ATTENDED BY: TEACHERS

VENUE: SCHOOL AUDITORIUM

**RESOURCE PERSON: MS BANDITA NATH & MS
MICKEY MEHTA**

In the wake of technological advancements, it becomes imperative to keep pace with the gradually transforming pedagogical tools of teaching. MBS International School believes in espousing the empowerment of teachers with the latest technological advancements and partnered with Microsoft Innovative Educator to imbue in them innovative techniques to make their classroom teaching more interesting. An MIE Workshop was taken by resource persons, Ms. Bandita Nath and Ms. Mickey, MIE trainers with De Pedagogics who apprised the mentors significant ways to amalgamate technology with education. The participants, which included around eighty teachers, also received MIE certification. A techno-learning indeed!
