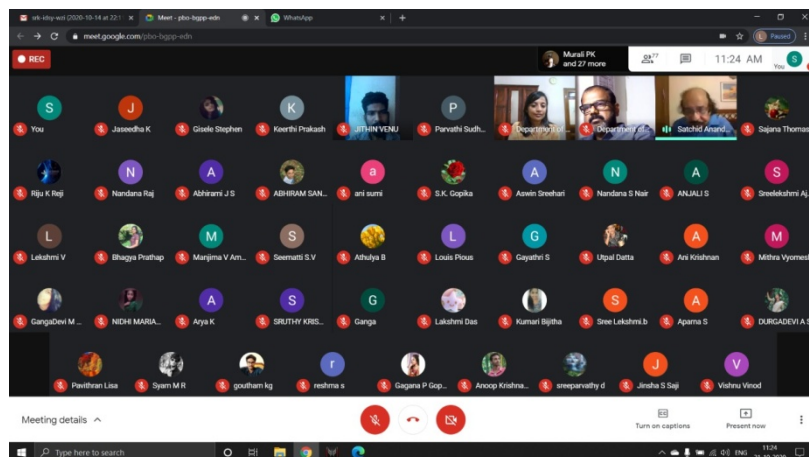

Topic: “INDIAN LITERATURE: A COMPARATIVE PERSPECTIVE”

Resource person: **Prof. K Satchidanandan** (Writer and Critic)

The third session of the Online Lecture Series was on 21<sup>st</sup> October 2020. It began at 10:30am with Professor K R Sankaranarayanan welcoming the dignitaries on and off the dais. Dr. KS Anil Kumar, Principal, KSMDDB College, Sasthamcotta presided over the meeting. Prof. K Satchidanandan, eminent writer and critic, spoke eloquently over Indian literature comparing and contrasting it with the world literature. It was followed by a fertile communication with the students. The meet ended with Mr. Miss. Athulya B, final year BA student proposing vote of thanks.

November  
2020**

**On  
EMERGING TRENDS IN  
COMPUTATIONAL AND MATERIALS  
CHEMISTRY RESEARCH (ICCMCR-20)**

**Organized by: Research and Post Graduate  
Department of Chemistry and Polymer Chemistry**

### ABOUT THE COLLEGE

Kumbalathu Sankupillai Memorial Devaswom Board (KSMD) College, situated at Sasthamcotta, Kollam, Kerala, is an esteemed institution for higher education managed by the Hon'ble Travancore Devaswom Board. This institution of higher learning was established in 1964 and is affiliated to the University of Kerala. The college is surrounded on three sides by the famous Sasthamcotta Lake, the largest freshwater lake of Kerala and a recognized Ramsar site. The college offers 17 undergraduate programmes, 6 post graduate programmes and 2 Ph.D programmes in various disciplines to a community of about 2500 students. KSMD College has been selected under the RUSA 2.0 Scheme and the DBT-Star College Scheme 2019 viz: strengthening of support to science departments for UG education.

### ABOUT THE DEPARTMENT

The Research and Post Graduate Department of Chemistry and Polymer Chemistry embarked on its long journey to glory during the academic year 1964-1965 with two teachers as staff imparting instructions in chemistry to the pre-degree students of groups I and II. The department was upgraded to degree level with Chemistry as an optional main in the year 1979 - 1980. In addition to B.Sc. Chemistry, B.Sc. Polymer Chemistry was also started during the academic year 1993-1994. The Department reached another milestone in the realm of higher education in the year 1995-1996 through the introduction of a post graduate programme in Chemistry with a sanctioned strength of 10 students. The department was instrumental for the successful completion of about 2000 Bachelor's and 300 Master's Degree holders so far. The academic year 2004-2005 should be etched in golden letters in the annals of the department. During that year the department was recognized as an approved research center by the University of Kerala thereby making it at par with the premier colleges in the state. There are 6 Ph.Ds to its credit till date. DST-FIST, UGC, KSCSTE-SARD and CSIR are among the funding agencies which have extended financial supports to procure sophisticated instruments and to accomplish research projects by faculty and students.

### ABOUT THE CONFERENCE

The Organizing Committee of Research and P.G. Department of Chemistry & Polymer Chemistry, K.S.M.D.B College is pleased to invite participants from all over the world to take part in this international conference on "Emerging Trends in Computational and Materials Chemistry Research" (ICCMCR-20) based on the theme "Contemporary Advances and Innovations in Computational and Materials Chemistry Research". This international conference aims to provide a forum for researchers from various areas of Materials Chemistry, Medicinal Chemistry and Computational Chemistry to present the latest cutting-edge research findings and share their experiences and research outcomes of interdisciplinary research. Each session of the conference will include expert lectures, paper presentations and discussions on computational and materials chemistry research.

