

A.R.S.D COLLEGE MODEL UNITED NATIONS 2018

Caricaturists and all the other members of the International are representing a body, which in the real world is the embodiment of what the people think, hear and believe. They make documentation possible and record the proceedings to everything. They tread this path very carefully. The caricaturists doesn't only draw caricatures, but creates art of their own interpretation of what happens in committee. It would be anything. The freedom of the press in synonymous with artistic freedom.

Yasha Taneja of class XI-D, Sadhu Vaswani International School for Girls participated In A.R.S.D's M.U.N at its campus in Dhaula Kaun on 4 and 5 October 2018. She creatively presented her ideas and won an award of best caricaturists in International Press.
