SESSION: 2020-21

TOPIC : Experiential Learning & Online Teaching Techniques
DATE : AUGUST 22, 2020
ATTENDED BY : All Teachers
VENUE : Google Meet
RESOURCE PERSON : Ms. Surbhi Arora

“Learning is not attained by chance; it must be sought for with ardour and diligence.”

- Abigail Adams

Creating a safe online classroom which fosters growth of the students and the teachers must always stay top priority. To discuss the same, an online training programme for teachers titled “Experiential Learning & Online Teaching Techniques” was organised by MBS International School, Dwarka on August 22, 2020. The webinar was helmed by Ms. Surbhi Arora, international educator, teacher developer, career coach and an e-learning expert.

This webinar offered practical strategies to help teachers develop various effective teaching skills to be implemented in this quarter of online teaching. The webinar focused on awareness of pro-active planning, a number of learning activities for students. Ms. Surbhi briefed about various online apps, tools and extensions which can be used in e-Classrooms. The webinar was informative and enlightening as it taught the teachers about a number of useful apps and tools to be incorporated in the online classes.
