

**NEW ERA PUBLIC SCHOOL**  
MAYAPURI, NEW DELHI-110064

**NEPS/PAR.CIR./2020-21/09**

**13.04.2020**

Dear Parents

It is with the utmost satisfaction and gratitude that I share with you that the NEPS completes 60 years of its inception today.

During these 60 years there have been lots of ups and downs and many challenges. Each challenge seemed like an immovable mountain. But I can say very proudly that with dedication, devotion to duty and trust in the powers of a universal benevolent God every mountain moved.

Today we face possibly the biggest mountain of our collective lives. It is a pandemic that has gripped the entire world, affecting young, old, rich, poor, white, black, developed countries and under developed countries alike. The only recourse we have is to stay indoors and follow instructions given by our authorities.

Please know that the entire Humanity is praying, working, protecting themselves and their loved ones by staying home.

We shall overcome  
We shall emerge victorious  
We shall rejoice again  
The fear we feel today will be a thing of the past.

At New Era Public School we have always believed in the power of prayer and hard work. All my teachers are working hard to ensure that despite the physical distance, they are able to connect with the children regularly. The curriculum for this academic year is going on in full swing from class I to class XII.

These are financially challenging times as well. We have gone forward with a fee increase after a period of 5 years. I urge each of you to keep in mind that the school is serving the society and helping in the task of nation building by helping shape your children into leaders of tomorrow. We always have, and will always keep your best interests at heart. I urge you to keep the school and all that it stands for in your head and heart at this time in particular.

There will be a dawn to the dark night of these times. And we shall look back and remember how we all stood united during these times. New era stays committed to excellence in education for the next 60 years.

I urge each one of you support us in our endeavour to provide the best education that we can to all our children.

Regards

Usha Chopra  
Founder Principal & Director
