

HOME SCIENCE SPECIFIC COURSE OUTCOME

PROGRAMME	SUBJECT	CLASS UG/PG	POINTS OF COURSE OUTCOME
P.G.	M.Sc (Home Science) H.D. Ist	Home Science (H.D.)	To develop good faith & skills
P.G.	M.Sc (Home Science) H.D. IInd	Home Science (H.D.)	To enrich depth of knowledge in Home science subject and use qualities & educational qualities
P.G.	M.Sc (Home Science) H.D. IIIrd	Home Science (H.D.)	To provide specific ability in changing environment in home maintain living standard.
P.G.	M.Sc (Home Science) H.D. IIIrd	Home Science (H.D.)	Develops professional ethics for carrier development of in different fields.

HOME SCIENCE - COURSE OUTCOME

PROGRAM ME	CLASS	PAPER TITLE	COMPULSORY/ OPTIONAL	POINTS OF COURSE OUTCOME
M.HS.c (H.D.) Home Science in Human Development	M.Sc (H.Sc.) Semester-I	Early childhood education paper code 0585 code 34113+34114 Cr Ts+p2wk 5+4 911	Compulsory paper all	To outcome this course to gain knowledge to know importance of early childhood care education to know approaches politics & Programmes in E.C.C.E to use integrated approach in the development of daily Programme.
Paper code 911 & Final 912	M.Sc (H.Sc.) Semester-I	Theories of human development 911	Compulsory paper all	Outcome course will paper the students understand & development ability evaluate & use professional career & evolution of human development of human development theory. To see H.D. examine historical evaluation to know various theories of human development
Paper Code 911	M.Sc (H.Sc.) Semester-I	Current trends and issues in human development	Compulsory Paper All	To outcome the current trends course to development sharp perception ,connation emotional control good language use in on life & importance of language good trends life span development staies use skills development use self assessment & good family & selfless human development.
Master of Home Science P.G. M.Sc (H.Sc.) H.D. II Semester	M.Sc (H.Sc.) Semester-II Human Development	Paper No.VI adolescent Psychology	Compulsory Paper Code 911	The outcome of this subject Importance of adolescence period & youth & use development task importance of sexual development sex education roles & responsibilities importance of electronic media & HIV aids & prevention.
		Paper VII Parenting in early childhood	Compulsory Paper Code 911	The outcome of this subject to gain knowledge use its to develop children's skills, techniques treatises & its Programmes & self-awareness in children discover reasonable capabilities, behavior learning social roil and interactions with others.
II Semestr	M.Sc (H.Sc.) H.D. 911	Paper no VIII management and project planning 911	Compulsory Paper code – 911	The outcome of deck time frame plans this subject in students to know the conceptual human management functions. Abilities effect clearing to use knowledge skills & attitude use resources use this knowledge – in industrial use in research, to enable studies to manage resources use goals in various areas in life.

M.HS.c Home Science III Semester	M.Sc (H.Sc.) Semester-III Human Developme nt 912	Paper –IX principles of guidance and counseling 912 III Semester	Compulsory paper 912	Use & outcome this subjects counselors. The rapists and personal life in on life education arrear guidance vocational a qualities development, use in family the us HIV and AIDS counseling & use theory risk behavior.
Science III Semester	M.Sc (H.Sc.) Final 912	Paper –X Advanced study in human development	Compulsory paper 912	Use outcome of this subjects to create awareness. The student's unclear standing. The knowledge life system of India relationships in families use in this subject marital this adjustment and use family level fair measures, to out H.D. intentions in field.
Science III Semester	M.Sc (H.Sc.) Final 912	Paper –X	Compulsory paper 912	The outcome of this subjects current policies, Programme advantage of project method. Use easily Programmes the development awareness of important during the whole life spam.
M.Sc. (Home Scienc) (Master in Home Science)	M.Sc (Home Science) IV Semester	Methods of stuclying Human Development Paper No XIII	Compulsory Course paper	To use this paper outcome in students to understand research methodology in home science research use self concept reversibility development test to life types of tools different types of methods to desktop ability to the research.
Human Developmen t Paper code 912 (Final)	M.Sc (Home Science) IV Semester	Persons with disabilities paper no XIV	Compulsory Course paper	to knowledge use in students. To develop understanding disabilities types emotional sensory intellectual Handicap ,mental retardate importance of normal personality in life guidance personality use in Programme and policy reasons with disability & responsibilities
M.Sc (Home Science) Code 912	M.Sc (Home Science) IV Semester	Paper no XII study of family in society paper code 912 Final	Compulsory Course paper XII	The courses focuses on outcome of student's develop skills interests and develops and achieve well being in on life family society to knowledge family as an component & part of social system as an use dynamic institution use in heath religion life & child reining & process & success.
