- Discuss the Unitary and Federal Principles of Indian Government?
- Read the given paragraph and write your interpretation?

It was the strength of the constitutional framework and the democratic foundations laid by the freedom movement which enabled Indian politics to develop a multi party democracy. Ruling parties have often acted in a

partisan manner to silence the opposition and prevent multi party democracy from striking roots. India's experience, was therefore, very different from that of other colonial countries which got freedom around the same time like Indonesia, Pakistan, China, Nigeria and so on.

16. Observe the given graph and

- analyse?
