Q. 2: Let's read and answer the following questions:

It was a Saturday night. The sky was dark, but sparkling as though there were several diamonds sprinkled on it. "Tomorrow is a holiday so we don't need to sleep early," said Alok. Vidya says, "Come let's take a walk in the garden." Magic Potli and the others say, "Sounds like fun!" They hold hands and start walking. They had almost reached the gate when Magic Potli got caught on a branch and felt a sharp pain. "Ouch!" says Magic Potli and it realises that something is not right, so Alok and Vidya check if it is injured and find a hole in Magic Potli. They open it to look inside and find that the letters Jj, Vv, Ww, and Xx have gone missing. All three of them feel very sad for having lost the letters and start looking for the missing letters.

They are walking back to the house looking for the lost letters when suddenly, Alok hears a sound "BOOM!" and wonders what created that sound. He slowly approaches the sound coming from the cupboard.
