

AWAKENED CITIZENS PROGRAM

MODULE 3: Developing Atmashradha

- Date** : 7th July 2016.
- Venue** : I.T.L Public School.
- Conducted By** : Class Teacher of Class VIII
- Attended By** : Students of Class VIII

A module on 'Developing Atmashradha' of Awakened citizens program for class VIII was conducted by teachers of Class VIII. The module recapitulated the importance of getting over the hardships faced in our daily life. It gave emphasis to **"I can"** and **"willingness to face hardships of life"**. The Module educated students to take up challenges in their lives. It laid emphasis on taking up unknown ventures or undiscovered roads to grow physically, mentally and emotionally. The students were able to develop golden values and willpower to accept hardships in life. The module provided them a better understanding of the topic **"Taking up big goals and accomplishing them"**. Students enacted the characters given in the module thus highlighting the importance of **Developing Atmashradha** in their daily life. This module proved be highly enriching for the students.
