MAYAPURI, NEW DELHI-110064

Classes II to V

NEPS/PAR.CIR./2019-20/ 53

31.03.2020

Dear Parent,

The new academic session was to begin on 1st April, 2020. However, as per the directive of the Government, the school will not be opening for the next few days. The school is going to begin online classes for students of classes II - V in an effort to ensure that the curriculum is transacted in a timely manner and students stay focused on academic work for a few hours each day. Please download the Zoom App on your computer (laptop/ desktop) or mobile phone. The basic steps for downloading the app are:

1. Open Play store on your mobile phone and on the search bar, type Zoom App free download.
2. Click Install to download the app.

The classes will begin from the 2nd of April. We request you to take out time and assist your child in attending these classes through the Zoom app. The class wise schedule is attached. The same schedule will be followed for all days (Monday to Friday). Before each class, the subject teacher will be sending the link to a parent representative who will share the link on the class Whatsapp group. All students will be able to attend the class using this link. We look forward to a fruitful learning experience through these online classes.

Regards
