## **Activity 1 : My Own Pictionary**

**Learning Outcomes.** Arouse interest in Story books by engaging in reading or viewing exciting stories and doing related activities. Inculcate reading habits. Infer the meaning of unfamiliar words by reading them in context. Develop the ability to formulate thoughts and express in own words using own imagination and creativity.

**Description of Activity.** Make your own Pictionary of three words from your favourite story book given above.

**Material Required.** Use any sheet of paper for the activity.

**Methodology.** Write three words with their meanings and make a sentence using each of them. You may draw an image related to the word, next to it.

**Method of Submission.** Upload the picture of your work on Google Classroom.

**Reference.** Manual of Joyful Learning.

## **Activity 2 : Be a Storyteller**

**Learning Outcomes.** Develop the ability to formulate thoughts and express in your own words using your own imagination and creativity.

**Description of Activity.** Make a video or Audio related to the story in your own way.

**Materials Required.** Laptop or Mobile.

**Methodology.** Read any of the above stories. Reconstruct the story in your own words and record it as an Audio or video file. Use your imagination and creativity.

**Method of Submission.** Upload your video / audio on Google Classroom.

**Reference.** Manual of Joyful Learning.