### SUBTHEMES

- Nano-Materials
- Communications and Information Technology
- Healthcare
- Multifunctional Materials
- Molecular Mechanics
- Molecular Dynamics
- Chemical Dynamics
- Molecular Docking
- Bioinformatics
- Biomedical Engineering
- Green Chemistry
- Advanced Manufacturing
- Biosensors
- Drug Design
- Renewable and Sustainable Energy
- Cheminformatics
- Mathematical Chemistry
- Quantum Mechanics
- Ab-initio Methods
- Molecular Modeling and Simulation
- Nucleic Acid and Protein Sequence
- Composites and Nanocomposites
- Biopolymers
- Molecular Modelling
- Density Functional Theory
- Theoretical Chemistry Advances and Perspectives
- Site Mapping
- Computational Thermo Chemistry
- Computational Pharmacology
- Molecular Evolution

### CALL FOR ABSTRACTS/PUBLICATIONS

Interested authors are requested to send their abstracts not exceeding 250 words in any of the above mentioned themes. The guidelines for the abstract preparation can be found in the conference website. Selected abstracts will be allotted as oral presentation and the authors will also have a chance to get their extended abstracts published electronically as Proceedings of the Conference with ISBN. The guidelines for the submission of the extended abstracts are exhibited in the conference website. All submissions will be peer-reviewed based on originality and quality. The acceptance of the abstract will be intimated to the corresponding author in the mail id provided. The decision of the Review committee regarding the acceptance of the paper will be final. Authors are invited to publish full papers in Scopus indexed journal. (As per publisher's policy, publication charges may be applicable).

**MODE OF THE EVENT: GOOGLE MEET AND YOUTUBE LIVE**

### IMPORTANT DATES

Registration opens	14 <sup>th</sup> October 2020
Registration closes	05 <sup>th</sup> November 2020
Last date of submission of extended abstract	27 <sup>th</sup> October 2020
Last date of submission of selected full paper	05 <sup>th</sup> November 2020
Date of Conference	09 <sup>th</sup> - 12 <sup>th</sup> November 2020

### REGISTRATION FEE

Professionals and Faculty Members (India)	Rs 750	Delegates from Industry	Rs 1000
Research Scholars	Rs 500	Foreign Delegates	30 USD

### PAYMENT DETAILS & CERTIFICATE

All payments should be made through online mode by RTGS, NEFT, IMPS or UPI to the following college account

Name : The Principal, KSMD College, HOD Department of Chemistry  
Bank : Canara Bank, Sasthamcotta A/C Number: 3537101007683  
IFSC : CNRB0003537

Certificate of participation will be provided only to registered participants who attend all the sessions of the conference.

Click on the [Registration link](#) or scan the QR code to register for the conference

REGISTRATION LINK : <https://bit.ly/33NBg6f>

### EMINENT SPEAKERS

#### Inauguration and Keynote Address :

**Prof. Jean-Marie Lehn**  
Nobel Laureate in Chemistry (1987)  
ISIS-Université de Strasbourg, France

**Prof. Dr. Johannes Gierschner**

IMDEA Nanoscience, Madrid, Spain

Topic: Photocatalysis and Photophysics

**Dr. Bartolome Soberats**

Ramón y Cajal Research Fellow Dept. of Chemistry, Universitat de les Illes Balears, Spain

Topic: Liquid Crystalline Materials

**Dr. Cheol Woo Ha**

Korea Additive Manufacturing Innovation Center, Korea Institute of Industrial Technology, Korea

Topic: Micro-Dimensional Optical 3D-Printing with Two-Photon Polymerization

**Dr. Viola B. Morris**

Division of Cardiology, Emory University School of Medicine, Atlanta

Topic: Arginine Functionality for Delivery of Therapeutics

**Dr. Prem Prabhakaran**

Department of Advanced Materials, College of Life Science and Nanotechnology, Hannam University, South Korea

Topic : Present and Future of Quantum Dots in Display Devices: A Material Perspective

**Prof. Dr. Nagaiyan Sekar**

Former Head, Department of Dye stuff Technology, Professor in Tintorial Chemistry, Institute of Chemical Technology, Mumbai

Topic : Non-Linear Optical Properties of Colorants – Computational Approach

**Prof. Dr. Edamana Prasad**

Department of Chemistry, Indian Institute of Technology, Madras

Topic: Light Emitting Gels and Their Applications

**Dr. Pradeep P. N. Syamala**

Department of Chemistry, University of Wuerzburg, Germany

Topic: Supramolecular Chemistry: From Molecules to Functional Materials

**Dr. Vineeth Vijayan**

Department of Material Science and Engineering Center for Nanoscale Materials and Biointegration University of Alabama at Birmingham, United States

