

## **AWAKENED CITIZENS PROGRAMME**

<b>Venue</b>	:	I.T.L. Public School
<b>Conducted by</b>	:	Class Teachers of VI, VII & VIII
<b>Attended by</b>	:	Students of class VI, VII & VIII

An insightful session of **Awakened Citizen Programme** was conducted for **Classes VI, VII & VIII**. The session emphasized on a detailed approach to develop harmony, compatibility amongst the students and instill in them the awareness to explore universal human possibilities. The programme was designed to enable, inspire and ensure awakened citizens on a global platform. It emphasis on **Unique and Universal possibilities**, strengthening the vast source of power, strength and goodness. With real life examples of Jamsetji Tata, Varghese Kurein, Sarojni Naidu, etc. the students were able to relate to the universal possibilities in creating a vision.

The **Modules** commenced by explaining the meaning of “**Atmashraddha**” and emphasized on “**Developing Atmashraddha**” such as infinite source of power, self-confidence and to believe “**I Can**”. It also laid emphasis on “**Open To Learning**” like to be curious about new things and explore new Ideas. The students were able to develop an insight into creating a vision for technology, a new way of Learning and developing skills.

The modules are designed in a way that they focus on the importance of getting over the hardships faced in our daily lives. It gives emphasis to “**I can**” means “**willingness to face hardships of life**”. With the modules on **Unique & Universal possibilities** such as ‘**Being Heroic.**’ Real life examples of **Mahatma Gandhi, Subhash Chandra Bose & Albert Einstein** etc. were shown to the students. The students were enlightened to develop their inner strength and give their worthy efforts for the development of a good society. The modules also made them understand their weaknesses and accept them. The students also learnt how to show **honesty and integrity** towards the society.
