Dedication

In loving memory of the pious soul, my friend 'Late. Vijay Arora,' who for me was the embodiment of hard work, dedication, and humility. My world shook and fell apart when the pandemic took him away from us, but he would always remain with us in our hearts.

"Not a single day buddy when I don't miss you."

Imagination on steroids warning

The text that follows is an outcome of high dosages of imagination and thus has no bearing on any person living or dead except me off course. Any resemblance to any person living or dead is purely coincidental and unintentional. The objective of this book is not to offend anyone, albeit it uses mild language and mature theme schematically to create sarcasm. I have made a genuine attempt of not making any personal or derogatory remarks to specific people nor do I wish to hurt anyone's sentiments, if I end up doing it unknowingly then please accept my sincerest apologies.

If life was a journey and I had to describe mine in one word, then I would go with 'Turbulent'. No matter if I am travelling from point A to B or C to D or anywhere else, in my life, I never have a quiet flight. The moment I start to feel placidity in life it turns into acidity. I am always hit by troubles, sometimes subtle, sometimes unsettling and sometimes 'Boat-capsizing' violent. This is why I always live by principle, "Life is never fair and it never will be, still play fair". If you are reading this then you should be tempted enough to know what really went on. So, go ahead and turn a few pages, I hope you will find a piece of your own story in mine.
