SESSION 2021-22

TOPIC: PARENTING IN 21ST CENTURY

DATE: SEPTEMBER 11, 2021

ATTENDED BY: Parents & Students

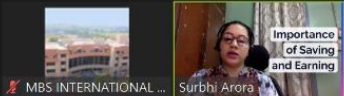

VENUE: Zoom

RESOURCE PERSON: MS. SURBHI ARORA

Being a parent is no less than bliss; however, there can never be a more daunting task than to find a perfect way to parenting. Children learn more from what we are than what we teach. Therefore, it becomes imperative for us as adults to unlearn a few things and learn/acquire many new skills to model the personality we would like our child to be. Quoting Hodding Carter – “Two great things you can give your children: one is roots, the other is wings.”

Aiming to guide the parents on how to be navigate the parenting in these modern times, MBS International School organised a workshop on "Parenting in 21st Century" for parents on September 11, 2021. The workshop was helmed by Ms. Surbhi Arora, a passionate EduArtist who has been working in the field of education from past 12 years.

She spoke about the importance of setting a routine for children and striking the right balance between disciplining a child and giving into his or her emotional needs. A more participative, involved style of parenting will build trusting relationship between the parent, child and the school and will make more secure and mature adults in future. With many questions, doubts and dilemmas being clarified at the workshop, it turned out to be a highly interactive session. The parents shared an encouraging, positive feedback about the workshop and appreciated the school's effort in involving the parents in overall child development.
