HOLIDAY HOMEWORK

CLASS VI

Dear children

Its time to stand the books up

In rows upon the shelves,

and pack the charts and posters

in neat piles by themselves,

collect the pens and pencils

and put the ink away,

for school time is now over

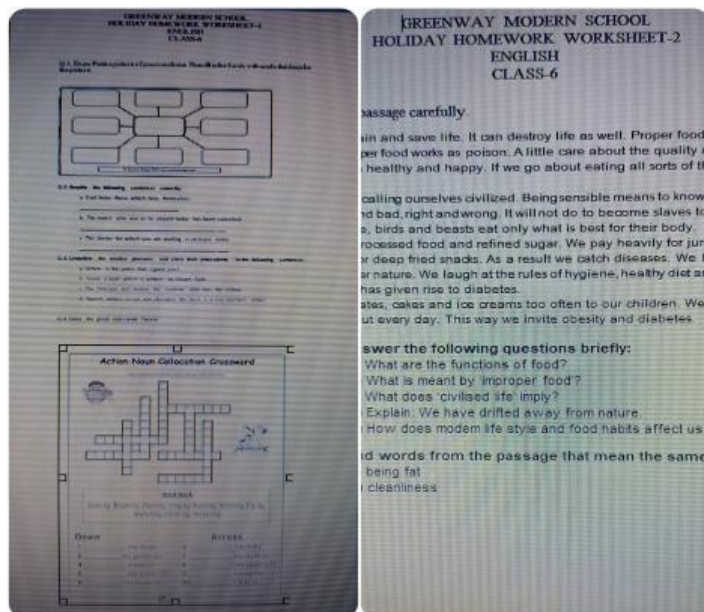

and every day is for play

so to keep you happily occupied,

we have planned some fun filled and exciting activities for you

INTRODUCTION OF ART INTEGRATED PROJECTS:

Dear Parents-

Wish you all Happy Summer Vacation!

CBSE has introduced **Art Integrated Learning** in all its affiliated schools. It means use art as a tool to teach other subjects or accept art as a medium of the learning process. It makes the students aware of vast and diverse cultural heritage of our country. Its purpose is to make students 21st century ready citizens, by empowering them with the competencies to understand, analyze, evaluate, interpret, and innovate various real-life situations that they require to face in the world outside the classroom or an environment beyond their schools and homes. It utilizes various forms of art and culture as the basis for experiencing the learning of concepts across subjects.

It includes all the subjects and will be considered for Internal Assessment.

Given below is the activity assigned for 3 subjects i.e., English, Social Studies and Science and their criteria for Internal Assessment:

ENGLISH:

ACTIVITY: PUPPET SHOW

Students have to make a video for 2 minutes in which they will present a 'Puppet Show' depicting the food habits and its nutrition values of the states given in social studies.

(Assessment would be done on the Pronunciation, Grammar, Fluency, and vocabulary.)

NOTE: Students have to include all the information regarding food, its nutrition, and states in 'PUPPET SHOW' video only. (Duration should not be more than 2 minutes).

SOCIAL STUDIES:

ACTIVITY: Map Work

Students will locate states in an outline map of India. The following states will be marked on an outline map of India (Political Map):

Maharashtra

Madhya Pradesh

Punjab

Karnataka

Meghalaya

Tamil Nadu

(Assessment would be based on correct location of a state in an outline map of India.)

SCIENCE:

ACTIVITY: Nutrients- Department of Health
