Dedication

For the one
my soul had already chosen
long before my heart
learned your name.

And for every person
who has ever loved quietly,
waited patiently,
and believed
that some souls
are simply meant
to find each other.

ABOUT THE BOOK

Where My Soul Chose You is a collection of heartfelt poems about love, longing, memories, silence, and the emotions often left unspoken.

Through simple yet deeply emotional verses, the book explores the beauty of loving someone, the pain of distance, the warmth of memories, and the quiet moments when the heart speaks louder than words.

Each poem carries a feeling—a thought left unsaid, a memory held close, a moment of hope, or a love that continues to live within the soul.

This book is for anyone who has ever loved deeply, missed someone silently, waited for someone, or found pieces of themselves in another person.

Sometimes, the heart chooses before the mind can understand.

And sometimes, the soul simply knows where it belongs.

“Some people enter our lives by chance,
but somehow, our soul knows they were
meant to stay.”

Preface

Love has never been loud.

It arrives gently,

settles quietly,

and changes everything

without asking permission.

These poems were born from the spaces between words—the moments of waiting, healing, longing, and finally finding a place that felt like home.

Perhaps this book is not a story about meeting someone.

Perhaps it is a story about remembering the soul that was always meant to walk beside yours.

If these pages remind you of someone you love, someone you miss, or even yourself, then they have found the heart they were written for.

Some feelings are too sacred to rush.

Where My Soul Chose You

This collection is a journey of the heart.
From the quiet ache of loneliness to the
overwhelming peace of finding you.
These poems are about waiting, believing,
falling, healing, and finally—belonging.

For anyone who has loved deeply,
lost silently, or found home
in another soul—
may these pages feel like a reflection
of your own story.

Some people walk into our lives,
and some walk into our souls.
You became both.
