Keeping that in mind the school has decided to conduct the final assessments for grades IX and XI in school. Details of timings etc. will be shared later once clear directives are given by the Department of Education. The school will be following the health protocol laid down by DoE/CBSE.

FINAL ASSESSMENT/EXAMINATION CIRCULAR

Grades IX and XI

Dear Parent,

The Department of Education has given permission to schools to call students of Grades IX and XI to school for practical /projects/internal assessment etc from 5th Feb 2021. Keeping that in mind please make a note of the important points given below:

1. **The written assessments will be conducted offline i.e. in the school, for grades IX and XI.**
2. **The Directorate of Education has suggested that three rounds of written examination be conducted in the school. However, the school will conduct only one round of Examination -the Final Examination.** (The date-sheet was shared earlier). This is being done to give an opportunity to the students to genuinely assess themselves this year. Online exams may have been taken seriously by some students but these exams really have little credibility. **Of course, sending of your ward to school will happen only with your consent.** The weightage given to final examination will be the same as was in the preceding years- 50% of the grand total.
3. The school will be following the health protocol laid down by DoE/CBSE. Students will wear mask, carry sanitizer and their stationery items with them. Kindly go through the CIRCULAR/protocol document put out by the Directorate of Education. The same protocol will be followed for students of IX and XI. Covid guide lines too have been uploaded for the students.
4. The final term written assessment will begin from **Friday, 5th March 2021**. The date-sheet was shared earlier and has been uploaded on the website and also on the parent portal along with the Annual Syllabus and Blueprint of the question papers. **The Annual Syllabus merely mentions the chapters. It is understood that deleted portions from a particular chapter will not be part of the syllabus.** Please refer to the Blue print for the weightage of marks for each subject.
5. The timings for the written assessment will be from **8:30 am to 11:45 am**.
 - Reading time will be from 8:30 am – 8:45 am.
 - Writing time 8:45 am to 11:45 am.
 - Students will report to the school at 8:00 am and will be dispersed at 12 pm. Pick and drop will be the responsibility of the parent. Students must be in appropriate school uniform.
6. There will be regular online classes till **Wednesday 3rd March, 2021**. Thursday, 4th March will be a preparatory leave for students. Thereafter, non-evaluation days during examination period will be preparatory leave for students.
7. **Retest of the final term examination will not be conducted under any circumstances.** However, neutralisation of marks will happen in case prior approval for leave has been taken from the school.
8. Report cards will be uploaded on the parent portal on Thursday , 1ST April, 2021 by 2:00 p.m.
9. In addition to uploading of the report cards on the parent portal, **a PTM too will be held in the school on Saturday, 3rd April, 2021, if you so wish to meet the teachers.** The time slots for the same will be shared later.
10. Final examination syllabus, date-sheet, blue prints of question papers have already been uploaded. You can find them on the school website too under the “Downloads” link.
11. **Please ensure that your ward prepares for/writes these examinations with utmost sincerity. Not preparing well will have an impact on his academic performance next year.**

Kindly click on the link and fill the consent form by 12th February 2021- It has two sections-one for the parent and the other for the student.