Topic: Polymeric Biomaterials and Plasma Surface Modification

Most teachers and students worldwide often have little chance to meet Nobel Laureates, let alone the opportunity to interact with them. In such a situation, Department of Chemistry and Polymer Chemistry took an innovative initiative to evolve a platform for teachers and students to interact with a Nobel laureate. For this, an emerging field of indisputable current relevance in the pandemic era, Computational and materials chemistry and the Nobel Laureate in Chemistry in the year 1987, Prof. Jean- Marie Lehn was invited and he had inaugurated the international conference Emerging trends in Computational and materials Chemistry (ICMMR – 20) and delivered the key note address. He had interacted with the students and had a mutual exchange of ideas. He clarified the doubts of the participants. He also answered the questions raised by the participants. The session was very inspiring and informative.

## 13. Inspiring Innovation through Creative Thinking

(IICT)

**An innovative approach to spread and inculcate**

**National integration – Department of Economics**

*Deena*

**PRINCIPAL**  
**K.S.M.D.B COLLEGE**  
**SASTHAMCOTTA**

Organization of important national/international days are spreading general awareness, nurturing the talents and inculcating innovative ideas of National integration among the students. In this stance, c. Department of Economics set up a new innovative model by making youtube video by a student on the particular day of observance both national and international.

## Food Hazards and its Safety

Date : 07/06/2021

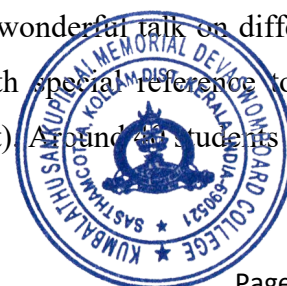

### Brief Report

The food safety was a topic of high concern especially during the pandemic to reach a better understanding of the particularities that led to greater care with food hygiene. There were many efforts to aware the people of our country about the safer foods, the techniques for ensuring quality etc. In this context, The Department of Food Science and Technology has organised a webinar on with **Prof. Beena Cherian, Dean -School of Bioscience, MACFAST, Thiruvalla** as resource person on 7th June 2021, Monday between 3 pm to 5 pm through the Google meet platform. The lecture was organised as part of World Food Safety Day 2021. Dr. Rathika G.Nath, Assistant Professor and Head in charge, Department of B.Voc. chaired the session and proposed the welcome address. Jobin S., Assistant Professor, introduced the resource person of the webinar. **Prof. Beena Cherian** delivered a lecture on the topic '**Food Hazards and its Safety**'. She gave a wonderful talk on different types of hazards, its sources and control measures on food with special reference to the importance of HACCP (Hazard Analysis and Critical Control Point). Around 43 students from

At the end of the webinar, Sreekutty M.B., Lecturer , B.Voc. FPM proposed the vote of thanks for the webinar.

