

Report on Awakened Citizen Programme

Module – 1

Date : 19 April, 2016
Venue : ITL Public School
Conducted by : Teachers of Class VII
Attended by : Students of Class VII

An interactive and informative session was conducted by teachers of Class VII under '*The Awakened Citizen Programme*'. The module emphasized the need to explore universal possibilities of '*being heroic*', '*seeking truth*' amongst the students and expanding their identities. It also gave them an insight to realize their hidden potential and positivity to seek perfection. The students of class VII explored the possibilities of 'Being Heroic' with the help of the given examples. The examples showed the students facing challenging situations with positivity and dedication. With faith intact and potential explored, there is nothing unachievable.
