

EVS Holiday Homework Class 3

(2021-2022)

Animals-Our Inspiration

Learning outcome: Attributes that students can learn from animals, observing and identifying with nature

Description of Activity: We have learnt a lot about the animal kingdom - types, habitat, diet, movement, etc. Let's find out the various ways in which the different animals inspire our varied everyday activities.

Material required: Drawing sheets, colours, audio, video clips

Methodology: The assignment falls under 5 categories as discussed below. (You tube videos have been given just for reference, you may use other reference material)

a. Exercise-yoga postures, exercises based on animals

<https://youtu.be/26guG6wr5so>

***Showcase any one yoga posture or exercise with the help of a video clip.**

b. Clothes-Prints based on animal patterns

<https://www.youtube.com/watch?v=CPCHUhc1USw>

***You can draw and colour the prints inspired by animals, even draw a dress/ costume if you wish to and click a picture and submit it.**

c. English Expressions based on animals-'As busy as a

bee', 'As clever as a fox' 

***Make an audio clip or write down and submit - at least 5 expressions based on animals.**

d. Technologies inspired by animals-

<https://youtu.be/pynSWVdphH4>

***Choose any one technology inspired by animals and either make an audio or a video clip speaking about it.**

e. Values learnt -

<https://www.youtube.com/watch?v=pmYmDQcCqY8>

***Pick up any two values that you learn from animals and speak about it either in form of an audio or a video clip.**

Method of submission: Mentioned * below each category.

Please 'turn in' in the Google classroom under assignment created by the teacher. Attach everything that you want to showcase- all five categories, (audio/video/pictures of your artwork / animal expressions) all together when you turn in.