## Brief Report

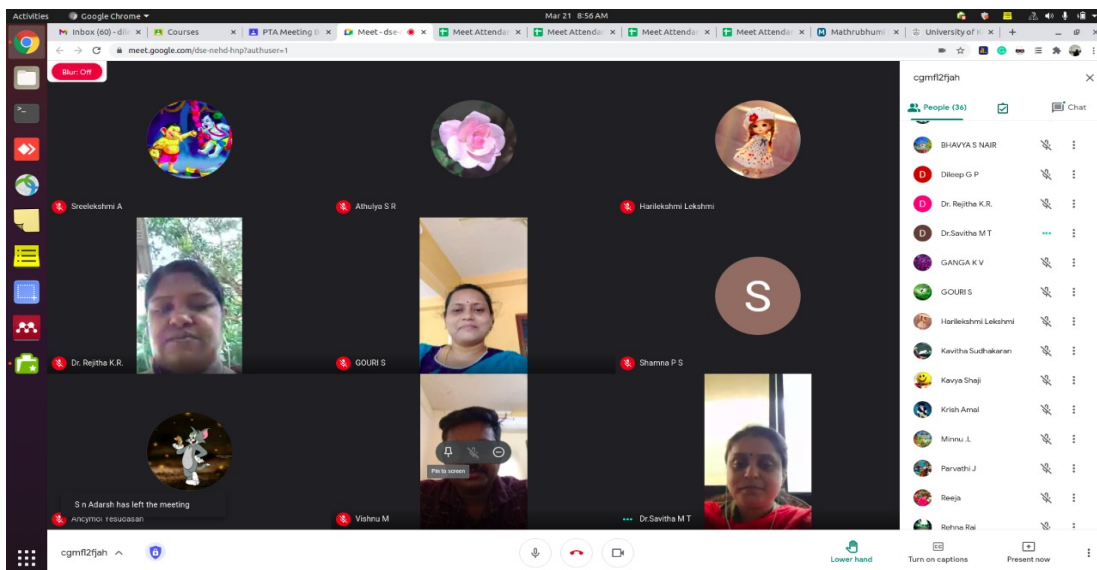

As part of the *International Pi Day celebration*, the Department of Mathematics, KSMDDB College, Sasthamcotta, conducted a special invited talk on Conformal Mapping. Conformal mapping has many applications in different physical situations like if the function satisfies harmonic equation and Laplace equation  $\Delta^2 f$ , then the transformation of these functions through conformal mapping is also harmonic. In this talk he presented a brief introduction and the types of conformal mapping. With the help of this theory and its

10.30 AM

## Brief Report

Science Club in association with Department of Chemistry observed 'World Ozone Day-2020' on 19th September 2020, in connection with the 'International Day for Preservation of Ozone Layer – 2020 Celebrations', on the focal theme 'Ozone for Life'. Online webinar and Oral presentations were conducted as a part of the celebrations. A total of 120 students participated in the celebration. Webinar starts at 10.30 AM. The welcome address was proposed by Dr. Binusreejayan, Convenor, Science Club and the function was inaugurated by Dr. K. S. Anil Kumar, Principal, K. S. M. D. B. College Sasthamcotta. The

*Deena*

**SASTHAMCOTTA**

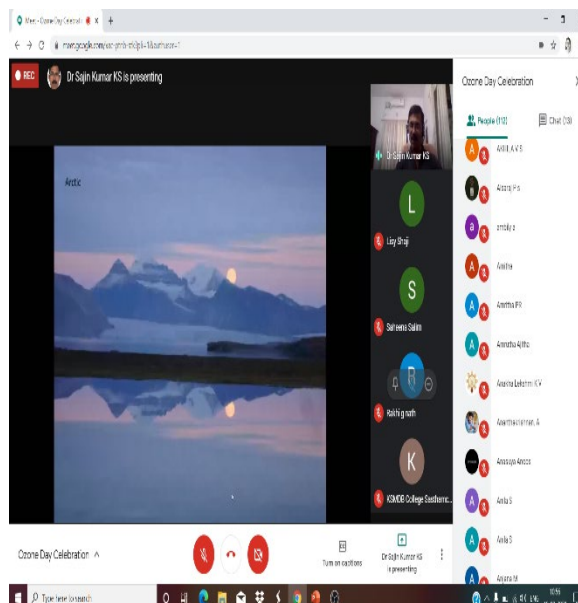

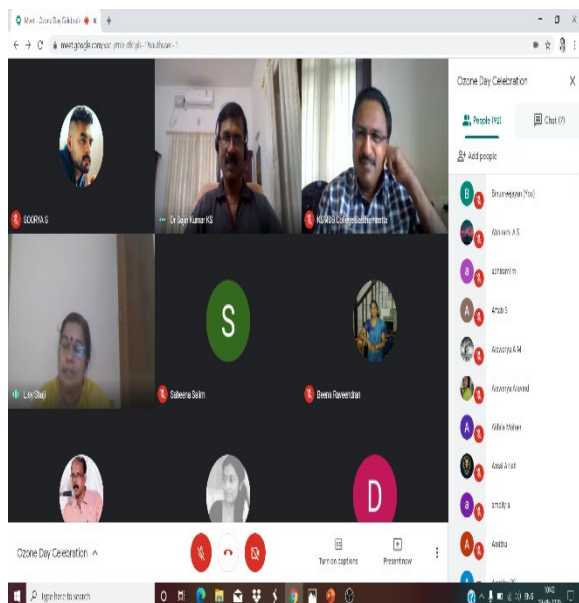

function was presided by K. Lisy, HOD, Chemistry. This was followed by a scientific talk by **Dr. SajinKumar K. S., Assistant Professor Geology, University of Kerala** on 'Ozone for Life'. He discussed on various topics related to ozone depletion and reclamation. After the webinar, online power point presentation competition was also conducted as a part of the celebrations. Six UG students from different departments of our college participated on various topics related to ozone.

Sl. No.	Name of Student	Title of paper Presented
1	Chaithra R. S.S5 Zoology	Effects of Ozone Layer Depletion
2	Arya B. S., S5 Zoology	Ozone Layer Depletion
3	Arunya Thulasi A., S5 Zoology	Ozone for Life
4	Anandhu O., S3 Mathematics	Why Ozone Day?
5	Remya R., S5 Polymer Chemistry	Ozone
6	Arjun M., S3 Polymer Chemistry	Why a Day for Ozone?

