Micro Credential

LFS/MCr-0008 : Payment and Transaction Management

Description

The Micro-Credential on Payment and Transaction Management equips participants with the knowledge and skills needed to effectively manage payment transactions in a retail setting. This program provides a comprehensive understanding of various payment methods, processing procedures, and legal compliance requirements. It emphasizes the development of customer service skills, transaction accuracy, and accountability, all while underscoring the importance of privacy and security when handling customer information.
