CLASS – I

Dear Parents,

The much awaited summer break is here. As we are homebound this summer, we have planned the holiday homework in a manner that will engage children in a few fun activities and help them enhance their creativity and self confidence.

Please take note of instructions given below:-

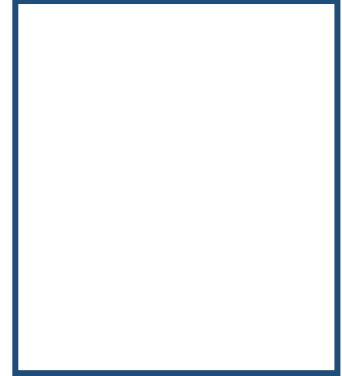

1. Holiday homework must be done by child under parental guidance in his/her own handwriting.
2. The child should have a fixed time everyday for doing the homework.
3. Each and every worksheet should have child's name and class.
4. You have the option of either printing the worksheet or copying it on an A-4 sheet.
