## USER GUIDE

---

---

### PURPLETREE CATEGORY PRODUCT BASED SHIPPING

---

Using this extension, Admin can be managing shipping on order.

#### **Admin Features**

- Set shipping charge on all products in an order
- Set shipping charge on product
- Set shipping charge on category

---

## INSTALLATION

---

#### **Important**

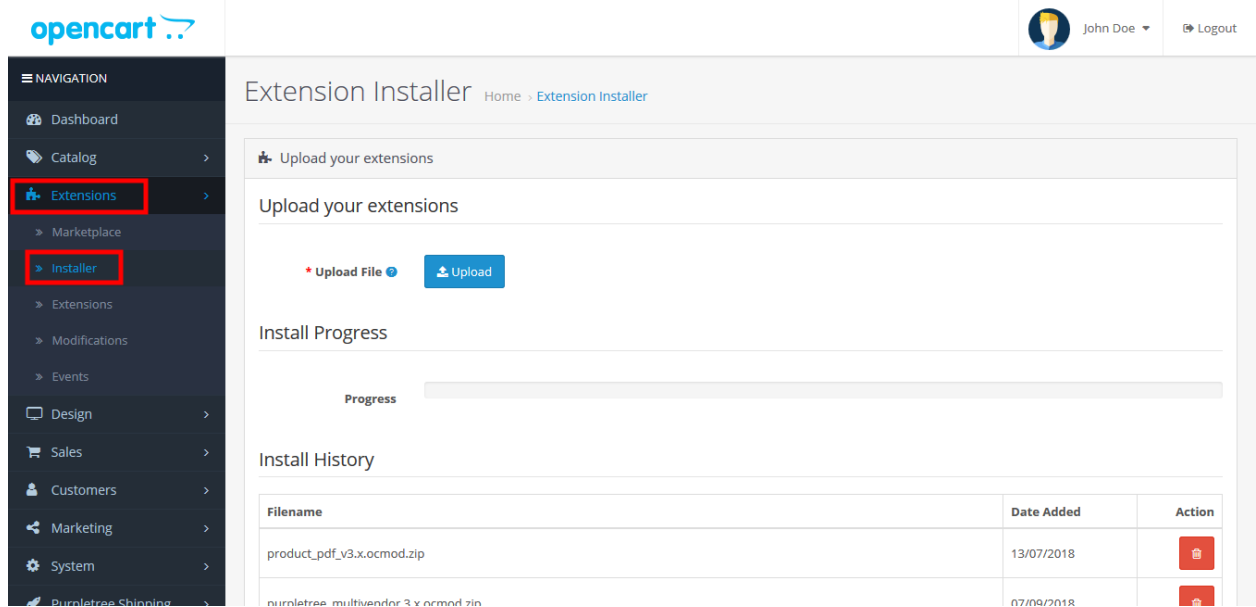

Before installation, make sure the OpenCart Extension Installer is correctly configured, especially the FTP settings, including the FTP Root. See <http://docs.opencart.com/extension/installer> for more details.

