Thought for the day

Every now and again we must take a good look at something not made of human hands.

A mountain, a tree, a star, or just the turn of a stream...

There will come to you a great wisdom, patience and solace...

And above all else, the assurance that you are not alone in the world.

By Yashant Singh

It shall be my constant endeavour to realize the ideals of my school, the basic principles of our aptness culture and to conform to the way of life proscribed by it.
