

**MBS INTERNATIONAL SCHOOL**  
**WORKSHOP FOR TEACHERS**  
**SESSION 2018-19**

**TOPIC: BRICSMATH.COM**

**DATE: SEPTEMBER 18, 2018**

**ATTENDED BY: MATHS FACULTY (Primary Wing)**

**VENUE: IT LAB 2**

**RESOURCE PERSON: Ms. KSENYA MARETINA**

On 18<sup>th</sup> September 2018 a highly interactive and informative workshop was conducted by Ms. Ksenya Maretina from DRAGONLERAN.IN for the Primary wing Maths Faculty. The workshop was about an international online maths competition “BRICSMATH.COM” for primary students from five countries, Brazil, Russia, India, China and South Africa. BRICMATHS is an excellent platform wherein the students will get an opportunity to show their math proficiency and compete with students from across the globe. The teachers were given complete information about the program and were informed how to register themselves and their students to participate in the competition. The online trial that the teachers were given showed a glimpse of the levels and types of questions that the students would face. The questions were very innovative and the competition would be an educative and fun filled experience for the participants.
