Whenever you enable / disable or delete a modification you need to click the refresh button to rebuild your modification cache!

Modification List

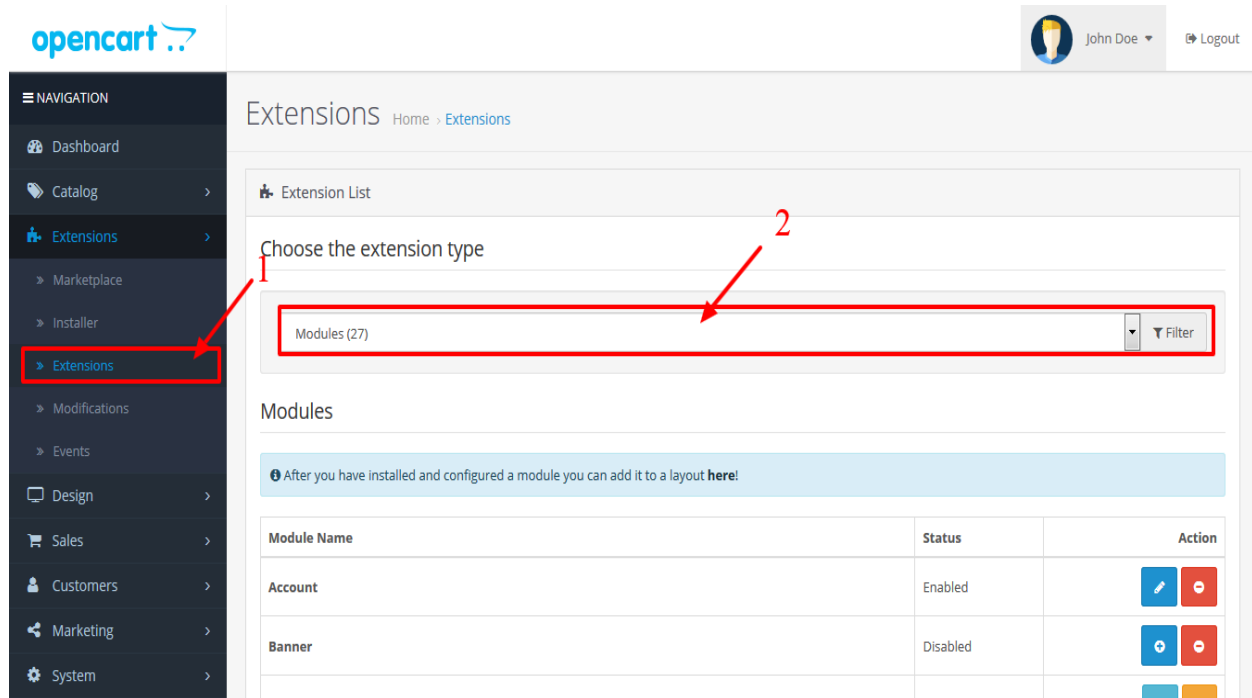

General Log

<input type="checkbox"/>	Modification Name ^	Author	Version	Status	Date Added	Action
<input type="checkbox"/>	Purpletree Option Images & Color Swatches	Purpletree	3.x	Enabled	12/03/2019	 

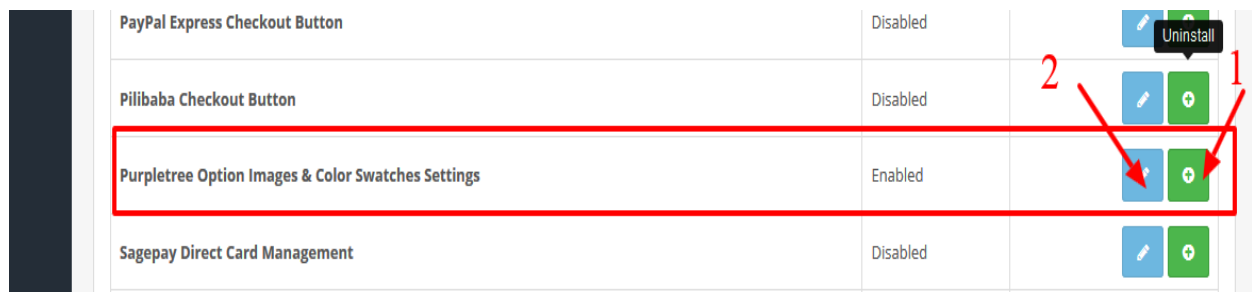

Showing 1 to 1 of 1 (1 Pages)

OpenCart © 2009-2019 All Rights Reserved.
Version 3.0.2.0

Click on the Refresh button, on top right of the page, as shown above.

Now go to 'Extensions-> Extensions' and select 'Module'. Check for the 'Purpletree Option Image and color swatches settings'.

Now, Click on Green button (shown as 1 above) to install the module. Now we need to give Permission for the module to Administrators.

Go to “System -> Users -> User Group > Edit Administrator” as shown below.

The screenshot displays the OpenCart 3.0.2.0 admin interface. On the left, the sidebar menu includes 'Sales', 'Customers', 'Marketing', 'System', 'Settings', 'Users', 'User Groups', 'API', 'Localisation', 'Maintenance', and 'Reports'. The 'System', 'Users', and 'User Groups' items are highlighted with red boxes and arrows. The main content area is titled 'User Groups' and shows a table with the following data:

<input type="checkbox"/>	User Group Name ^	Action
<input type="checkbox"/>	Administrator	<input type="button" value="Edit"/>
<input type="checkbox"/>	Demonstration	<input type="button" value="Edit"/>

The 'Administrator' row's 'Action' column contains a blue square button with a white pencil icon, which is highlighted with a red box and an arrow. The footer of the page indicates 'OpenCart © 2009-2019 All Rights Reserved. Version 3.0.2.0'.

Set access and modify permissions for all Purpletree Option image and color swatches, like

1. extension/module/pts_color_swatches.

Color swatches will be visible when **“use color swatches option”** is set **“Yes”** in admin side and set color by color picker otherwise will be visible like before.

If you click on color then you will see change Image in main product image. Changed image will come from product option image.

If **“Use color switches”** set **“No”** then option will be visible like before. If you have saved option image in option then you will see option image on product page.

If admin has set option image in product option then you will see image on click. Admin can set option image only **“radio”** and **“select”** option.

Note- Default option Image will not come on main product image. If you want to change image on click on option then you have to add image as explain above. After that you will see change image on main product image.

If admin has set option image on **“select”** type then you will be see main product image on change option. Change image functionality will work only radio button, color swatches and select option.

you should have to click on **“ Add to cart”** after that you will see following mini cart page.

The screenshot shows a web store interface. At the top, there's a navigation bar with links for Currency, My Account, Wish List, Shopping Cart, and Checkout. Below this is a search bar and a shopping cart icon showing 1 item for \$134.00. The main content area features a product page for an iPhone. A success message states: "Success: You have added iPhone to your shopping cart!". The product image shows a person wearing a white t-shirt. Below the image are several smaller images of different iPhone models. A mini cart overlay is visible on the right side of the screen, showing the iPhone product details, including the price (\$134.00) and a sub-total of \$134.00. The mini cart also displays a table with the following data:

Sub-Total	\$134.00
Total	\$134.00

Below the table, there are links for "View Cart" and "Checkout". The product details for the iPhone include the brand "Apple", product code "product 11", and availability "In Stock". The price is listed as \$101.00, with an additional tax of \$101.00. Under the "Available Options" section, there is a "CLOTH" option with a sub-total of \$11.00.

After that you should click on “**View Cart**” Link. You will see checkout cart page.
