HOLIDAYS! HOLIDAYS! HOLIDAYS!

**It's time to smile and play
My holidays are from 15th May,
Wow! I am waiting for this lovely day.
I will have lots of fun,
And I will play in the Sun.
All play and no work.
I promise I will do a page of writing
With no refusal and no fighting.**

Dear Parents

Once again it's that time of the year where parents wonder how to keep the children engaged. Trust us no other time of the year can be as wonderful as vacations.... Do not let the precious days of the child be numbed with too many hours in front of the T.V. Get them going! It's the time when they will strengthen their foundation through Holiday Home work Assignments.

So here to keep our little ones a bit engrossed we have planned most of the activities and assignments. Though teachers will not be physically present to keep a supervisory eye on the children and their work, Guardian Angels at home i.e. you parents are there to take care of their emotional, social, physical and academic needs.

We hope the homework and activities will be well managed so that all our children earn a golden star. Hope you all have great vacations and enjoy yourself!

Thank you

With lots of love and wishes