---

### INSTALLATION FOR OPENCART VERSION 3.X

---

1. Go to “Extensions” -> “Installer”.

opencart .7

John Doe | Logout

### Extension Installer

Home > Extension Installer

Upload your extensions

Upload File

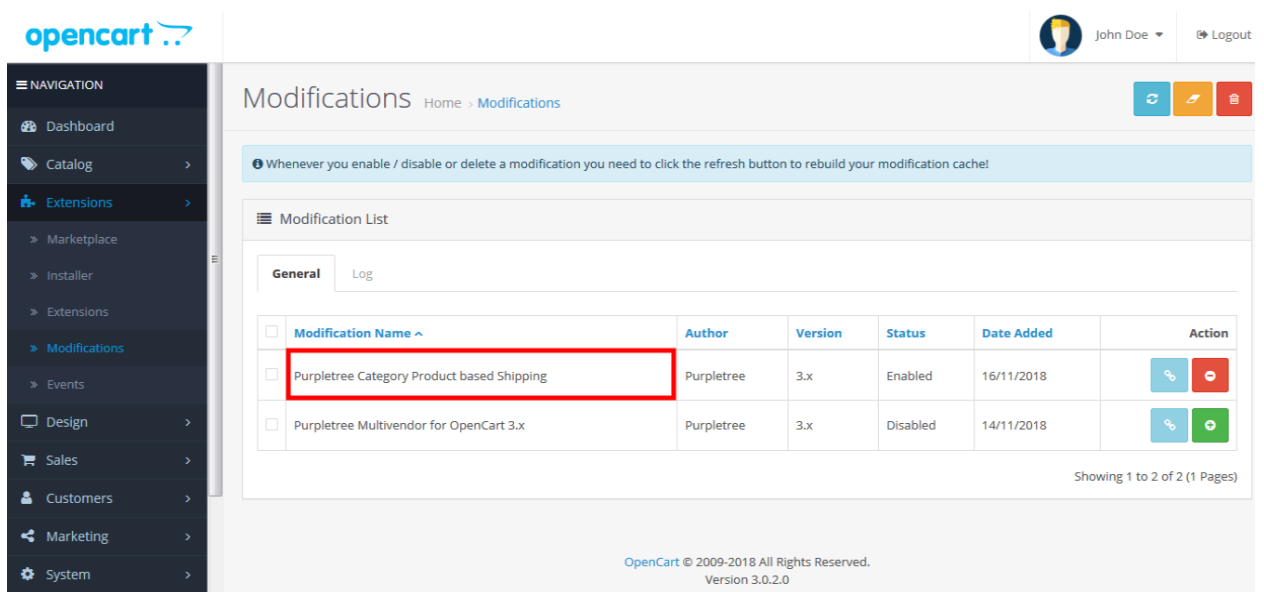

Install Progress

Progress

Install History

Filename	Date Added	Action
product_pdf_v3.x.ocmod.zip	13/07/2018	<input type="button" value=""/>
purpletree_multivendor_3.x.ocmod.zip	07/09/2018	<input type="button" value=""/>

2. Upload the file category-product-based-shipping.ocmod.zip.
3. Go to “Extensions” -> “Modifications”. You should see an entry for this – “Purpletree Category Product based Shipping”.

opencart .7

8. Click on blue EDIT button (shown as 2 above) and enter configuration parameters

The screenshot displays the OpenCart admin interface for configuring the Purpletree Category Shipping extension. The left sidebar shows the navigation menu with 'Extensions' selected. The main content area is titled 'Purpletree Category Shipping' and contains the following configuration options:

- Status: Enabled (highlighted with a red box)
- Get License button (highlighted with a red box)
- Sort Order: Sort Order
- Shipping Type: Product-wise (highlighted with a red box)
- Shipping Charge Type: Flat rate shipping (highlighted with a red box)
- Shipping Charge: 10 (highlighted with a red box)