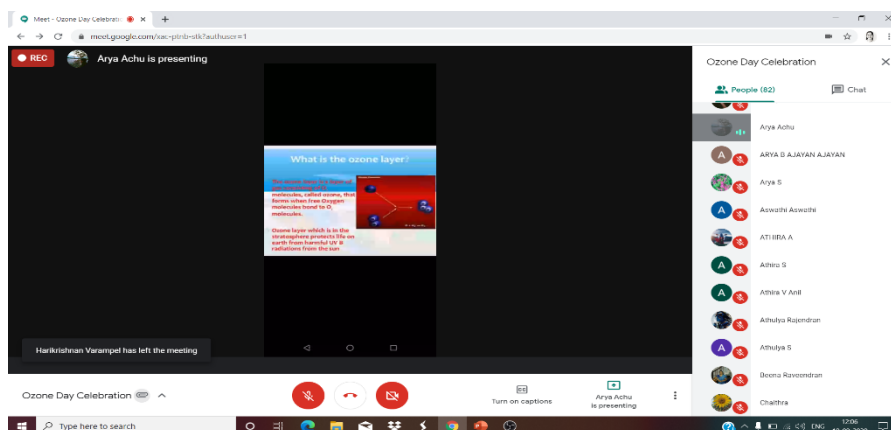

All the participants were awarded certificate of appreciation. The programme concluded by a vote of thanks proposed by Dr. Shemeena Basheer, Faculty Member, Science Club. The programme concluded at 1.00 pm.

## Brief Report

Health Education club, in association with the Dept of zoology organized a Webinar (Google Meet) on **Life style diseases** at 8pm on 30th July 2020. Dr. Mini Chandran C, Head, Department of Zoology and Member, Health Education Club welcomed the participants. Dr. K.S.Anilkumar, Principal of the college inaugurated the function. The session was handled by **Dr. Jayant Thomas Mathew. MD, DM, FRCP; Member, IMA Former Professor of Nephrology, AIMS, Thrissur., Senior Consultant Nephrologist, Modern Hospital, Kodungallur.** It was a very informative session. He explained the things in a Layman's language and was very useful to all the participants. Dr. Manju M., Convener, Health Education Club proposed the vote of thanks. The webinar ended at 9.30pm.

## National Science Day Celebration- SASTHRA 2020

**Date : 21/02/2020 to 26/02/2020**

## Brief Report

Science Club of KSMDBC, Sasthamcotta, Kollam celebrated “**National Science Day - 2020**” from **February 21- 26 , 2020** as a mark of respect to the most Eminent Scientist of India and the World, Dr. C.V. Raman. The whole event was **sponsored by Kerala State Council for Science, Technology & Environment (KSCSTE) and supported by The Department of Science & Technology, Government of India.** The theme of “National Science Day” for this year was “**Women in Science**”. National Science Day Celebration -2020 was officially

**PRINCIPAL**  
**K.S.M.D.B COLLEGE**  
**SASTHAMCOTTA**

inaugurated on 25<sup>th</sup> February at Digital Seminar Hall, KSMDBCollege, Sasthamcotta. Dr. C. Unnikrishnan (Principal, KSMDBC, Sasthamcotta) presided over the function. The programme is inaugurated by **Dr. R. Raveendran, UGC Emeritus Fellow & Retired Principal, SN Colleges** and he gave a talk on the topic “Why the Theme- Women in Science?” **Dr. P.P. Lizymol** (conferred with the **Nari Shakti Puraskar 2017**), Scientist-F & in charge, Division of Dental Products, Sree Chitra Tirunal Institute for Medical Sciences and Technology, Trivandrum was the chief guest of the inaugural session. Later she gave a talk on the topic ‘Polymers for Medical Applications’.

Prof (Dr.) K.P.Sudheer  
Executive Vice President  
KSCSTE, Pattom

Lr. No. C-35/NSD/2020/KSCSTE  
Sir/Madam,

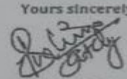

Sub:- KSCSTE - National Science Day 2020- Celebrations - reg.  
Ref:- File No. KSCSTE/1007/2019-NSD

With reference to your proposal, I am happy to inform that KSCSTE has approved to offer financial assistance of ₹12000/- for organizing the National Science Day (NSD) 2020 celebrations, subject to the following conditions.

