

Annual Science Festival, IMPACT

Vasant Valley School organized an Annual Science Festival, IMPACT a celebration of Science on December 3, 2015. Three students Tanya Gianchandani, Ananya Seth and Shristi Kaur Anand of class 8 participated under the event Nutri Chef and had won the first prize out of fifteen schools.

They prepared a nutritious snack based on the theme they got after the draw of lots, a protein and energy rich snack for an athlete. All the materials and ingredients were provided by the host school. They prepared cucumber boat, tomato boat, an open sandwich and a curd dip while taking into consideration the nutritional requirements of an athlete. Students received the certificates along with a book voucher of Rs.1000 each.
