HOLIDAY HOMEWORK

FOR CLASS VIII (2021-2022)

Dear Parents

Wish you all a very happy summer vacation!

“Self-healing has been the finest art ever.” “Let the nature heal itself and you in the most natural ways, don’t resist the natural healing --complement it with self-love.” Although the whole world is facing a dire situation owing to COVID-19, there have been some positive impacts of lockdown. As it is correctly said, “A coin has two sides”, the positive side of this lockdown has been that the nature is healing itself and we have come to know the importance of family and health in our lives.

For this summer vacation, we have planned assignments and activities to keep the children engaged and also help them in channelizing their energies. Kindly help and guide your ward in completing his/her work and also exploring his/her creative self.

General Instructions-

- The Holiday Homework is to be done in neat and tidy handwriting. Subject wise, in separate folders or files as per the given instructions.
- Holiday Homework of all the subjects must be submitted to the respective teachers as per their instructions.
- Make a set routine for your child to do holiday homework as regular practice improves learning and writing skills instead of forcing them to do their holiday homework at the eleventh hour.
- Encourage your child to read E-newspaper sent in the class groups everyday, because it not only enhances the knowledge acquired but also develops the vocabulary, language skills.

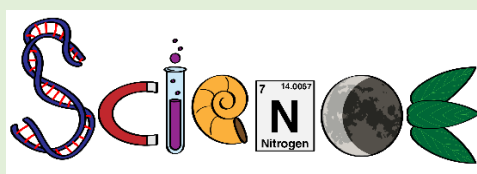

NOTE: All the Subjects' Pre Midterm Internal Assessment will be done on the basis of Holiday Homework.

1. Revise the syllabus covered in the class.
2. Write a Sonnet in a decorative manner.
3. Pick up any English or Hindi author and write his /her biography (including date and place of birth, qualifications, family life, literary achievements, struggle etc.)
4. Learn calligraphy (Videos will be sent time to time for practice)
5. Write any one story given on page no.197 of Corner Stone
6. Do the worksheets uploaded in MS TEAMS.

NOTE: Do Question no. 2 ,3 and 5 either in your notebook or make a PPT as per your convenience.

1. Prepare a detailed report in about 200 words discussing about the advantages of modern irrigation techniques over the traditional ones.
2. Discuss with the help of an activity:
 - Reaction of metals with oxygen
 - Reaction of metals with water
3. Find out at least three ways of extinguishing the fire. Also, write detailed notes in about 80 words each.
4. Prepare a poster on A4 sheet on the zones of candle flame.

NOTE: Science homework can be done either on A4 sheets or any file available.
The holiday homework of science will be the part of assessment for Pre-Mid Term.

SOCIAL SCIENCE

1. On the political map of India, mark the British territories of India in 1856.
2. Collect & paste newspaper clippings in which incidences of religious discrimination in other countries have been highlighted.
3. In the wake of Covid 19 there is a need to understand the related terms like **epidemic, endemic and pandemic**. Define the terms and cite the diseases associated with each of it that engulfed and spread in India explaining the causes and strategies how India tackled it.
4. Learn Pre-Mid Term chapters.

NOTE: All the work is to be done in **Social Science notes copy**.

1) निम्न विषयों पर अनुच्छेद लिखिए।

क) पुस्तके पढ़ने की आदत।

ख) इंटरनेट से होने वाले लाभ व हानि।

ग) योग भगाए रोग।