1. Programme schedule should be sent to KSCSTE well in advance.
2. Activities should be based on the focal theme: “Women In Science”, Eminent speakers/ experts may be invited to handle the sessions organized in connection with the programme and at least one among them shall be a woman.
3. Though February 28 is observed as National Science Day, the activities in your institution may be organized on any convenient date in the month of February, but on or before February 28, 2020. The activities organized after February 28, 2020 will not be considered for financial assistance.
4. Green protocol shall be followed during the programme and non-plastic material should be used for printing banners and other materials.
5. Each activity should be documented. Detailed report on the various activities organized in connection with NSD - 2020 along with captioned photographs should be submitted to KSCSTE. (A format for report preparation will be uploaded in the KSCSTE website)
6. KSCSTE should be duly acknowledged in the programme and it should be written in all the brochures, banners, participation certificates, publicity materials, etc. *‘Sponsored by Kerala State Council for Science, Technology and Environment’ and supported by ‘Department of Science & Technology, Govt. of India’*. Participation certificates shall be given to all attendees of the programme.
7. The financial assistance may be utilized to cover the expenditure on organizing expenses, publicity materials, travel expenses, honoraria for resource persons and refreshment. Utilization of the grant for any other purpose other than the approved heads shall not be entertained.
8. The co-ordinator of the selected programme shall forward the Terms and Conditions signed by the Head of the Institution within two weeks of receipt of the sanction letter.
9. On successful completion of the programme, the Head of the Institution should forward the following documents to The Director, KSCSTE - Final report on the organized programme in the prescribed format with necessary photographs, audited Statement of Expenditure and Utilization Certificate in the standard format available in the KSCSTE website. Soft copy of the report and scanned copy of SE,UC shall be forwarded to sed.kscste@kerala.gov.in
10. The financial assistance will be disbursed to the Head of the Institution, only after the successful conduct of the programme, subject to the submission of satisfactory report and financial statements.
11. The required documents mentioned above should reach this office as early as possible after the conduct of the programme. However, the documents received after April 30, 2020 will not be entertained for release of payment and such request will be summarily rejected.

Kindly refer the Letter No and File No. in all future correspondence.  
Name of the Programme Co-ordinator: Dr. Binusreejayan

Thanking you,

Yours sincerely  
  
K P Sudheer

### Brief Report

K.S.M.D.B.College, Sasthamcotta, being the only Higher Education Institution situated on the peninsular area surrounded by the only fresh water residing Ramsar site of Kerala, Sasthamcotta Fresh Water lake, has its role to actively participate in the preservation of this drinking water source of more than half a million people of the district of Kollam. With this objective a proposal was submitted for funding from **KSCSTE, Thiruvananthapuram** for the observance of World Wetland Day Celebration by Dr. A.P. Meera, Convener, Science Club. After perusal of the proposal an amount of Rs.19,000.00 ( Rupees Nineteen Thousand only) was sanctioned from Kerala State Council for Science, Technology and Environment (KSCSTE), Govt. of Kerala. The World Wetland Day-2019 programme was conducted on 5th and 6th February 2019 at Digital Seminar Hall, K.S.M.D.B College, Sasthamcotta. The programme titled **'SAVE WETLANDS, SAVE YOURSELF'** was jointly organized by

*Meera A.P.*

**PRINCIPAL**  
**K.S.M.D.B. COLLEGE**  
**SASTHAMCOTTA**

Department of Chemistry and Polymer Chemistry and Science Club of the college with the cooperation and involvement of local governing body.

On 5th February, poster and oral presentation contests were conducted based on the focal theme '**Wetlands and Climate Change**'. There was very active participation from the students. On 6th February, the inaugural function began with the welcome address by Prof. P.K Reji, HOD, Chemistry. He explained about the importance of wetlands and their vital functions, values and services. The programme was inaugurated by **Sri I Noushad, the President, Sasthamcotta Grama Panchayat**. In his inaugural speech, he mentioned about the steps taken by the Government for the protection of Sasthamcotta Lake. He also distributed prizes to the winners.

**Sri. K. Karunakara Pillai, Chairman, Sasthamcotta Lake Protection Council** was honoured at the function for his dedication and tireless activities rendered to protect Sasthamcotta Lake. In the felicitation speech, Sri. K. Karunakara Pillai explained the challenges and troubles he had when he protested against the lake exploitation.

Sri. Dileep, S., Member, Sasthamcotta Grama Panchayat stressed on the necessary actions to be taken to conserve the depleting freshwater lake, which provides drinking water to Kollam Town and nearby panchayats. This was followed by felicitation by faculty members of the departments. Dr. Preetha G. Prasad, Asst. Professor, Dept. of Chemistry delivered the vote of thanks. This was followed by the Technical Session. **Dr. Renjan Mathew Varghese, State Director, World Wide Fund for Nature-India (WWF-India)** delivered an invited lecture on the topic '**Our Wetlands: Valued or Wasted?**'. The talk was very relevant and useful for the students and improved their knowledge about wetlands. There was very active participation from the students and good interaction with the resource person.

