Glimpse of the Workshop

"Creativity involves breaking out of expected patterns in order to look at things in a different way."

Central Board for Secondary Education organized a capacity building workshop for Business Studies for teachers all over Delhi. The event was attended by 60 teachers. The resource persons were reputed teachers and facilitators- Ms. Shivani Nagrathan and Mr. C.N. Jain. The session continued for two days for detailed discussion on over all question paper design, topics deleted from syllabus, modern approach in board examination for Business Studies.

The main objective of this workshop was to implement effective teaching technique during the interaction with the students in the class. Various interesting games and activities were conducted to reinforce the importance of finding happiness, even in trivial matters. Ms. Shivani Nagrathan guided the teachers how to inculcate interest in the students. Adding more ideas in this seminar, the other resource person, an expert in his subject Mr. C.N. Jain. briefed the evaluation system and how to handle examination in a concrete way and for the toppers added some constructive tips for making their writing style more effective in Business Studies.

Both the resource persons cleared all the queries related to the subject. The seminar was highly informative and engrossing.
