**Assessment Plan – 2020-21**  
**Classes I and II**

Dear Parents,

The assessment plan for the current session (2020-21) has been restructured to suit the prevailing conditions

The year will be divided into two terms as follows:

**Term 1 – 1<sup>st</sup> April to 9<sup>th</sup> October 2020**

**Term 2 – 12<sup>th</sup> October 2020 to 20<sup>th</sup> March 2021**

The children will be continuously assessed on the basis of class activities, responses and assignments from time to time from April to September in the first term and from October to March in the second term.

The focus will be on personal interviews that we will conduct from time to time for each individual child. The purpose of these interviews would be to gauge the learning of the child and identify learning gaps if any rather than grading the child.

These assessments will be taken by the teacher on a regular basis through the year based on the below mentioned subject specific skills.
