

CLASS XII

Dear Parent

Since CBSE has decided to hold the Board Examination in the months of May-June, the school has taken the decision to postpone the Pre-board Examination to March-April so that students prepare vigorously for the Board exams through their Pre-board papers. Conducting Pre-boards in January will create too long a gap between Pre-board and Board Examinations. The date-sheet for Pre-board Examination will be shared later. Grades X and XII will have online classes from 15 th January 2021. These classes will be passive with the subject teachers posting worksheets in the g-classrooms for students to attempt. Students will have only one subject class per day for an hour. Refer to the timetable given below. Attendance and submission of these assignments within the stipulated time is mandatory. In case CBSE asks schools to assess board students internally, these assignments will be given due weightage.

We'd also like to draw your attention to the extension of the current academic session. In such a case attendance may be calculated till the Board Practical Examination gets over. Kindly note that Admit Card is issued to only those students who fulfil the criterion of attendance. Ensure your ward attends the classes from 15 Jan onwards regularly and gets adequate practice for the Board Examination.

ONLINE CLASSES FROM 15 Jan 2021 . Kindly log into your subject classrooms at 9 am on the assigned day.
