

Best Wishes for New Academic Year

OPG WORLD SCHOOL Overview April - June (2021-22) Class – Kindergarten

Dear parents,
Greetings!

We welcome our little ones to a vibrant and an enriching session ahead!
As the children enter their new class, the teachers are eagerly awaiting to have a wonderful session with them. We have planned many fun activities in this cycle to make learning experiential and fun. The values and attitude building will have a central place in our curriculum and the value for the month of April and May is 'Respect' with special focus on building relationships, respecting each other and being helpful. Activities like plantation and valuing the mother earth would form the basis of all activities to be taken up.

The session begins with a promise from the teachers who would strive to bring out the best in the children however this would not be possible without your support.

We look forward to a great session ahead.

Regards
Class Teacher

I count those
Eyes, ears, skin, tongue and nose

My five senses are working really well!

किताबें

हम बच्चों की दोस्त निराली
होती सदा किताबें
ज्ञान बढ़ाती और सिखाती
कितनी अच्छी बातें
जब होती हैं साथ किताबें
नहीं अकेले होते तुम
इनके आगे झुका अंधेरा
देख के इनके ज्ञान का दम I

Open - Close

Open, shut them
Open, shut them
Give a little clap, clap, clap!
Open, shut them
Open, shut them
Lay them in your lap, lap lap.
Creep them crawl them ,
creep them crawl them
Right up to your chin, chin
chin
Open up your little mouth
But do not let them in!