Sir/Madam,  
Sub: Financial Assistance for Wetland Day 2019 programme-reg  
Ref: Your application dated 27.11.2018.

Please refer your application for financial support for organizing World Wetland Day 2019 programmes. The KSCSTE has examined the proposal and an amount of **Rs.19,000/- (Rupees Nineteen Thousand only)** is sanctioned towards the conduct of the programme subject to following conditions.

- The number of participants in the programme should be ensured as per the proposal. All the programmes as per the proposal should be organized.
- The selected agencies shall inform the exact programmes details to the Coordinator, WTU, KSCSTE, Sasthra Bhavan, Pattom, Thiruvananthapuram by post or by email to [coordinatorwtu@gmail.com](mailto:coordinatorwtu@gmail.com) before the date of the programme.
- All programmes shall be conducted on 2<sup>nd</sup> February 2019 or within a week or before week. Extension of dates will not be considered.
- KSCSTE should be duly acknowledged in the programme and "Supported by Kerala State Council for Science, Technology and Environment" should be written in all the brochures, banners (Only cloth banner to be used), other publicity materials etc.
- Each activity should be documented and detailed report should be sent to Council with captioned photographs (Hard copy) highlighting the impact and suggesting follow up activity. A soft copy of the Report, UC & SE in pdf format shall also be forwarded to [coordinatorwtu@gmail.com](mailto:coordinatorwtu@gmail.com)
- The expenditure towards refreshment, food etc shall not exceed 20% of the co-sponsorship from KSCSTE. Maximum honorarium per expert shall be Rs. 2000/- per day.
- No expenditure incurred towards travel for conducting field visit will be provided by KSCSTE.
- The financial assistance will be disbursed through net banking\* to the Head of the Institution, only after the successful conduct of the programme, subject to the submission of Activity Report, Statement of expenditure (SE) and Utilisation certificate in KSCSTE format. The format can be downloaded from the website [www.kscste.kerala.gov.in](http://www.kscste.kerala.gov.in). The aided colleges/NGOs shall submit audited UC and SE.
- Reports, SE, UC received after one month (latest by 8<sup>th</sup> March 2019) of conduct of the programme will not be considered for financial assistance.

Yours faithfully

(Dr. P. Harinarayanan)

\*Those who have not submitted the Electronic clearing Service facility form shall submit the same along with UC & SE.

Dear Sir/Madam,

The Department of Economics, KSMD College, Sasthamcotta invites you to take part in the **Inter- Collegiate Paper Presentation Competition christened WITHAM-2020 and Inauguration of Economics Association on 29th January 2020**. WITAM is a series of Seminars and Inter Collegiate paper presentation competitions/Quiz competitions conducted by the students of the Department of Economics every year.

Economics is one of the main subjects taught in the college from the date of its inception in 1964. The undergraduate studies in Economics were introduced in 1967. The Department was upgraded to the P.G. Department in the year 1981 and has a good track record of providing quality education with social commitment to determined aspirants. The Department is crossing a milestone in its growth-the Golden Jubilee of the Department is being celebrated; enriched with academically meaningful activities.

It would be a great honour for us if you make it convenient to attend the programme. Your esteemed presence and whole-hearted co-operation is earnestly solicited. The details of the programme are appended here with.

## 16. Bodhi National Seminar

The Annual National Interdisciplinary Seminar Series- Bodhi, which was started in the year 2007 is a major initiative of the College Authorities and is considered as a milestone in the history of the college. The seminar, which assures significance at higher levels of epistemology, provides a platform for the confluence of updated knowledge in various disciplines. The seminar series remains as a unique forum for the exchange of new ideas and information on various faculties for both the novice and the experts.

### Bodhi 2020

	<p>Dear friends, Pledging fidelity to the practical wisdom that this college has acquired through almost more than half a century of service to the society around, we are going to witness another sequel to the longstanding tradition of conducting BODHI, a National level interdisciplinary Seminar series. The seminar, which assures significance at higher levels of epistemology, provides a platform for the confluence of updated knowledge in various disciplines. It is a unique forum for the exchange of new ideas and information on various faculties for both the novice and experts. The different faculties of the college will host sessions on topics of common interest. Eminent professors and scholars from within the state and other states will share their views on various topics. There shall be different sessions by the faculties of Arts, Science, Humanities etc. and by forums like NSS, NCC, Womens Study Centre too. Each session will have key papers by eminent resources persons. The key papers will be supported by papers presented by teachers, research scholars and students.</p> <p>BODHI-2020 will be inaugurated by Dr. C.T. Aravinda Kumar (Pro-Vice Chancellor, MG University, Kottayam) in the college Seminar Hall on 17.02.2020 at 10.00am. The inaugural session will be presided over by Dr. C. Unnikrishnan, Principal KSMDB College. Prof. V. Karthikeyan Nair, Director, Kerala Bhasha Institute will deliver the keynote address.</p> <p>The valedictory session will be held on 02.03.2020. Shri. G. Sureshwaran, Honble Minister for Public Works, Govt. of Kerala will inaugurate the function. Dr. J. Prabhath (Former Pro-Vice Chancellor, University of Kerala) will deliver the keynote address.</p> <p><b>Inauguration</b> <b>17.02.2020 (Monday) 10 am</b> <b>Seminar Hall</b></p> <table border="0"> <tr> <td>Prayer</td> <td>: Dr. N. ## Brief Report