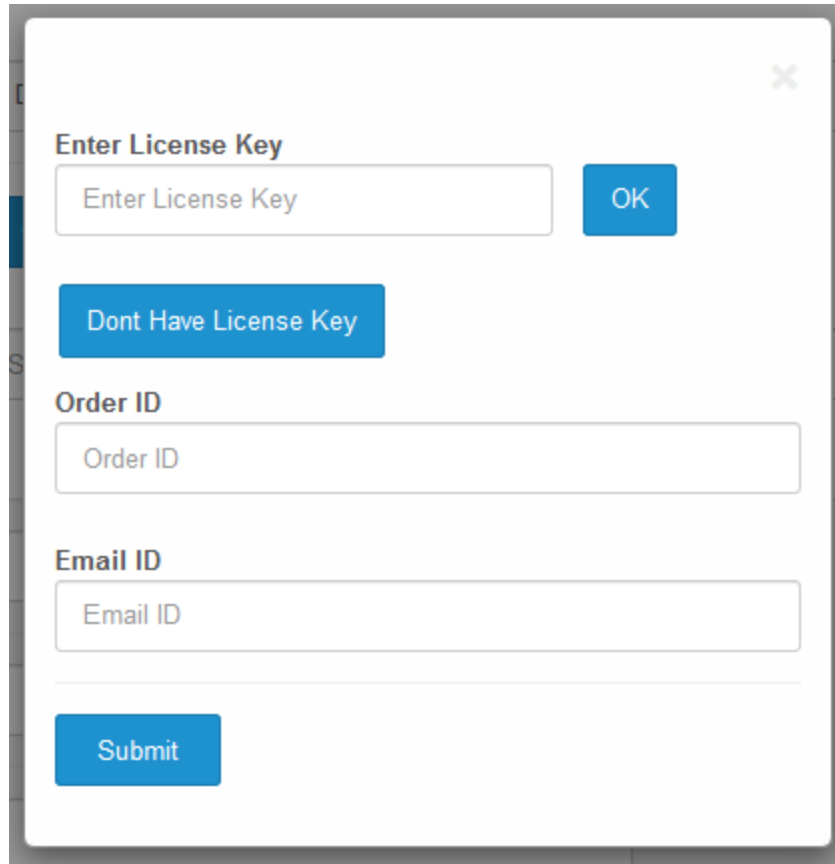

The footer of the page reads: OpenCart © 2009-2018 All Rights Reserved. Version 3.0.2.0

- Enable the shipping.
- Enter License key – *This key is provided when you purchase the extension.*

Or

- Click on “Don’t Have License Key” button. Enter your Order ID which was generated when you placed an order for our extension and “Email ID”. Click on Submit Button and your license key will be filled on License key field.

