7.	National Anthem	School Choir

REPORT

A special assembly was conducted on February 5, 2018 to sensitize the students about the Anti-Tobacco awareness. The students of class XI B organized the special assembly. 'Thought of the Day' was given by Ms. Simarpreet: "Success in life comes when you simply refuse to give up with goals so strong that obstacles, failure and loss only act as motivation". National, International News and Weather Report were given by Ms. Jasleen. The speech, by Ms. Preeti, included the reasons for tobacco addiction among the teenagers, the biological implications of tobacco use and preventive measures for the same. The Biology teacher enlightened the students by explaining the significance of prevention of smoking among teenagers. Principal Sir addressed the assembly, emphasizing the role of teenagers in bringing out a change in the society regarding tobacco consumption. On being encouraged by the Principal Sir, one of the students of class VIII B shared his views on the practice of smoking in the society and inspired his fellow mates to discourage active as well as passive smoking. Display board was also prepared, highlighting the key issues related to the practice of smoking and tobacco consumption. The assembly ended with the sensitized students and teachers, pledging not to use tobacco in any form and discouraging the use of the same by others.
