

MOUNT CARMEL MUN 2018

Mount Carmel MUN was held at Mount Carmel School on 2nd and 3rd November, 2018. It provided the students with a forum to deliberate on the contemporary laws and policies concerning the same. Issues concerning the contemporary world like Regulation of Military Intervention in West Asia, International Humanitarian Law, Effects of armed conflicts, Gender equality and Countering Economic fraud were some of the crucial issues discussed in various committees.

The committee proved to be a double delight for the school as Tanisha Goswami of class IX-D won a special mention award in the UN WOMEN Committee. She received a certificate and a medal for the same.