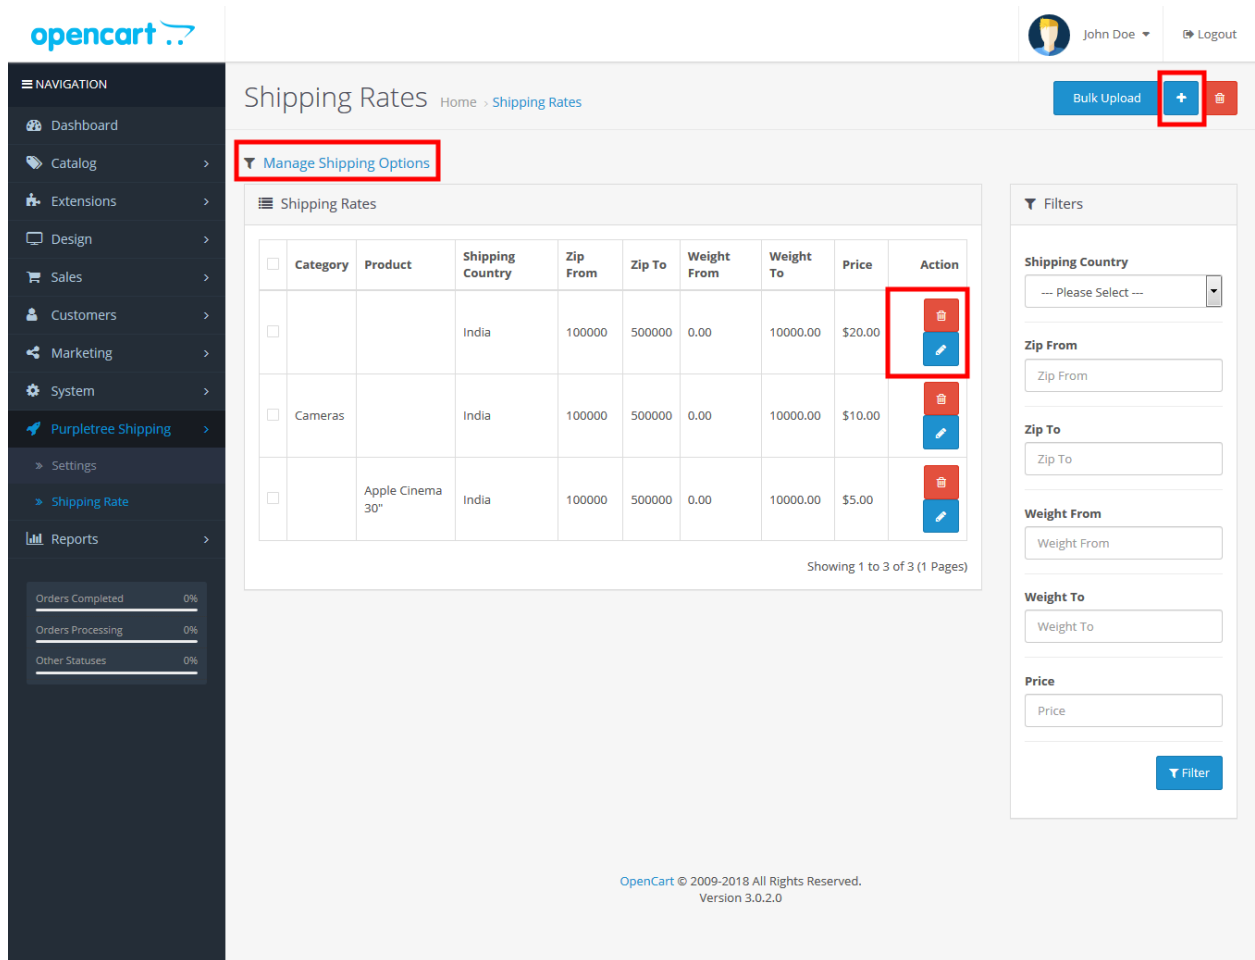

The screenshot shows a modal window titled "Enter License Key" with a close button (X) in the top right corner. It contains the following elements:

- An input field labeled "Enter License Key" with a placeholder text "Enter License Key".
- An "OK" button to the right of the input field.
- A "Dont Have License Key" button below the input field.
- An "Order ID" label above an input field with a placeholder "Order ID".
- An "Email ID" label above an input field with a placeholder "Email ID".
- A "Submit" button at the bottom left.

- **Shipping Type**
  - **Product-wise** :In this type shipping rate will be applied on order per product means if 3 admin products are added in cart, then shipping rate multiple by 3 will be applied to cart.
  - **Order-wise**: In this type shipping rate will be applied per Order based if 3 admin products are added in cart, then single shipping rate will be applied to cart.
- **Shipping Charge Type**
  - **Flat Rate Shipping**: This is traditional Shipping method, means shipping charge which is chosen, will be applied to cart according to shipping Type defined.
  - **Advanced Shipping**: This shipping charge will calculate from Shipping rates defined for each products and category. If No shipping charge is found even for 1 or more products in cart, then customer will not be able to checkout using Purpletree Category Product based Shipping Method. Before using this shipping method make sure all shipping rates are defined as explained in next section of this Document

- **Flexible Shipping:** In this, when customer try to checkout products, first for each product and category /order it will look for shipping charge from Shipping Rates. If not found then **Flat Shipping charge** will be applied.
- **Shipping Charge:** This Shipping charge will be used for Flat rate Shipping and Flexible shipping for Products.

## DEFINING SHIPPING RATES FROM ADMIN PANEL

- Login to admin Panel > Purpletree Shipping > Shipping Rates.
- From here admin can view list of shipping rates which will be applied to order.
- Admin can also go to global settings of Purpletree Category shipping from here by click **Manage Shipping Options** Link on top.
- Shipping Rates can be add, edit and delete.

The screenshot shows the OpenCart admin interface. The top navigation bar includes the OpenCart logo, a user profile for John Doe, and a Logout link. The left sidebar contains a navigation menu with 'Purpletree Shipping' and 'Shipping Rate' highlighted in red. The main content area is titled 'Shipping Rates' and features a red-bordered button labeled 'Add Shipping Rate'. Below this button is a form with the following fields:

