

FACE TO FAITH CLUB

Face to Faith is our innovative schools programme for students of classes VI-XII. This programme is active in 19 countries and growing. Face to Faith connects our students worldwide via videoconferences, where students discuss global issues from a variety of faith and belief perspectives. Through Face to Faith, students gain the dialogue skills required to prevent conflict by breaking down religious and cultural stereotypes. The Face to Faith program is unique and far reaching in its potential to promote religious literacy among young people from different nations and religious traditions.