### Inaugural Session 17-02-2020- Monday Forenoon

Bodhi-2020 was inaugurated by **Dr. C.T. Aravinda Kumar, Pro Vice Chancellor of Mahatma Gandhi University, Kottayam** at the college seminar hall on 17-02-2020. The function was presided by the Principal, **Dr. C. Unnikrishnan**. The Welcome speech was delivered by the Convenor of the Seminar, **Dr. N. Sasikumar**. During his Presidential address, **Dr. Unnikrishnan** narrated the evolution and importance of the seminar series.. The Pro-Vice chancellor, **Dr. C. T. Aravinda Kumar**, during his inaugural address, highlighted the importance of interdisciplinary studies and research in the present scenario. The practical challenges for the same was also pointed out by the speaker. He also expressed happiness over the efforts taken up by the college, which is situated in such a remote area towards interdisciplinary studies. The keynote address rendered by **Prof. V. Karthikeyan Nair** was a treat to the audience. He explained with all historical and statistical data, the history and growth of education in Kerala. He expressed his concern about the decreasing language skill of students, especially that in mother tongue. **Shri. R. Arun Kumar** (Syndicate member, University of Kerala), **Dr. T. Madhu** (Staff council Secretary), **Dr. V. Jayasree** (IQAC convenor) and **Mr. Amal Surya** (College Union Chairman) felicitated the event. The official

inauguration ended up with a vote of thanks by Dr. Sreejith A (Joint Convenor- Bodhi: Social Science).

### **First Technical Session- NSS, NCC and Physical Education**

**17-02-2020 Monday Afternoon**

The first session of the interdisciplinary seminar series was the one jointly organised by NSS, NCC and the Department of Physical Education in the afternoon of the inaugural day. Shri. **M.C. Rajilan, Mentor, Research Academy for Creative Excellence**, was the resource person. The topic was **“Sharpen your saw”** and dwelled upon the different approaches to express oneself in interviews, writing CVs, enhancement of soft skills etc. The expert was introduced by Shri. Aathman, Asst Prof and Head, Department of Malayalam and NSS coordinator. The Principal graced the occasion with his full participation. Dr. T. Madhu, NCC Officer and Shri. R. Arun Kumar, Associate Professor, Department of Physical Education felicitated the event.

### **Second Technical Session- Departments of Sciences**

**26-02-2020 Wednesday in College Seminar Hall**

The second session was organised jointly by the six Departments of Science faculties, Botany, Chemistry, Mathematics, Physics, Statistics and Zoology in the College Seminar Hall. The Convenor of the Seminar, Dr. N. Sasikumar, rendered a warm welcome to the gathering. Principal, Dr. C. Unnikrishnan gave an eloquent speech on the need to dispense with Pseudo science and cultivation of scientific temper. Felicitations were made by Smt. Meera S Anand, HOD in charge of Physics Department, Smt. Lisy K., HOD of Chemistry and Dr. Mini Chandran, HOD of Zoology. The Resource person for the day **Dr. Anu Gopinath, Assistant Professor, Kerala University of Fisheries and Ocean Studies, Kochi** was introduced to the audience by Dr. Rathika Nath G, Joint convenor: Bodhi. Dr. Anu Gopinath rendered a brilliant talk on **Methodology in Science**. The talk was highly appreciated by the Students. Presentations by students of science departments were conducted in the afternoon session. 4 students of Botany, 7 students from Chemistry, 4 students from Zoology, students from Statistics, students from Mathematics and 11 students from Physics presented their work.

### **Third Technical Session- Department of Commerce.**

**26-02-2020 Wednesday in Digital Seminar Hall**

A technical session on the topic - **“Relevance of Technology in Banking”** was made by R.Sreekumar, GM, Kerala Bank, Kollam. He discussed about the core concepts of technology enabled banking and its applications, innovative tools used in banking and growth of the