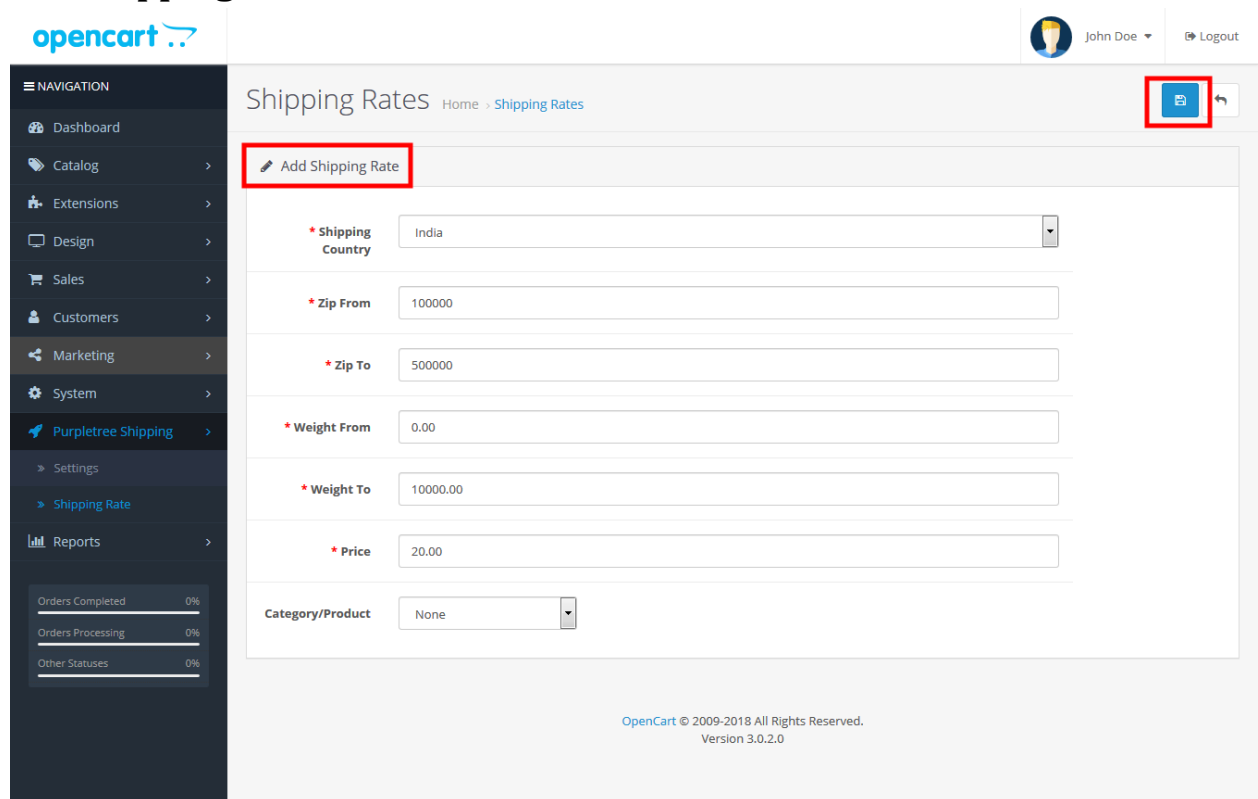

- \* Shipping Country:** A dropdown menu with the text '--- Please Select ---'.
- \* Zip From:** A text input field containing 'Zip From'.
- \* Zip To:** A text input field containing 'Zip To'.
- \* Weight From:** A text input field containing 'Weight From'.
- \* Weight To:** A text input field containing 'Weight To'.
- \* Price:** A text input field containing 'Price'.
- Category/Product:** A dropdown menu with the text 'None'.

At the bottom of the page, the footer text reads: 'OpenCart © 2009-2018 All Rights Reserved. Version 3.0.2.0'.

- Click on Add new from top right.
- Admin can assign shipping Rate to any product and category or both.
- Select Country from dropdown list.
- Enter **Zip From** and **Zip To** Range.
- If Zip code is not numeric then **Zip From** and **Zip To** must be same to enable this shipping rate.
- Enter **Weight From** and **Weight To** Range.
- **Weight To** must be greater than **Weight from**, but both can be set to 0 if not known.

- Enter **Price** to be applied for this condition. This is the shipping rate.
- Select category / product
  - If select **category** then select category from right category dropdown and shipping price apply for selected category.
  - If select **product** then select product from right product dropdown and shipping price apply for selected product .
  - If select **None** then shipping price apply for all.
