An enriching briefing session on latest changes in subject and project work was held on 17TH MAY, 2018 in The Indian Heights School, Sector-23, Dwarka. In the first session Mr. T.R Rustogi discussed about latest changes in Classes XI and XII in Economics such as:

1. Micro Economics in class XI and Indian Development Economy in class XII.
2. Marks allotment of Statistics was also discussed as more weightage will be given Numerical part now onwards.
3. Discussed few topics from Macro Economics eg. AD-AS Approach.
4. Board Question Paper pattern was also discussed.

In the second session Prof. Sanjeev gave his valuable views on Project work of Economics such as:

5. Project should not be more than 30 pages.
6. Try to select a topic from syllabus and discuss a current case study of Indian Economy only so that students can easily correlate it.
7. He discussed many current topics related to Economics.

Overall workshop was very good and beneficial for the subject teacher.
