

INTERNSHIP CERTIFICATE

This certificate is proudly presented to

Mr. Om Rajesh Pawar

For successfully completing 3-month internship as a Cloud Engineering Intern at Verve Global Services Private Limited

During his internship, Om successfully showcased strong designing skills in cloud architecture (CDN) using the AWS platform for the company's premium video streaming service for our client Rocketreels.

He demonstrated a high level of technical expertise and strategic foresight. We commend him for his outstanding performance and valuable contributions during his tenure.

Internship Period - 1st June 2025 to 31st August 2025

Mr. Laxmikant Dayma,
